The Trouble With Keeping Mum:

The Trouble with Keeping Mum Rosie Wallace, 2012-08-02 When Annie finds out she's pregnant aged 44 it comes as a bit of a shock after all she's been celibate for five years. As a divorced single mother caring for both a teenage son and an elderly parent, Annie has enough on her plate without having to look after a new baby as well, especially as she still hasn't figured out who the father is. There are two candidates in the running: her ex-boyfriend Tariq and Andrew, the widowed leader of the Scottish Parliament. With Annie's job as Health Minister placing her firmly in the public eye, she needs to solve the problems of her tangled personal life before the press cottons on, and she needs to solve them fast. **Keeping Mum** Jo-Anne Southern, 2005-12 Now living in Canada, outrageous and gregarious Cockney Eugenia Sztuka, a survivor of WW2 and a widow, seems determined to make her children's lives miserable. Full of vim and vinegar at nearly seventy, she causes chaos in the lives of her three adult daughters and their families. Wearing clothing far too young for her age and given to speaking her mind regardless of the consequences, she buzzes through life with complete abandon. Uninvited, she turns up at their homes, usually in some outrageous costume and after a drink or two regales all and sundry with old Cockney pub songs with hilarious results. However, the large old family home where she lives alone hides a dark secret such that none of the family will visit. A novel that is both humorous and poignant, readers who have experienced or met such a woman will relate to this story. **Keeping Mum** Bronwyn Donaghy, 2001 Revised 2nd edition of a collection of comedic anecdotes about what really goes on in modern motherhood, first published 1997. Topics covered include toilet training, theme birthdays, the dangers of staples, costume creation, school projects, and parent-teacher interviews. A PDF version of the book ISBN 1863350373 is available at www.commonground.com.au. Author's previous titles include *Anna's Story* and *Leaving Early*. **Keeping Mum** Alyse Carlson, 2014-03-04 Roanoke, Virginia is home to some of the country's most exquisite gardens, and it's Camellia Harris's job to promote them. But when a political fundraiser turns deadly, everyone's a candidate for murder. Cam and her best friend Annie are planning a gala for a local Senate candidate, a murder-mystery-themed silent auction where the guests bid on who will be the night's victim. Coordinating a beautiful display of fall flowers and planning the perfect fake crime is hard enough, but with a guest list that is a who's who of the Roanoke elite, Cam has her hands full navigating the egos and grudges of her high-society guests. When local financial tycoon Derrick Windermere is found dead next to a shattered pot of chrysanthemums, the night's fun and games quickly turn serious. Half the guests had good reason to want Windermere dead, but only one is suspiciously missing in action: Annie's father. Now Cam will not only have to figure out which partygoer is a killer, but find her friend's father before all their reputations end up dragged through the mud. **Keeping Mum** Laura Manning, 2016-05-17 In the aftermath of her mother's stroke, a bond is forged betwixt strange signs and unexpected events. Exhausted by circumstances, Laura gives her mother up to the first of three nursing homes and keeps her mouth shut about it all. Until now. **Keeping Mum** Perrin Briar, When modern-day Scrooge Hetty Loveridge saw the opportunity to exploit an
