Walt And The Promise Of Progress City By Sam Gennawey:

Walt Disney and the Promise of Progress City Sam Gennawey, Bob McLain, Werner Weiss, 2014-12-14 The Story of Walt's EPCOT Disney historian and urban planner Sam Gennawey traces the evolution of the EPCOT we didn't get and the Epcot we did in a tour de force analysis of Walt's vision for city building and how his City of Tomorrow might have turned out had he lived

Walt and the Promise of Progress City Sam Gennawey, 2011 Walt Disney's vision for a city of tomorrow EPCOT would be a way for American corporations to show how technology creative thinking and hard work could change the world He saw this project as a way to influence the public's expectations about city life in the same way his earlier work had redefined what it meant to watch an animated film or visit an amusement park Walt and the Promise of Progress City is a personal journey that explores the process through which meaningful and functional spaces have been created by Walt Disney and his artists as well as how guests understand and experience those spaces

Power and Paradise in Walt Disney's World Cher Krause Knight, 2019-08-19 Peels back the actual and contextual layers of Walt Disney's inspiration and vision for Disney World in central Florida exploring the reasons why the resort has emerged as such a prominent sociocultural force

Movie Towns and Sitcom Suburbs Stephen Rowley, 2015-10-21 Media depictions of community are enormously influential on wider popular opinion about how people would like to live In this study Rowley examines depictions of ideal communities in Hollywood films and television and explores the implications of attempts to build real world counterparts to such imagined places

Why the Magic Matters Alexis Franzese, Jill Peterfeso, 2025-09-04 As education entertainment or edutainment as Walt called it Disney offers its consumers and guests with a wealth of opportunities for learning In *Why the Magic Matters* top Disney scholars and teachers unpack what why and how Disney maintains its overwhelming cultural significance in the global entertainment industry Broken into four parts Magic and Strategy Authenticity and Simulation Nostalgia and Innovation and Leisure and Labor the book offers a framework that juxtaposes ideas found in Disney products properties and experiences From art film and television history to Indigenous disability and religious studies each chapter contextualizes Disney within a greater cultural landscape Students teachers and fans will gain insights on what Disney can teach us about pop culture and fresh perspectives on why the magic really does matter

Architecture and Leadership Mark Roberson, Alicia Crumpton, 2022-12-12 From cathedrals to cubicles people go to great lengths and expense to design their living and working environments They want their spaces to be places where they enjoy being reflecting who they are and what they care about The resultant environments in turn become loud albeit unvoiced leaders for people occupying those corresponding spaces The design and use of work and living spaces typifies and thematizes expectations for the group Essentially the architecture of rooms buildings and cities creates cultures by conveying explicit and implicit messages This is evident when people approach and walk into St Basil's Cathedral in Moscow the Forbidden City in Beijing the Sydney Opera House in Sydney Australia the Jewish Museum in Berlin or the Rothko Chapel in

Houston to name some examples While leaders oftentimes lack the resources to have their spaces mirror the greatest architectural achievements of the world they are in a position to use the art and science of architecture at whatever scale is available to their advantage The creative and intentional use of space and place advances and promotes cherished values and enhances organizational effectiveness This book explores the essence of good architecture and establishes relevant connections for leaders and managers to strategically design and use the organizational workplace and space to support their mission and purpose and create aesthetically meaningful work environments It equips leaders to be culturally astute on what defines good architecture and to incorporate principles of beauty in their leadership practices accordingly and will be of interest to researchers academics professionals and students in the fields of leadership organizational studies and architecture theory and practice

Disney and the Dialectic of Desire Joseph Zornado,2017-10-18 This book analyzes Walt Disney s impact on entertainment new media and consumer culture in terms of a materialist psychoanalytic approach to fantasy The study opens with a taxonomy of narrative fantasy along with a discussion of fantasy as a key concept within psychoanalytic discourse Zornado reads Disney s full length animated features of the golden era as symbolic responses to cultural and personal catastrophe and presents Disneyland as a monument to Disney fantasy and one man s singular perverse desire What follows after is a discussion of the second golden age of Disney and the rise of Pixar Animation as neoliberal nostalgia in crisis The study ends with a reading of George Lucas as latter day Disney and Star Wars as Disney fantasy This study should appeal to film and media studies college undergraduates graduates students and scholars interested in Disney

Autonorama Peter Norton,2021-10-21 In Autonorama The Illusory Promise of High Tech Driving historian Peter Norton argues that driverless cars cannot be the safe sustainable and inclusive mobility solutions that tech companies and automakers are promising us The salesmanship behind the driverless future is distracting us from better ways to get around that we can implement now Unlike autonomous vehicles these alternatives are inexpensive safe sustainable and inclusive Norton takes the reader on an engaging ride from the GM Futurama exhibit to smart highways and vehicles to show how we are once again being sold car dependency in the guise of mobility Autonorama is hopeful advocating for wise proven humane mobility that we can invest in now without waiting for technology that is forever just out of reach

American Arcadia Peter James Holliday,2016 American Arcadia explores the innumerable ways Californians shaped their visual and social culture using models and ideals from the classical tradition

