The Mourning After John Ibson,2018-11-01 On the battlefields of World War II with their fellow soldiers as the only shield between life and death a generation of American men found themselves connecting with each other in new and profound ways Back home after the

war however these intimacies faced both scorn and vicious homophobia The Mourning After makes sense of this cruel irony telling the story of the unmeasured toll exacted upon generations of male friendships John Ibson draws evidence from the contrasting views of male closeness depicted in WWII era fiction by Gore Vidal and John Horne Burns as well as from such wide ranging sources as psychiatry texts child development books the memoirs of veterans children and a slew of vernacular snapshots of happy male couples In this sweeping reinterpretation of the postwar years Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity leaving far too many men with an unspoken ache that continued long after the fighting stopped forever damaging their relationships with their wives their children and each other

The Art of Arguing with Ducks Hugo Bainbridge, Welcome dear reader to the world of Winston a man whose life took an unexpectedly avian turn It's a world where existentialism is debated over perfectly formed bread crumbs the ethics of puddle jumping are fiercely contested and the complexities of human nature are dissected with the precision of a duck meticulously grooming its feathers This isn't your average story about a man and his pet this is a tale about a man thrust into a world of hyper intellectual waterfowl each more opinionated and surprisingly insightful than the last Prepare yourself for a journey into the absurd This book is an exploration of the unexpected connections we make the surprising wisdom we find in the most unlikely of places and the often hilarious ways we grapple with life's big questions or in this case the surprisingly big questions that emerge from debates about bread crusts and puddle etiquette Through Winston's interactions with his feathered friends we'll delve into the heart of human nature exposing its flaws and celebrating its capacity for wonder We'll explore existentialism not through weighty tomes and

philosophical treatises but through the lens of a duck passionately defending its position on the ideal depth of a puddle This is a story about finding meaning in the midst of chaos connecting with others in unexpected ways and accepting that sometimes the most profound lessons come packaged in a delightfully absurd and somewhat quacky manner So grab your metaphorical or perhaps literal bread crumbs and let s dive in This journey into the art of arguing with ducks is not merely a comedic escapade it s a surprisingly insightful journey of self discovery for both Winston and the reader Buckle up and prepare to have your perspectives and your sense of humour delightfully rearranged You ve been warned or perhaps encouraged Either way it s going to be a wild ride

There Is a Green Hill Jacqui Buckley, 2014-05-07 Whose skeleton is lying on the hilltop on Dooringrand In the nineteenth century a series of events took place in Port Natal and Zululand which culminated in the downfall of the powerful Zulu nation This is the story of three different cultures set against the turbulent backdrop of the AngloZulu wars Many questions are asked Why were more Victoria Crosses awarded in a single encounter than ever before or since for bravery during the defense of Rorkes Drift Why were the English so totally defeated the day before at Isandlwana Why did the Zulus attack so unexpectedly What caused the Boer farmers to align with the British the very people whose oppressive rule they had escaped to Port Natal to get away from And who is really the enemy Journey with the little cattle boy who befriends a queen as he grows and becomes a warrior Experience the ritual of the cleansing ceremonies and others that used to take place before battle Witness his struggle in understanding the morality of warfare and killing Experience the brutality and hardships that the Boer pioneers endured that sowed the seeds of the bitterness that gave birth to the hatred and cruel apartheid system of the future Colonialism was at its height and with it came an arrogance that ignored the needs and cultures of the inhabitants of any new acquisition Learn how this attitude gave Britain one of its biggest and unnecessary defeats It was also by contrast the stage for the most Victoria Crosses awarded for bravery for any single action in Britains military history All of this went into the melting pot of the rich tapestry that is the South Africa of today
