Beyond Virtue Ethics Stephen M. Meawad, 2023 This book develops a contemporary model of spiritual struggle aimed at perpetual ascent to and in God Spiritual struggle in this project which ultimately shifts the emphasis from virtue's acquisition to its pursuit is defined as the exertion of effort in all conceivable dimensions physical emotional psychological intellectual and spiritual with intent to attain a semblance of knowledge of and intimacy with Jesus Christ in community for God and for others Gregory of Nyssa's theory of epektasis assumes a basic three tiered conception of perpetual ascent beginning with purification and detachment from fleshly passions strengthening the soul by increasing in similitude to God

and ending with unity with God that is with inexpressible and transformative experience of God God the infinite the Good and the Paragon of virtue functions as the orienting principle of this perpetual ascent mitigating the issues of the unity of the virtues and the self centeredness and self effacement of virtue This book goes on to provide two of many potential concrete instantiations of this suggested model The first is the application of this model to the body which in turn will have implications for contemporary sexual ethics The second is a reintegration of ethics and Scripture through the contemporary application of an ancient Patristic lectio divina

A Goodness I Cannot Explain Catherine Stewart, 2015-10-30 We found something With these words a Presbyterian minister is thrust into a medical crisis a tumor is pressing on her brain Doctors cannot offer a preferred treatment plan radiation and surgery are equally valid but carry vastly different risks and consequences She herself must choose She plunges into a maze of medical research but the analytical mode of Western culture cannot help her find peace in her decision Instead she is unwittingly led along an ancient prayer path called Lectio Divina and transformed by inexplicable and repeated encounters with goodness Still a community's shepherd in faith she shoulders the question they too ask Can God be found here The maze becomes a labyrinth a spiritual journey that brings her to a center that holds Her decision made she undergoes treatment You must have been terrified a friend says That is when the author realizes that her experience is unusual she had not been afraid How to explain that This memoir recounts how her ideas of God and self are reshaped as she discovers a place of deep knowing and trust Humbled and surprised she experiences in her body the gospel she has preached for years
