Women In Italy 1945 1960 An Interdisciplinary Study Italian And Italian American Studies:

Women in Italy, 1945-1960: An Interdisciplinary Study P. Morris, 2006-10-30 This volume brings together specialists from a variety of disciplines to develop a deeper understanding of the social political and cultural history of women in Italy in the years 1946 1960 Despite being a time when women and the family were at the center of national debates and when society changed considerably the fifteen years following the Second World War have tended to be overlooked or subsumed into discussions of other periods By focusing on the experience of women and by broadening the frame of reference to include subjects and sources often ignored or only alluded to by traditional analyses the essays in this volume break new ground and provide a corrective to previous interpretive models *Feminism, Violence, and Representation in Modern Italy* Giovanna

Parmigiani, 2021-12-22 A study of how violence and language affect women in Italy Can the way a word is used give legitimacy to a political movement Feminism Violence and Representation in Modern Italy traces the use of the word *femminicidio* or femicide as a tool to mobilize Italian feminists particularly the Union of Women in Italy UDI Based on nearly two years of fieldwork among feminist activists Giovanna Parmigiani takes a broad look at the many ways in which violence inflects the lives of women in Italy From unchallenged gendered grammar rules to the representation of women as victims Parmigiani examines the devaluing of women's contribution to their communities through the words and experiences of the women she interviews She describes the first uses of the word *femminicidio* as a political term used by and within feminist circles and traces its spread to ultimate legitimization and national relevance The word redefined women as a political subject by building an imagined community of potentially violated women In doing so it challenged Italians to consider the status of women in Italian society and to make this status a matter of public debate It also problematized the connection between women and tropes of women as objects of suffering and victimhood Parmigiani considers this exchange within the context of Italian Catholic heritage a precarious economy and long held notions of honor and shame Parmigiani provides a careful and searing consideration of the ways in which representations of violence and the politics of this representation are shaping the future of women in Italy and beyond **Women, Terrorism, and Trauma in Italian Culture** R.

Glynn, 2013-02-21 Addressing cultural representations of women's participation in the political violence and terrorism of the Italian *anni di piombo* years of lead c 1969 83 this book conceptualizes Italy's experience of political violence during those years as a form of cultural and collective trauma **George L. Mosse's Italy** L. Benadusi, G. Caravale, 2014-09-10 Twelve

years have gone by since the passing of George L Mosse yet his work still provides essential tools for historical analysis and influences contemporary research This volume provides a re examination of his historiographical production and an analysis of his influence in the context of Italian history *Women, Desire, and Power in Italian Cinema* M. Cottino-Jones, 2010-02-15 *Women Desire and Power in Italian Cinema* offers for the first time in Italian Cinema criticism a contextual study of the representation of women in twentieth century Italian films Marga Cottino Jones argues that the ways women are depicted on

screen reflects a subconscious sexual conservatism typical of an Italian society rooted within a patriarchal ideology The book then follows the slow but constant process of social awareness in the Italian society through women in film especially after the 1950s Comprehensive in scope this book analyzes the films of internationally known male and female directors such as Antonioni Fellini Rossellini Visconti Bertolucci Benigni Cavani Wertmuller Comencini and Archibugi Special consideration is given to the actresses and actors that have become the icons of Italian femininity and masculinity such as Sofia Loren Gina Lollobrigida Silvana Mangano Gian Carlo Giannini Marcello Mastroianni and Alberto Sordi Berlusconism and Italy G. Orsina, 2014-09-04 From the outset Silvio Berlusconi's career was expected to be short and he has been considered finished several times only to have reemerged victorious This fascinating political and historical study shows that Berlusconi's success and resilience have lain in his ability to provide answers to longstanding questions in Italian history **Italian Academies and their Networks, 1525-1700** Simone Testa, 2017-03-21 Italian Academies have typically been studied individually or in the context of specific cities leaving an important lacuna in the scholarship on Italian culture and early modernity Cutting across various disciplines this volume traces the relationships of these Academies and explains how they prefigured networks like the R publique des lettres **Oral History, Oral Culture, and Italian Americans** Luisa Del Giudice, 2009-11-09 This book introduces readers to a wide range of interpretations that take oral history and folklore as the premise with a focus on Italian and Italian American culture in disciplines such as history ethnography memoir art and music **Sexscapes of Pleasure** Elena Zambelli, 2022-11-11 Focusing on Italy this book discusses how women negotiate sexuality and social status in a Western sexscape constituted by multifaceted articulations of women's sexuality commodities and modernity Drawing from ethnographic research this book brings together the narratives of Italian and migrant women pole dancing for leisure women pole and lap dancing for work as well as women selling sex By tracing commonalities in women's processes of subjectivation and othering across the non sex working women divide the book foregrounds the intersecting structures of oppression under which women negotiate selfhood *Postcolonial Italy* Cristina Lombardi-Diop, 2012-12-06 This volume constitutes a multidisciplinary intervention into the emerging field of postcolonial studies in Italy bringing together cultural and social history critical and political theory literary and cinematic analyses ethnomusicology and cultural studies anthropological fieldwork and race gender diaspora and urban studies
