picture like nothing else before it Topics covered include the fact that the twelve tribes of the Israelites not the Jews were the only people on earth whom God has chosen for His own who and where the twelve tribes of Israel are today how the apostle Paul changed the definition of Israel from a natural people to a spiritual people that heart circumcision is the true sign of God why God's people have always refused to follow Him unto this very day that the coming tribulation is explicitly a judgment on false Israel Mystery Babylon and the only way given to be found worthy to escape all these judgments which are soon to fall upon the entire earth Religion Christianity Judaism is the problem and the only escape from judgment comes from following the narrow path of the Lamb which is described in detail herein rather than the broad path of men's religions The Time of Jacob's Trouble Lars Enarson, 2017-08-15 So Jacob was left alone and a man wrestled with him till daybreak Genesis 32 24 Jerusalem is becoming the center of world attention The conflict in the Middle East concerns us all God has made all of humanity dependent upon the outcome The Jewish people refer to the time of Jacob's trouble as the birth pains of Messiah This book deals with the cataclysmic events at the end of this age including the great tribulation the war of Gog and Magog and the battle of Armageddon It will be a time of great turmoil but it will bring about the salvation of the Jewish people and the world How awful that day will be None will be like it It will be a time of trouble for Jacob but he will be saved out of it Jer 30 7 The book not only describes the seriousness of the time ahead It also conveys a powerful message of hope Israel's Messiah will return to rule the nations from Jerusalem in God's eternal kingdom We need prophetic eyes and ears to understand the significance of what is taking place today in the Middle East Time of Jacob's Trouble Luis Vega, 2024-02-29 What is the Time of Jacob's Trouble Where does it come from Where in the Bible does it reference it and what is the Prophetic Context being inferred This Book attempts to chronicle the various aspects that point to the coming Time when Israel will be in Dire Trouble One can argue that since Israel's Modern Re Birth in 1948 there has been nothing but Trouble Why One will present the Factors that will lead to what one does interpret will be the fulfillment of the Prophecy of Daniel known as the 70 Weeks of Years A Triangulation of Factors that will help explain this Prophecy and Time of Trouble for Jacob or Israel will be based on Astronomical Geo Political and Eschatological Framework The various Pieces of Research over the Years will demonstrate how End Times Astronomical above and Geo Political Events are signaling the soon Beginning of the Last Week that will conclude Jacob's Discipline It will involve the Promised Land Jerusalem and the 3rd Temple in that Prophetic Order of their Destruction and subsequently of their Reconstitution The World to come after the End of the Church Age that is concluded by the Rapture Event will initially rally around the Rebuilt Temple Jerusalem as the Promised Land becomes the Center of the World's Religion Money Media Military and Medical Nexus of Control But Israel the People of Signs and Wonders will once again find itself in the Fiery Furnace where its Faith will be Tested and sadly a Holocaust 2 0 is foretold in the Book of Zechariah In part the Troubles of Jacob will be due to how they will accept a False Jewish Messiah Savior whom they will make a Pack with the Devil and Death per Isaiah Things will not go well because of
