The Thom Hartmann Reader Thom Hartmann, 2011-11-07 Presents over twenty five essays by Thom Hartmann on a variety of American topics

The Hidden History of Monopolies Thom Hartmann, 2020-08-25 This is the most important dynamic book on the cancers of monopoly by giant corporations written in our generation Ralph Nader from the foreword American monopolies dominate control and consume most of the energy of our entire economic system they function the same as cancer does in a body and like cancer they weaken our systems while threatening to crash the entire body economic American monopolies have also seized massive political power and use it to maintain their obscene profits and CEO salaries while crushing small competitors But Thom Hartmann America's 1 progressive radio host shows we've broken the control of behemoths like these before and we can do it again Hartmann takes us from the birth of America as a revolt against monopoly remember the Boston Tea Party to the largely successful efforts of both Presidents Theodore and Franklin Roosevelt and other like minded leaders to restrain corporations monopolistic urges to the massive changes in the rules of business starting during the Reagan Revolution that have brought us to the cancer stage of capitalism He shows the damage monopolies have done to so many industries agriculture healthcare the media and more Individuals have taken a hit as well the average American family pays a 5 000 a year monopoly tax in the form of higher prices for everything from pharmaceuticals to airfare to household goods and food But Hartmann also describes commonsense historically rooted measures we can take such as revitalizing antitrust regulation taxing great wealth and getting money out of politics to pry control of our country from the tentacles of the monopolists

The Last Hours of Ancient Sunlight: Revised and Updated Third Edition Thom Hartmann, 2007-12-18 While everything appears to be collapsing around us ecodamage genetic engineering virulent diseases the end of cheap oil water shortages global famine wars we can still do something about it and create a world that will work for us and for our children's children The inspiration for Leonardo DiCaprio's feature documentary movie The Eleventh Hour and soon to be released HBO special Ice on Fire Last Hours of Ancient Sunlight details what is happening to our planet the reasons for our culture's blind behavior and how we can fix the problem Thom Hartmann's comprehensive book is one of the fundamental handbooks of the environmental activist movement Now with fresh updated material on our Earth's rapid climate change and a focus on political activism and its effect on corporate behavior The Last Hours of Ancient Sunlight helps us understand and heal our relationship to the world to each other and to our natural resources

The Hidden History of Neoliberalism Thom Hartmann, 2022-09-13 A progressive radio host and author reveals how neoliberalism became so prevalent in the United States and why it's time for us to turn our backs to it With four decades of neoliberal rule coming to an end America is at a crossroads In this powerful and accessible book Thom Hartmann demystifies neoliberalism and explains how we can use this pivotal point in time to create a more positive future This book traces the history of neoliberalism a set of capitalistic philosophies favoring free trade low taxes on the rich

financial austerity and deregulation of big business up to the present day Hartmann explains how neoliberalism was sold as a cure for wars and the Great Depression He outlines the destructive impact that it has had on America looking at how it has increased poverty damaged the middle class and corrupted our nation s politics America is standing on the edge of a new progressive era We can continue down the road to a neoliberal oligarchy Or we can choose to return to Keynesian economics and Alexander Hamilton s American Plan by raising taxes on the rich reversing free trade and building a society that works for all The destabilization neoliberalism s policies have wrought have left our generation with the task to rebuild and Hartmann s book shows the way Leila Conners founder and Director Tree Media and Need to Know N2K Thom Hartmann makes it crystal clear how neoliberal free market economics benefits monopolistic big business and the ultrarich while impoverishing our country and everyone else Earl Katz progressive activist and Emmy nominated documentary film producer This compact handbook nimbly recapitulates the political effects of neoliberalism as it percolated through world history George DiCaprio

The Hidden History of American Democracy Thom Hartmann, 2023-07-18 America s most popular progressive radio host and New York Times bestselling author Thom Hartmann paves the way to saving our democracy In this powerful sweeping history and analysis of American democracy Thom Hartmann shows how democracy is the one form of governance most likely to produce peace and happiness among people With the violent exception of the Civil War American democracy resisted the pressure to disintegrate into factionalism for nearly two centuries and now our very system of democratic elections is at stake So how do we save our democracy Hartmann s newest book in the celebrated Hidden History Series offers a clear call to action and a set of solutions with road maps for individuals and communities to follow to create a safer more just society and a more equitable and prosperous economy

