Brian Titley,2022-06-08 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings **Into Silence and Servitude**

Brian Titley,2017-08-01 For many American Catholics in the twentieth century the face of the Church was a woman s face After the Second World War as increasing numbers of baby boomers flooded Catholic classrooms the Church actively

recruited tens of thousands of young women as teaching sisters In *Into Silence and Servitude* Brian Titley delves into the experiences of young women who entered Catholic religious sisterhoods at this time The Church favoured nuns as teachers because their wageless labour made education more affordable in what was the world's largest private school system Focusing on the Church's recruitment methods Titley examines the idea of a religious vocation the school settings in which nuns were recruited and the tactics of persuasion directed at both suitable girls and their parents The author describes how young women entered religious life and how they negotiated the sequence of convent formation stages each with unique challenges respecting decorum autonomy personal relations work and study Although expulsions and withdrawals punctuated each formation stage the number of nuns nationwide continued to grow until it reached a pinnacle in 1965 the same year that Catholic schools achieved their highest enrolment Based on extensive archival research memoirs oral history and rare Church publications *Into Silence and Servitude* presents a compelling narrative that opens a window on little known aspects of America's convent system

Veiled Desires Maureen Sabine, 2013-08-22 Ingrid Bergman's engaging screen performance as Sister Mary Benedict in *The Bells of St Mary's* made the film nun a star and her character a shining standard of comparison She represented the religious life as the happy and rewarding choice of a modern woman who had a complete understanding of both erotic and spiritual desire How did this vibrant and mature nun figure come to be viewed as girlish and naïve Why have she and her cinematic sisters in postwar popular film so often been stereotyped or selectively analyzed so seldom been seen as women and religious In *Veiled Desires* a unique full length in depth look at nuns in film Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema She looks at an impressive breadth of films in which the nun features as an ardent lead character including *The Bells of St Mary's* 1945 *Black Narcissus* 1947 *Heaven Knows Mr Allison*

1957 *Sea Wife* 1957 *The Nun's Story* 1959 *The Sound of Music* 1965 *Change of Habit* 1969 *In This House of Brede* 1975 *Agnes of God* 1985 *Dead Man Walking* 1995 *and Doubt* 2008 *Veiled Desires* considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed and the habit was thought to stifle In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment
