Word and Spirit Together David Pawson, 2014-04-15 The author has a passionate desire to see Charismatics and Evangelicals united He has made a searching study of their remaining differences which he believes can be resolved without compromise This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of the Holy Spirit *Evangelical and African Pentecostal*

Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle Doctrine and Experience

Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine experience neither or both If in one which and why not the other If in both how might the two co exist without cancelling out each other s distinctives If in neither then what practical value does either have for the Christian life In this book the author has combined critical research pastoral awareness and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps but also has opened the door for a subtle but potent form of idolatry to creep into our midst In an attempt to purge these idols and bridge the gap this book contextualizes the biblical teachings and practices of our original spiritual instructors asking the double edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord The author concludes that evangelicals should seek an incarnate cross centered spirituality that is informed by meticulous attention and obedience to sound doctrine but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland *Word and Power* places Wimber in his

theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today Damage Control Dean Merrill, 2006-03-01 People don't like Christians. It's a sad fact but it's true. Instead of being seen as representatives of a loving God, Christians are often seen as narrow-minded, exclusionary, or pushy. In *Damage Control*, Dean Merrill examines what Christians can do to stop making Jesus look bad. Let's shine a light on what we're doing wrong and what we as field reps could do better, he says. In three parts, Merrill looks at God's shaky plan, why God left his reputation in the hands of fallible humans, the ways we hurt God's cause without realizing it, and the ways we can help God's cause. This insightful and energizing book will show Christians how to engage in spiritual disciplines, peaceful practices, and evangelism to represent Christ for who he really is. *Together in One Mission* Arto Hamalainen, Grant McClung, 2012-09-27 A. B. Simpson Michael G. Yount, 2016-10-25 This volume looks at the Third Great Awakening, one of the most exciting times in the history of American Christianity. A. B. Simpson's impact on the Third Great Awakening and his influence on the modern church is examined. Emphasis is placed on the denomination he founded, the Christian and Missionary Alliance. Simpson's message, the Fourfold Gospel, is also explored. The Fourfold Gospel is Christ as the Christian's Savior, Sanctifier, Healer, and Coming King. The denomination Simpson founded took this message not only to North America but also throughout the world. Five movements made up the Third Great Awakening, and Simpson's contribution to each one is examined. These five movements include Evangelizing Holiness Movement, Healing Movement, Pre-millennial Movement, and Urban and Worldwide Outreach. As this book concludes with a look at Simpson's influence on the church today, we are reminded that as the church goes through the twenty-first century, the Fourfold Gospel continues to be proclaimed just as it was during the Third Great Awakening.

First the Kingdom Stephen A. Graham, Marcia W. Graham, 1994 *First the Kingdom* traces the history and meaning of the disastrous schism in the Christian Church between conservative pentecostal charismatics and the advocates of liberal social justice. The authors illustrate the relationship between the two seemingly diverse groups and call for repentance by both the conservative pentecostal charismatics for their neglect of the political and social dimensions of Christianity and by liberal social justice advocates for their ignorance of the reality and power of the gift of the Holy Spirit. Contents: Preface, Acknowledgements, The Past, Present and Future of the Charismatic Renewal Movement, An Assessment of the Charismatic Renewal Movement, Weaknesses of Liberals and Conservatives, Repentance and Renewal, One in Mind and Spirit, The Kingdom of God Recovered, The Disgraceful Disunity of the Church, The Root Problem, Critique of the Present Context, Origin of the Rift Between Our Two Factions, The Way Out of Disunity, Glossary, Bibliography, Index. *Transforming Renewal* Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions. Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow. In particular, this book

seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewalist theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world