The Hidden History of American Healthcare Thom Hartmann, 2021-09-07 The New York Times bestselling author explores the history of American healthcare system what went wrong and how it can be remedied Popular progressive radio host and bestselling author Thom Hartmann reveals how and why attempts to implement affordable universal healthcare in the United States have been thwarted and what we can do to finally make it a reality For profit health insurance is the largest con job ever perpetrated on the American people one that has cost trillions of dollars and millions of lives since the 1940s says Thom Hartmann Other countries have shown us that affordable universal healthcare is not only possible but also effective and efficient Taiwan s single payer system saved the country a fortune as well as saving lives during the coronavirus pandemic enabling the country to implement a nationwide coronavirus test and contact trace program without shutting down the economy This resulted in just ten deaths while more than 500 000 people have died in the United States Hartmann offers a deep dive into the shameful history of American healthcare showing how greed racism and oligarchic corruption led to the current sickness for profit system Modern attempts to create versions of government healthcare have been hobbled at every turn including Obamacare There is a simple solution Medicare for all Hartmann outlines the extraordinary benefits this system would provide the

American people and economy and the steps we need to take to make it a reality It s time for America to join every industrialized country in the world and make health a right not a privilege

The Hidden History of Guns and the Second Amendment Thom Hartmann,2019-06-04 The New York Times bestselling author explores the real history of guns in America and how to limit both their lethal impact and the gun lobby s power Taking his typically in depth historically informed view Thom Hartmann the most popular progressive radio host in America examines the brutal role guns have played in American history from the genocide of the Native Americans to the enforcement of slavery Slave Patrols are in fact the Second Amendment s well regulated militias and the racist post Civil War social order He shows how the NRA and conservative Supreme Court justices used specious logic to invent a virtually unlimited individual right to own guns which has enabled the ever growing number of mass shootings in the United States But Hartmann also identifies a handful of powerful commonsense solutions that would break the power of the gun lobby and restore the understanding of the Second Amendment that the Framers of the Constitution intended This is the kind of brief brilliant analysis for which Hartmann is justly renowned Praise for The Hidden History of Guns and the Second Amendment In this precise primer on firearms practices and policies progressive talk show host Hartmann examines the history of routine gun usage and extreme gun violence and assesses the influence of gun ownership on contemporary political economic and social norms A brief but powerful analysis of a searing national crisis Booklist 34 000 REASONS TO READ THIS BOOK That s the number of gun related deaths annually in America Norman Lear When Thom Hartmann talks I listen What Thom Hartmann writes I read This book about the history of guns in America and most importantly what should be the future of guns in America is important mind opening and profoundly helpful Marianne Williamson

This Changes Everything Ruth van Gelder,2011-12-05 We re bombarded by messages telling us that bigger and better things are the keys to happiness but after we pile up the stuff and pile on the work hours we end up exhausted and broke on a planet full of trash Sarah van Gelder and her colleagues at YES Magazine have been exploring the meaning of real happiness for eighteen years Here they offer fascinating research in depth essays and compelling personal stories by visionaries such as Annie Leonard Matthieu Ricard and Vandana Shiva showing us that real well being is found in supportive relationships and thriving communities opportunities to make a contribution and the renewal we receive from a thriving natural world In the pages of this book you ll find creative and practical ways to cultivate a happiness that is nurturing enduring and life affirming

The Utne Reader ,1999-11 [The Hidden History of American Oligarchy](#) Thom Hartmann,2021-02-01 The New York Times bestselling author looks at the real history of the corrupting influence of oligarchy in America and how we can fight back Billionaire oligarchs want to own our republic and they re nearly there thanks to legislation and Supreme Court decisions that they have essentially bought They put Trump and his political allies into office and support a vast network of think tanks publications and social media that every day push our nation closer and closer to police state tyranny The United States was born in a

struggle against the oligarchs of the British aristocracy and ever since then the history of America has been one of dynamic tension between democracy and oligarchy And much like the shock of the 1929 crash woke America up to glaring inequality and the ongoing theft of democracy by that generation s oligarchs the coronavirus pandemic of 2020 has laid bare how extensively oligarchs have looted our nation s economic system gutted governmental institutions and stolen the wealth of the former middle class Thom Hartmann the most popular progressive radio host in America and a bestselling author traces the history of this struggle against oligarchy from America s founding to the United States war with the feudal Confederacy to President Franklin Roosevelt s struggle against economic royalists who wanted to block the New Deal In each of those cases the oligarchs lost the battle But with increasing right wing control of the media unlimited campaign contributions and a conservative takeover of the judicial system we re at a crisis point Now is the time for action before we flip into tyranny We ve beaten the oligarchs before and we can do it again Hartmann lays out practical measures we can take to break up media monopolies limit the influence of money in politics reclaim the wealth stolen over decades by the oligarchy and build a movement that will return control of America to We the People Praise for *The Hidden History of American Oligarchy* For every American interested in protecting our democracy everyone puzzled about how America came to the brink of authoritarian rule and for all who enjoy a being educated and entertained by enthralling eye opening riveting journey in U S history *The Hidden History of Oligarchy* is a must read Don Siegelman former Governor of Alabama author of *Stealing Our Democracy* Thom Hartmann is America s history teacher a national treasure laying it out scary and clear tyranny can happen here Oligarchy s choking democracy Mimi Kennedy actress board member Progressive Democrats of America

The Hidden History of the Supreme Court and the Betrayal of America Thom Hartmann, 2019-10-01 The New York Times bestselling author delivers a full throated indictment of the U S Supreme Court in this punchy polemic Publishers Weekly In this book Thom Hartmann the most popular progressive radio host in America explains how the Supreme Court has spilled beyond its Constitutional powers and how we the people should take that power back Taking his typically in depth historically informed view Thom Hartmann asks What if the Supreme Court didn t have the power to strike down laws According to the Constitution it doesn t From the founding of the republic until 1803 the Supreme Court was the final court of appeals as it was always meant to be So where did the concept of judicial review start As so much of modern American history it began with the battle between the Federalists and Anti Federalists and with *Marbury v Madison* Hartmann argues it is not the role of the Supreme Court to decide what the law is but rather the duty of the people themselves He lays out the history of the Supreme Court of the United States from Alexander Hamilton s defense to modern day debates with key examples of cases where the Supreme Court overstepped its constitutional powers The ultimate remedy to the Supreme Court s abuse of power is with the people the ultimate arbiter of the law using the ballot box America does not belong to the kings and queens it belongs to the people A meticulously documented strategy for trimming the power of nine ideologically

motivated political activists unaccountable to the will of the people important and timely David Korten author of *When Corporations Rule the World* **The Hidden History of Big Brother in America** Thom Hartmann, 2022-03-08 The radio host and New York Times bestselling author reveals how government and corporations misuse our personal data and how we can reclaim our privacy Many Americans worry about how companies like Facebook invade their privacy and harvest their data but few fully understand the details of how their information is used and misused In this thought provoking book Thom Hartmann reveals exactly how the government and corporations are tracking our every online move and using our data for purposes ranging from buying elections to monetizing our lives Hartmann uses extensive vivid examples to highlight the consequences of Big Data on all aspects of our lives and traces the history of surveillance As he explains the goal of those who violate privacy and use surveillance is almost always social control and behavior modification Along with covering the history Hartmann shows how we got to where we are today how China with its new Social Credit System serves as a warning and how we can and must avoid a similarly dystopian future By delving into the Constitutional right to privacy Hartmann reminds us of our civil right and shows how we can restore it Expertly chronicles how Big Data coercively shapes our lives to profit off us Hartmann's urgent warning about the rise of the corporate police state couldn't be timelier Maya Schenwar coauthor of *Prison by Any Other Name* Praise for Thom Hartmann Solid research Publishers Weekly Brilliant ideas and eloquent writing John Perkins author of *Confessions of an Economic Hit Man* *The Hidden History of the War on Voting* Thom Hartmann, 2020-02-04 The New York Times bestselling author explores America's history with voter disenfranchisement and how to ensure everyone has a voice in this democracy In today's America only a slim majority of people register to vote and a large percentage of registered voters don't bother to show up Donald Trump was elected by only twenty six percent of eligible voters Unfortunately this is not a bug in our system it's a feature America's 1 progressive radio host Thom Hartmann unveils the strategies and tactics that conservative elites in this country have used from the foundation of the Electoral College to the latest voter ID laws to protect their interests by preventing the wrong people such as the poor women and people of color from voting while making it more convenient for the wealthy and white But he also lays out a wide variety of simple commonsense ways that we the people can fight back and reclaim our right to rule through the ballot box Praise for *The Hidden History of the War on Voting* Hartmann's history of voter suppression in America is necessary information given current news about voter registration purges and redistricting A particularly timely topic for an election year and anyone who is seriously concerned about the survival of American democracy will want to read this book and apply its lessons Booklist An indispensable manual for waging and winning civic warfare Use it David Bender Political Director Progressive Voices Network **Coriolanus: A Critical Reader** Liam E. machine in battle a devoted son to a wise and ambitious mother at home and an inflammatory scorner of the rights and rites of the common people This Critical Reader opens up the extraordinary range of interpretation the play has elicited over the centuries and offers exciting new directions for scholarship The volume commences with a Timeline of key events relating to Coriolanus in print and performance and an Introduction by the volume editor Chapters survey the scholarly reaction to the play over four centuries the history of Coriolanus on stage and the current research and thinking about the play The second half of the volume comprises four New Directions essays exploring the rhetoric and performance of the self the play s relevance to our contemporary world an Hegelian approach to the tragedy and the insights of computer assisted stylometry A final chapter critically surveys resources for teaching the play

