The Tree Of Ecstasy An Advanced Manual Of Sexual Magic:

The Tree of Ecstasy Dolores Ashcroft-Nowicki, 1999-01-01 The Tree of Ecstasy looks at how sex was inseparable from religion in the ancient world and generally seen in a positive light until Christianity put a curse on the flesh and perverted the expression of the sex instinct The author outlines practices and advice for the rituals based on the Tree of Life from the Kabbalah emphasizing that the book is for committed partners This is advanced magic and not for the beginner *Sex and the Goddess* Karin E Weiss Ph.D., PhD, 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers Shakespeare's 'Whores' K. Stanton, 2015-12-04 Shakespeare s Whores studies each use of the word whore in Shakespeare s canon focusing especially on the positive personal and social effects of female sexuality as represented in several major female characters from the goddess Venus to the queen Cleopatra to the cross dressing Rosalind and many others *The Female Tragic Hero in English Renaissance Drama* N. Liebler, 2016-04-30 This book constitutes a new direction for feminist studies in English Renaissance drama While feminist scholars have long celebrated heroic females in comedies many have overlooked female tragic heroism reading it instead as evidence of pervasive misogyny on the part of Shakespeare and his contemporaries Displacing prevailing arguments of victim feminism the contributors to this volume engage a wide range of feminist theories and argue that female protagonists in tragedies Jocasta Juliet Cleopatra
