Women's Hats, Headdresses and Hairstyles Georgine de Courtais, 2006-02-01 Originally published *Women s headdresses and hairstyles in England from AD 600 to the present day* B T Batsford London 1986 **Women's Hats, Headdresses and Hairstyles** Georgine de Courtais, 2013-01-16 453 illustrations provide authentic record of over 1 300 years of changing hairstyles and headwear in England everything from wimples and crespines worn in Anglo Saxon times to early Victorian bonnets and pillboxes *Women's Headdress and Hairstyles in England from AD 600 to the Present Day* Georgine De Courtais, 1973 In words and pictures Georgine de Courtais here traces the changing fashion in women s headdress and hairstyles in England Each historical period has a separate introduction which places headdress and hair styles in the context of the general fashion for their age Opposite each page of drawings are detailed notes on the headdresses millinery and hairstyles illustrated including information on the materials used and the varying methods of manufacture Over 400 delicate and accurate drawings Cover *A Cultural History of Hair in the Age of Empire* Sarah Heaton, 2020-12-10 Hair or lack of it is one the most significant identifiers of individuals in any society In Antiquity the power of hair to send a series of social messages was no different This volume covers nearly a thousand years of history from Archaic Greece to the end of the Roman Empire concentrating on what is now Europe North Africa and the Near East Among the key issues identified by its authors is the recognition that in any given society male and female hair tend to be opposites when male hair is generally short women s is long that hair is a marker of age and stage of life children and young people have longer less confined hairstyles adult hair is far more controlled hair can be used to identify the other in terms of race and ethnicity but also those who stand outside social norms such as witches and mad women The chapters in *A Cultural History of Hair in Antiquity* cover the following topics religion and ritualized belief self and society fashion and adornment production and practice health and hygiene gender and sexuality race and ethnicity class and social status and cultural representations **Encyclopedia of Hair** Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics *Hats and Headwear*

around the World Beverly Chico,2013-10-03 This concise encyclopedia examines headwear around the world from ancient times to the modern era comprising entries that address cultural significance religion historical events geography demographic and ethnic issues fashion and contemporary trends Are feathers from endangered bird species still commonly used on hats Why do many Muslim women cover their heads How has advancing technology influenced modern headwear This concise encyclopedia provides the answers to these questions and many more regarding headwear and human culture in its examination of headwear around the world It examines topics from ancient times to the modern era providing not only detailed physical descriptions and historical facts but also information that addresses cultural significance religion historical events geography demographic and ethnic issues fashion and contemporary trends The entries reveal fascinating insights into headwear as historical aesthetic fashion utilitarian mystical and symbolic apparel and supplies comprehensive analyses of hats across the globe unavailable in the existing literature **World Clothing and Fashion** Mary Ellen

Snodgrass,2015-03-17 Taking a global multicultural social and economic perspective this work explores the diverse and colourful history of human attire From prehistoric times to the age of globalization articles cover the evolution of clothing utility style production and commerce including accessories shoes hats gloves handbags and jewellery for men women and children Dress for different climates occupations recreational activities religious observances rites of passages and other human needs and purposes from hunting and warfare to sports and space exploration are examined in depth and detail Fashion and design trends in diverse historical periods regions and countries and social and ethnic groups constitute a major area of coverage as does the evolution of materials from animal fur to textiles to synthetic fabrics and production methods from sewing and weaving to industrial manufacturing and computer aided design Dress as a reflection of social status intellectual and artistic trends economic conditions cultural exchange and modern media marketing are recurring themes Influential figures and institutions in fashion design industry and manufacturing retail sales production technologies and related fields are also covered All Things Medieval Ruth A. Johnston,2011-08-15 This insightful survey of the things of

medieval Europe allows modern readers to understand what they looked like what they were made of how they were created and how they were used All Things Medieval An Encyclopedia of the Medieval World covers the widest definition of medieval Europe possible not by covering history in the traditional textbook manner of listing wars leaders and significant historic events but by presenting detailed alphabetical entries that describe the artifacts of medieval Europe By examining the hidden material culture and by presenting information about topics that few books cover pottery locks and keys shoes weaving looms barrels toys pets ink kitchen utensils and much more readers get invaluable insights into the nature of life during that time period and area The heartland European regions such as England France Italy and Germany are covered extensively and information regarding the objects of regions such as Byzantium Muslim Spain and Scandinavia are also included For each topic of material culture the entry considers the full scope of the medieval period roughly 500 1450 to give the reader a

historical perspective of related traditions or inventions and describes the craftsmen and tools that produced it **Hair, Headwear, and Orthodox Jewish Women** Amy K. Milligan, 2014-09-24 Hair Headwear and Orthodox Jewish Women comments on hair covering based on an ethnographic study of the lives of Orthodox Jewish women in a small non metropolitan synagogue It brings the often overlooked stories of these women to the forefront and probes questions as to how their location in a small community affects their behavioral choices particularly regarding the folk practice of hair covering A kallah or bride makes the decision as to whether or not she will cover her hair after marriage In doing so she externally announces her religious affiliation in particular her commitment to maintaining an Orthodox Jewish home Hair covering practices are also unique to women s traditions and point out the importance of examining the women especially because their cultural roles may be marginalized in studies as a result of their lack of a central role in worship This study questions their contribution to Orthodoxy as well as their concept of Jewish identity and the ways in which they negotiate this identity with ritualized and traditional behavior ultimately bringing into question the meaning of tradition in a modern world

The Mode in Hats and Headdress R. Turner Wilcox, 2013-09-26 This stunningly comprehensive survey of hats and headgear from ancient Egypt to mid 20th century illustrates an astonishing range of styles plumed turbans to modern homburgs plus images of hairstyles jewelry and cosmetics