Intelligent Infrastructure T. F. Tierney,2017-02-03 While many of its traditional elements such as roads and utilities do not change urban infrastructure is undergoing a fascinating and necessary transformation in the wake of new information and communication technologies This volume brings together many of the most important new voices in the fields impacting modern urban infrastructure to explore this revolutionary change in the city Increasingly it is connective systems rather than built forms that bind a city together Intelligent infrastructure confers upon a city previously unimagined levels of adaptability with mobile telephony serving to organize people and events on the

move and in real time Beginning with a consideration of invisible networks the sociohistorical systems that contribute to and constitute urbanity the essays collected here examine a variety of actual tools from handheld devices to autonomous vehicles within a fully networked built environment the smart city This book argues that knowledge of both the visible and invisible components information energy sustainability transportation housing and social practices are critical to understanding the urban environment The dynamic and diverse cast of contributors includes Mitchell Schwarzer Frederic Stout Anthony Townsend Carlo Ratti of the MIT SENSEable City Lab Mitchell Joachim of Terreform ONE and many other innovators who are changing the urban landscape

Utopias in Nonfiction Film Simon Spiegel, 2022-01-11 Comprehensive and thorough *Utopias in Nonfiction Film* takes a new direction in its surprise application to documentary that has the potential to shake up the field Jane Gaines Columbia University USA Spiegel has introduced a new sub genre to utopian studies the documentary film The book covers an impressive range of films making the book one of the few truly international and comparative works in utopian studies Lyman Tower Sargent University of Missouri St Louis USA Simon Spiegel s magisterial overview of utopian documentaries and nonfiction films is a treasure trove of information and unearths many forgotten and half forgotten films providing perceptive discussions of sidelined movies that deserve his and our critical scrutiny Eckart Voigts University of Braunschweig Institute of Technology Germany This book is the first major study on utopias in nonfiction film Since the publication of Thomas More s *Utopia* more than 500 years ago countless books have been written which describe a better world But in film positive utopias seem to be nonexistent So far research has focused almost exclusively on dystopias since positive outlooks seem to run contrary to the media s requirement *Utopias in Nonfiction Film* takes a new approach starting from the insight that literary utopias are first and foremost meant as a reaction to the ills of the present and not as entertaining stories it looks at documentary and propaganda films an area which so far has been completely ignored by research Combining insights from documentary research and utopian studies a vast and very diverse corpus of films is analysed Among them are Zionist propaganda films cinematic city utopias socialist films of the future as well as web videos produced by the Islamist terrorist group ISIS

Disney Stacy Mintzer Herlihy,2022-02-04 Since its founding in 1923 the Walt Disney Company has become an American institution and one of the most successful businesses in history This book takes an in depth look at the evolution of this iconic and sometimes controversial corporation It s hard to imagine a childhood without the ubiquitous presence of Disney From classics like Cinderella and Bambi to such modern blockbusters as Mulan and Frozen Disney s animated features have captivated audiences for decades Visiting California s Disneyland or Florida s Disney World has become the quintessential family vacation Children dress as their favorite Disney characters for Halloween while young at heart adults collect all manner of Disney memorabilia But how much do you really know about this integral piece of Americana Part of the Corporations That Changed the World series this book provides readers with a richly detailed history of a company that has become synonymous with what it means to grow up as an American It chronicles Walt Disney s early years and the evolution of the Walt Disney Company from animation studio to entertainment powerhouse It also explores how Disney changed the landscape of animation and movie making forever An unbiased look at the controversies that have surrounded Disney over the years will help readers better understand these contentious issues and how the company has responded

Kingdom Chaos Jeff Dixon,2020-10-22 Author Jeff Dixon once again combines thrilling fiction faith and Disney facts in Kingdom Chaos a stand alone novel with crossover to his beloved novel series Dixon on Disney As the story unfolds the controversial President Tyler Pride and his family board a monorail at the Transportation and Ticket Center for a trip to the Epcot Resort When the monorail arrives at Epcot the president and his family are gone A national crisis instantly explodes across the Disney resort The president has been kidnapped And if the president is missing at Walt Disney World who better to find him than the man who knows Walt Disney World better than anyone who has ever lived Grayson Hawkes This is a political and ideological thriller an action adventure mystery and also a story of how faith and politics sometimes clash Like Dixon s past novels Kingdom Chaos can best be described as faction a weaving of fact and fiction set in the Walt Disney World Resort in Central Florida The places and locations are real and the novel builds on events from the life of Walt Disney and the history of the Walt Disney World Resort The sights the sounds and the secrets of the themed resort all become a part of solving the mystery and trying to save the president of the United States Kingdom Chaos is set in the same fictionalized Disney World as the original novel series Dixon on Disney Grayson Hawkes and other characters return joined by new characters and a threat with national implications unlike any they ve faced before Along the way we will unpack enough of their backstory to create numerous fun Hidden Mickeys for readers of the original series to

find and connect to the first four books **Universal versus Disney: The Unofficial Guide to American Theme Parks' Greatest Rivalry** Sam Gennawey, 2014-10-20 Universal Studios never really wanted to get into the theme park business They wanted to be the anti Disney But when forced to do so they did it in a big way Despite the fits and starts of multiple owners the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company How did this happen Who made it happen What does this mean for the theme park industry In *Universal Versus Disney* his newest work to investigate the histories of America's favorite theme parks seasoned Disney author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi billion dollar theme park industry one so long dominated by Walt Disney and his legacy **Forgotten Disney** Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-19 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory
