Karen J. Greenberg

The Torture Debate In America

Brian Cogan, Tony Kelso

The Torture Debate In America:

The Torture Debate in America Karen J. Greenberg, 2005-11-21 As a result of the work assembling the documents memoranda and reports that constitute the material in The Torture Papers the question of the rationale behind the Bush administration's decision to condone the use of coercive interrogation techniques in the interrogation of detainees suspected of terrorist connections was raised The condoned use of torture in any society is questionable but its use by the United States a liberal democracy that champions human rights and is a party to international conventions forbidding torture has sparked an intense debate within America The Torture Debate in America captures these arguments with essays from individuals in different disciplines This volume is divided into two sections with essays covering all sides of the argument from those who embrace absolute prohibition of torture to those who see it as a viable option in the war on terror and with documents complementing the essays

The United States and Torture Marjorie Cohn, 2012-04 Torture has been a topic of national discussion ever since it was revealed that enhanced interrogation techniques had been authorized as part of the war on terror The United States and Torture provides us with a larger lens through which to view America's policy of torture one that dissects America's long relationship with interrogation and torture which roots back to the 1950s and has been applied mostly in secret to enemies ever since The United States and Torture opens with a compelling preface by Sister Dianna Ortiz who describes the unimaginable treatment she endured in Guatemala in 1987 at the hands of the Guatemalan government which was supported by the United States Following Ortiz's preface an interdisciplinary panel of experts offers one of the most comprehensive examinations of torture to date beginning with the Cold War era and ending with today's debate over accountability for torture

Guantanamo and the Abuse of Presidential Power Joseph Margulies, 2007-07-03 Weaving together firsthand accounts of military personnel who witnessed the interrogations with the words of the prisoners themselves Margulies exposes the chilling reality of Guantanamo Bay

Foreign Affairs Litigation in United States Courts John Norton Moore, 2013-09-12 Foreign Affairs Litigation in United States Courts collects essays by some of the nation's top foreign affairs and international law experts to offer discussions on foreign sovereign immunity and the Foreign Sovereign Immunities Act human rights litigation foreign affairs taking actions with the Court of Federal Claims the Foreign Claims Settlement Commission and the Hague Convention on Choice of Court Agreements This is an indispensable resource for attorneys and government officials focused on the role of the courts in foreign affairs actions against foreign governments in United States courts the Act of State Doctrine foreign sovereign immunity the Foreign Claims Settlement Commission foreign affairs takings actions in the Court of Federal Claims and choice of court in international litigation

International Human Rights Law in a Global Context Felipe Gómez Isa, Koen de Feyter, 2009-01-01 The international human rights system remains as dynamic as ever If at the end of the last century there was a sense that the normative and institutional development of the system had been completed and that the emphasis should shift to issues of implementation nothing of the sort occurred Even

over the last few years significant changes happened as this book amply demonstrates We hope that this Manual makes a contribution to the development of International Human Rights Law and is of interest for those working in the field of promotion and protection of human rights The book is the result of a joint project under the auspices of HumanitarianNet a Thematic Network led by the University of Deusto and the European Inter University Centre for Human Rights and Democratisation EIUC Venice

Issues in Terrorism and Homeland Security CQ Researcher, 2010-09-21 With six new articles covering topics such as terrorism and the internet prosecuting terrorists and homeland security this reader friendly textbook will inspire students whilst helping them to understand the key material in this field

Framing the Threat Imke Köhler, 2019-03-04 There is great power in the use of words words create most of what we consider to be real and true Framing our words and narratives is thus a tool of power but a power that also comes with limitations This intriguing issue is the topic of Framing the Threat an investigation of the relationship between language and security and of how discourse creates the scope of possibility for political action In particular the book scrutinizes and compares the security narratives of the former US presidents George W Bush and Barack Obama It shows how their framings of identity i e of the American self and the enemy other facilitated a certain construction of threat that shaped the presidents detention and interrogation policies By defining what was necessary in the name of national security Bush s narrative justified the operation of the detention center at Guantanamo Bay and rendered the mistreatment of detainees possible a situation that would have otherwise been illegal Bush s framings therefore enabled legal limits to be pushed and made the violation of rules appear legitimate Obama in contrast constructed a threat scenario that required an end to rule violations and the closure of Guantanamo for security reasons According to this narrative a return to the rule of law was imperative if the American people were to be kept safe However Obama s framing was continually challenged and it was never able to dominate public discourse Consequently Framing the Threat argues Obama was unable to implement the policy changes he had announced

Racial Formation in the Twenty-First Century Daniel HoSang, Oneka LaBennett, Laura Pulido, 2012-09 This collection of essays marking the twenty fifth anniversary of the publication of Michael Omi and Howard Winant s Racial Formation in the United States demonstrates the importance and influence of the concept of racial formation The range of disciplines discourses ideas and ideologies makes for fascinating reading demonstrating the utility and applicability of racial formation theory to diverse contexts while at the same time presenting persuasively original extensions and elaborations of it This is an important book one that sums up analyzes and builds on some of the most important work in racial studies during the past three decades George Lipsitz author of How Racism Takes Place Racial Formation in the Twenty First Century is truly a state of the field anthology fully worthy of the classic volume it honors timely committed sophisticated accessible engaging The collection will be a boon to anyone wishing to understand the workings of race in the contemporary United States Matthew Frye Jacobson Professor of American Studies Yale University This stimulating and lively collection demonstrates the wide

ranging influence and generative power of Omi and Winant's racial formation framework. The contributors are leading scholars in fields ranging from the humanities and social sciences to legal and policy studies. They extend the framework into new terrain including non U.S. settings, gender and sexual relations and the contemporary warfare state. While acknowledging the pathbreaking nature of Omi and Winant's intervention, the contributors do not hesitate to critique what they see as limitations and omissions. This is a must read for anyone striving to make sense of tensions and contradictions in racial politics in the U.S. and transnationally. Evelyn Nakano Glenn, editor of *Shades of Difference: Why Skin Color Matters*.

