The Unwelcome One Hans Frankenthal, 2002-12-25 After surviving the Nazi death camp at Auschwitz Hans Frankenthal chose to return to live in his hometown of Schmallenberg Germany at the age of 19 In this memoir he describes his experiences working as a butcher in the town a town emptied of its Jewish residences where few wanted to hear about his experiences during the war He also describes his experiences after retirement when he finally spoke out and became an advocate for those who had been forced to work as slave laborers for the company I G Farben Translated from Verweigerte Rueckkehr 1999 Annotation c 2003 Book News Inc Portland OR booknews com **Library Journal** ,2003 **British PoWs and the Holocaust** Russell Wallis, 2017-02-27 In the network of Nazi camps across wartime Europe prisoner of war institutions were often located next to the slave camps for Jews and Slavs so that British PoWs across occupied Europe over 200 000 men were witnesses to the holocaust The majority of those incarcerated were aware of the camps but their testimony has never been fully published Here using eye witness accounts held by the Imperial War Museum Russell Wallis rewrites the history of British prisoners and the Holocaust during the Second World War He uncovers the histories of men such as Cyril Rofe an Anglo Jewish PoW who escaped from a work camp in Upper Silesia and fled eastwards towards the Russian lines recounting his shattering experiences of the so called bloodlands of eastern Poland Wallis also shows how and why the knowledge of those in the armed forces was never fully publicised and how some PoW accounts were later exaggerated or fictionalised British PoWs and the Holocaust will be an essential new oral history of the holocaust and an extraordinary insight into what was known and when about the greatest crime of the 20th century **Nazis after Hitler** Donald M McKale, 2023-06-14 The stories of thirty war criminals who escaped accountability from a historian praised for his well written scrupulously researched work The New York Times This deeply researched book traces the biographies of thirty typical perpetrators of the Holocaust some well known some obscure who survived World War II Donald M McKale reveals the shocking reality that the perpetrators were rarely if ever tried or punished for their crimes and nearly all alleged their innocence in Germany s extermination of nearly six million European Jews He highlights the bitter contrasts between the comfortable postwar lives of many war criminals and the enduring suffering of their victims and how in the face of exhaustive evidence showing their culpability nearly all claimed ignorance of what was going on and insisted they had done nothing wrong McKale ends the book with a haunting question whether life would be different today if the Allies had pursued Holocaust criminals more aggressively after WWII History buffs and students of the Holocaust will be fascinated Publishers Weekly Gripping and important reading Eric A Johnson author of What We Knew **Re-examining the Holocaust through Literature** Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books

fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context
