Workless Make More Money Why You Need It:

Work Less, Make More Kim Northwood, 2023-04-01 *Work Less Make More The Millennial s Guide to Financial Freedom* is about the golden rule of personal finance If you don t manage your money someone else will This book aims to inspire you to take control of your personal finances We ve been sold a lie about having to hustle harder than everyone else to get ahead The truth is personal finance is not about how much you earn it s about how much you convert to wealth The book focuses on using money to its full potential from home ownership strategies insurances and super to modern investing tactics Following two millennials Penny and Shriram the book shows how simple decisions can make an enormous difference to your wealth In the current social and economic climate it is more important than ever to use knowledge to build financial security This is your guide to financial freedom [Summary of James Schramko's Work Less, Make More Everest](#)

Media, 2022-05-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The best way to change your focus is to increase how effective you are Notice I didn t say how productive you are A lot of people obsess about productivity which is all about getting through a lot of work in a given period of time But you should instead focus on doing the right things 2 Everything you have today is the result of everything you ve done up to this point Everything you have in the future depends on what you do as a result of what you learn from this moment onward So take personal responsibility and start working on your future today 3 If you re not sure how you spend your time each day install time management software on your computer The number of hours you spend on your computer should be under 20 If your report shows you re spending more than 60 70 80 or even 100 hours a week you re running on burnout mode 4 Turn off email alerts and social media notifications The absence of these alerts will give you a sense of peace to focus on higher value tasks without being disturbed [Earn more Money Work less Have a better Life](#) Simone Janson, 2025-05-28 Also in the 7th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because many people turn day in and day out in the hamster wheel and wish for a nicer better and easier life This does not have to remain a dream and the solution to the problem is called passive income But unfortunately very few people are really familiar with the topic of investing money and opinions about proper financial planning are as many as there are experts So if you want to earn money through proper investing you would do well not to lose track in the jungle of financial products between stock trading with individual stocks ETF and index funds gold real estate and so on Therefore it is meaningful to concern oneself more extensively with the own fortune planning finally savings and thus the age precaution important for the pension are only destroyed by the inflation Good luck and have fun reading With its integrated knowledge system and Info on Demand concept the publisher not only participated in an EU funded

program but was also awarded the Global Business Award as Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services free of charge available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That's why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT Wirtschaftswoche and ZEIT you can learn more about her on Wikipedia
