The Time Of The End Daniels Prophecy Reclaimed:

The Time of the End Jay E. Adams, 2000 **A Biblical-Theological Introduction to the Old Testament** Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ **Daniel in the Preterists' Den** Thomas A. Howe, 2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole **Daniel's Prophecy** Tom Butler, Dawna Butler, 2008-05 Daniel a young Jewish man taken by the Babylonians as they overrun Jerusalem is brought to Babylon to serve the great King Nebuchadnezzar Once there Daniel begins an incredible journey as he becomes ruler over the province of Babylon receives visits from archangels and ultimately stands in the presence of God This is all brought about because Daniel chooses to worship God and because of this God blesses Daniel with incredible wisdom and insight to interpret visions and dreams of all kinds On two occasions Daniel and his friends are faced with the command to worship false gods or be killed But in some of the most miraculous events of the entire Bible God intervenes and keeps them from sure death Because of the blessing from God Daniel is able to interpret King Nebuchadnezzar s troubling dream about the future of four powerful kingdoms from the time of King Nebuchadnezzar right up until the time of Jesus Christ s return when God s everlasting kingdom will finally be ushered in

God reveals three powerful kingdoms that will succeed Babylon and carry on their traditions of religion and worship As you read this book you ll be surprised to learn what kingdom we re now in how the Babylonian religious system is all around us and what God says is in store in the future for the nations Just as in the time of Daniel those who make the choice to worship the true God today will be blessed with understanding during this turbulent time at the end of the age **The Watchtower**,1928 History and Religion in Late Antique Syria Han J.W. Drijvers,2024-12-11 The studies in this volume are drawn together from a widely scattered set of publications many difficult of access They exemplify the variety of influences religious cultural political that interacted in Syria in Late Antiquity and the range of responses that these evoked in changing historical circumstances The first section of the book is concerned with the development of Syriac Christianity with particular articles looking at the relations between Christians and Jews and at the position of holy men There follow two sections focusing on Marcionism and on Manichaeism while the final studies examine aspects of Syriac Christianity after the Arab conquests

Horæ Apocalypticæ; Or a Commentary on the Apocalypse Critical and Historical; Including Also an Examination of the Chief Prophecies of Daniel Edward Bishop ELLIOTT,1851 **Commentary on Daniel and Revelation** ,2009 *Revelation in Context* Irene Belyeu,2006-05 *Daniel* Stephen Miller,1994-08-31 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Revelations from Revelation** Patrick M.
