**The Three Meter Zone** J. D. Pendry, 2008-12-30 A pocket sized guide to being a good leader for non commissioned officers NCOs Discusses US Army values in user friendly terms from the perspective of a former member of the NCO core Introduces three different types of leadership styles for 3 meter 50 meter and 100 meter soldiers Praise for The Three Meter Zone I have read plenty of leadership books and find this one to be the most realistic This book is down to earth with plenty of scenarios quotations and situations that can easily be related to a reader s past present and future I highly recommend this book Army Magazine Pendry s book is both timely and useful I encourage all battalion and brigade commanders to add it to their unit s professional reading list Read this book take up his challenge to critically examine ourselves and our styles Armor Magazine J D Pendry does a superb job of relating his own personal experiences and tying them into everyday leadership and management principles It is not too difficult to transfer the lessons presented here to any other military service or civilian application U S Naval Institute Proceedings Business and corporate leaders would do well to take Pendry s lessons to heart Ocala Florida Star Banner **Army**, 1998 **Air & Space Power Journal** win 01 , **The Infinite Leader** Chris Lewis, Pippa Malmgren, 2020-10-03 WINNER Independent Press Awards 2021 Leadership Bestselling and award winning author duo Chris Lewis and Pippa Malmgren are calling it out In The Infinite Leader they argue that the spectacular leadership failures that we have witnessed in recent history stretching across business community life and politics can be explained by a lack of balance Having spent centuries perfecting processes and systems to maximize productivity and being indicted to the shrine of numbers KPI s and financial forecasting we have to admit there are very few examples of sustainable and inspirational leadership figures out there By over relying on the hard stuff we have disregarded whole dimensions of values that are desperately needed when trying to engage communities of people towards a common goal The Infinite Leader is a roadmap to introducing balance back into organizations You can adapt your stance to the infinite possibilities facing you as a leader and balance the main quadrants of the rational emotional spiritual and physical leader to deliver sustainable leadership with integrity Business is still about people people operate across paradoxes and opposing forces in a world that confounds these influences Leaders need to continuously juggle and neutralize these to succeed Be what your people need you to be and learn what they don t teach you in business schools remain analytical and numbers focused when needed but also bring your heart person and integrity to leadership *Your Military Family Network* Military Family Network (Mfn), 2007-02 Vital information and resources to help every member of a military family succeed in each aspect of their personal lives *Napoleon on Project Management* Jerry Manas, 2008-10-12 What is it about Napoleon Bonaparte that has led recognized leaders such as General George S Patton to study his principles and inspired countless books on management and leadership to quote his maxims Napoleon on Project Management explores the key principles behind this great historic leader s successes to provide project managers the recipe for managing commitments and

propelling their teams to victory You ll learn how to leverage timeless wisdom to improve your project performance prepare your team for battle through superior communication skills apply Napoleon level research record keeping and organization methods to each of your projects and gain an upper hand by understanding and leveraging the complex and essential dynamic between project management and strategic leadership Who says history shouldn t repeat itself By exploring the leadership strategies that stand the test of time and learning how to avoid the triggers that ultimately lead to Napoleon s downfall you ll learn how to strengthen and reinvigorate your modern day project management practices conquer every challenge and help your organization grow and thrive

**Parameters** ,1999 *Rule Makers, Rule Breakers* Michele Gelfand,2018-09-11 A celebrated social psychologist offers a radical new perspective on cultural differences that reveals why some countries cultures and individuals take rules more seriously and how following the rules influences the way we think and act In *Rule Makers Rule Breakers* Michele Gelfand an engaging writer with intellectual range The New York Times Book Review takes us on an epic journey through human cultures offering a startling new view of the world and ourselves With a mix of brilliantly conceived studies and surprising on the ground discoveries she shows that much of the diversity in the way we think and act derives from a key difference how tightly or loosely we adhere to social norms Just as DNA affects everything from eye color to height our tight loose social coding influences much of what we do Why are clocks in Germany so accurate while those in Brazil are frequently wrong Why do New Zealand s women have the highest number of sexual partners Why are red and blue states really so divided Why was the Daimler Chrysler merger ill fated from the start Why is the driver of a Jaguar more likely to run a red light than the driver of a plumber s van Why does one spouse prize running a tight ship while the other refuses to sweat the small stuff In search of a common answer Gelfand spent two decades conducting research in more than fifty countries Across all age groups family variations social classes businesses states and nationalities she has identified a primal pattern that can trigger cooperation or conflict Her fascinating conclusion behavior is highly influenced by the perception of threat A useful and engaging take on human behavior Kirkus Reviews with an approach that is consistently riveting *Rule Makers Ruler Breakers* thrusts many of the puzzling attitudes and actions we observe into sudden and surprising clarity
