

IT TAKES A SPECIAL PERSON TO BE

A Pastor's Wife

for it is not an easy task
or a simple way of life.

She is always there
to encourage and lend
a helping hand.

A virtuous woman she is,
with wisdom and strength
she stands.

Devoted to God's calling
as she allows Him to lead,
she abounds with grace
never endings,
a blessing she is indeed.

A Great Life Joe Burnworth, 2024-08-13 From a no frills family to national business success. It has not been a straight road for me but with my work ethic, tenacity, never quit attitude and entrepreneurial skills I have thrived and survived. Starting out at 12 years old going door to door selling Downy Flake Doughnuts, my work ethic was established at an early age. I advanced moving from job to job, accelerating my work position providing me with enough income to purchase a wrist watch, my first car and paying my way through college. Investing and my entrepreneurial instincts have catapulted me from having my first duplex, purchasing a printing business, opening three roller skating rinks, building a national condominium and apartment development company, building and selling over 1,400 units. Along the way I think I have used most of my Nine Lives. Among my many close calls with death are my tour in Vietnam, surviving Hurricane Iris and a runaway driver I served with the 1st Air Cavalry Division in Vietnam with my team's mission Search and Destroy. At times we had direct contact with the enemy at daybreak, mid day and prior to sunset, breakfast, lunch and dinner. I excelled at this S&D mission, being named Soldier of the Month and being awarded an accommodation for Valor. On one of our many international SCUBA diving adventures, my wife and I were on a 100 foot yacht The Aggressor in Belize along with another 100 foot yacht The Wave Dancer. We were tied up 20 feet apart in a remote area waiting out Hurricane Iris when the category four storm ripped The Wave Dancer from its cleats, capsizing and killing 20 of the 28 people aboard. I wrote a book about the tragedy No Safe Harbor. Another close call with death came as I was sitting in my front room watching a baseball game. A person speeding from the police catapulted his car over a berm into a tree and spun his car into my room. Both the tree and car were less than 12 inches from where I was sitting. The fleeing, crashing culprit was arrested a few weeks later. On my 80th birthday I have lived a charmed and successful life.