The Last American President Thom

Hartmann,2025-09-23 From bestselling progressive talk show host Thom Hartmann comes an urgent autopsy of American democracy showing how plutocrats political cowardice and systemic rot built the perfect runway for Trump s authoritarian ascent The Last American President rips open America s wounded democracy to expose a terrifying truth Donald Trump isn t an anomaly he s the inevitable product of a system engineered to fail This searing investigation reveals how a man forged by childhood trauma pathological narcissism and calculated cruelty didn t hijack democracy he was handed the keys by those who should have been its guardians Hartmann uncovers the unholy alliance between Trump s damaged psyche and America s rotted institutions From Fred Trump s brutal parenting to Roy Cohn s lessons in shamelessness from a Republican Party that traded principles for power to billionaire donors who treated democracy as a profit center this book exposes the assembly line that manufactured an authoritarian But this is about more than Trump s past it s about America s future As climate catastrophe accelerates and fascism spreads globally Hartmann reveals the nightmare scenario a second Trump term that doesn t just end American democracy but also triggers irreversible planetary damage Through meticulous research and unflinching analysis he shows how political cowardice and corporate greed created the perfect storm that could extinguish humanity s last chance at survival This isn t just political commentary it s a last minute alarm sounding before the point of no return

Distractions, Distortions, Deceptions, and Outright Lies Val Atkinson,2018-01-27 As far back as middle school I

developed a passion for understanding what motivated people to take the political positions they were taking I wondered why most people couldn t see clear things clearly and why they had to be told what politicians thought and felt Couldn t they see that for themselves I also wondered why some people seemed to wait until things happened or unfolded before they began telling everybody why they were better than the other guy at solving the problem I guess it wasn t until my sophomore year in high school that I began reading more in depth American history especially American political history I became interested in the second Adlai StevensonDwight Eisenhower presidential race I didn t know anything about politics or economics All I knew was that we didn t have very much and some other people had lots lots more I thought Stevenson was on the side of those that didn t have very much so obviously I wanted him to win Little did I know that he was running against a Republican war

hero and that Republicans were trying to paint the Democratic Party as sellouts because of their 1948 and 1952 platforms on racial desegregation I had no idea that everything said in a presidential campaign didn't have to be the truth I didn't think these grown men would lie just to win a job Of course I had lots of growing up to do So from that point forward I committed myself to the pursuit of truth in politics I found that uncovering the truth about the American political process in the twenty first century was far more than just a notion and there's still lots left to do

ADHD Thom Hartmann, 2019-09-03 A newly revised and updated edition of the classic guide to reframing our view of ADHD and embracing its benefits Explains that people with ADHD are not disordered or dysfunctional but simply hunters in a farmer's world possessing a unique mental skill set that would have allowed them to thrive in a hunter-gatherer society Offers concrete non-drug methods and practices to help hunters and their parents, teachers and managers embrace their differences, nurture creativity and find success in school at work and at home Reveals how some of the world's most successful people can be labeled as ADHD hunters including Benjamin Franklin, Thomas Edison and Andrew Carnegie With 10 percent of the Western world's children suspected of having Attention Deficit Disorder or ADHD and a growing number of adults self-diagnosing after decades of struggle the question must be raised How could Nature make such a mistake In this updated edition of his groundbreaking classic Thom Hartmann explains that people with ADHD are not abnormal, disordered or dysfunctional but simply hunters in a farmer's world Often highly creative and single-minded in pursuit of a self-chosen goal those with ADHD symptoms possess a unique mental skill set that would have allowed them to thrive in a hunter-gatherer society As hunters they would have been constantly scanning their environment looking for food or threats distractibility they'd have to act without hesitation impulsivity and they'd have to love the high stimulation and risk-filled environment of the hunting field With our structured public schools, office workplaces and factories those who inherit a surplus of hunter skills are often left frustrated in a world that doesn't understand or support them As Hartmann shows by reframing our view of ADHD we can begin to see it not as a disorder but as simply a difference and in some ways an advantage He reveals how some of the world's most successful people can be labeled as ADHD hunters and offers concrete non-drug methods and practices to help hunters and their parents, teachers and managers embrace their differences, nurture creativity and find success in school at work and at home Providing a supportive survival guide to help fine-tune your natural skill set rather than suppress it Hartmann shows that each mind whether hunter, farmer or somewhere in between has value and great potential waiting to be tapped