Dangerous Brown Men Professor Gargi Bhattacharyya, 2013-07-18. Why is the public presentation of the war on terror suffused with sexualised racism? What does this tell us about ideas of gender, sexuality, religious and political identity and the role of the state in the Western powers? Can we diffuse inter-ethnic conflicts and change the way the West pursues its security agenda by understanding the role of sexualised racism in the war on terror? In asking such questions, Gargi Bhattacharyya considers how the concepts of imperialism, feminism, terror and security can be applied in order to build on the influential debates about the sexualised character of colonialism. She examines the way in which western imperial violence has been associated with the rhetoric of rights and democracy, a project of bombing for freedom that has called into question the validity of western conceptions of democracy, rights and feminism. Such rhetoric has given rise to actions that go beyond simply protecting western interests or securing access to scarce resources and appear to be beyond instrumental reason. The articulations of racism that appear with the war on terror are animated by fears and sexual fantasies inexplicable by rational interest alone. There can be no resolution to this seemingly endless conflict without understanding the highly sexualised racism that animates it. Such an understanding threatens to pierce the heart of imperial relations, revealing their intense contradictions and uncovering attempts to normalise violent expropriation. **Mosh the Polls** Brian Cogan, Tony

Kelso, 2008-10-08. This timely, highly readable, edited collection undertakes an interdisciplinary analysis of the innovative ways in which both the political process and the entertainment industry appeal to voters under the age of 30 and how the intended audience receives these endeavors. Along the way, contributors shed light on the state of the modern American political system and its relationship to entertainment and popular culture. By integrating academic investigations with a real world point of view, the essays in this collection present information in an engaging, accessible manner that will show readers how the articulation of youth culture has influenced the political engagement of young voters. **The Oxford Encyclopedia of**

American Military and Diplomatic History Timothy J. Lynch, 2013. Entries written by renowned diplomatic and military historians as well as key scholars in international relations. Provides assessments and analyses of key episodes, issues and actors in the military and diplomatic history of the United States. Based on the award-winning Oxford Companion to United States History. Comprehensive collection of entries that span the founding of the U.S. to its present state. Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies. Expansive

bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

The Politics of Prisoner Abuse David P. Forsythe, 2011-05-26 When states are threatened by war and terrorism can we really expect them to abide by human rights and humanitarian law David P Forsythe s bold analysis of US policies towards terror suspects after 9 11 addresses this issue directly Covering moral political and legal aspects he examines the abuse of enemy detainees at the hands of the United States At the center of the debate is the Bush Administration which Forsythe argues displayed disdain for international law in contrast to the general public s support for humanitarian affairs Forsythe explores the similarities and differences between Presidents Obama and Bush on the question of prisoner treatment in an age of terrorism and asks how the Administration should proceed The book traces the Pentagon s and CIA s records in mistreating prisoners providing an account which will be of interest to all those who value human rights and humanitarian law

The United States, International Law and the Struggle against Terrorism Thomas McDonnell, 2023-05-09 This book discusses the critical legal issues raised by the US responses to the terrorist threat analyzing the actions taken by the Bush administration during the so called war on terrorism and their compliance with international law Thomas McDonnell highlights specific topics of legal interest including torture extra judicial detentions and the invasions of Afghanistan and Iraq and examines them against the backdrop of terrorist movements which have plagued Britain and Russia The book extrapolates from the actions of the USA going on to look at the difficulties all modern democracies face in trying to combat international terrorism This book demonstrates why current counter terrorism practices and policies should be rejected and new policies adopted that are compatible with international law Written for students of law academics and policy makers the volume demonstrates the dangers that breaking international law carries in the war on terrorism

The Social History of Crime and Punishment in America: A-De Wilbur R. Miller, 2012-08-10 This comprehensive and authoratative four volume work surveys the history and philosophy of crime punishment and

criminal justice institutions in America from colonial times to the present **The End of America** Naomi Wolf, 2007-09-05 A New York Times Bestseller I hope we wake up quickly because history shows it s a small window in which people can fight back before it is too dangerous to fight back Naomi Wolf on Fox News Channel s Tucker Carlson Tonight In a stunning indictment best selling author Naomi Wolf lays out her case for saving American democracy In authoritative research and documentation Wolf explains how events parallel steps taken in the early years of the 20th century s worst dictatorships such as Germany Russia China and Chile The book cuts across political parties and ideologies and speaks directly to those among us who are concerned about the ever tightening noose being placed around our liberties In this timely call to arms Naomi Wolf compels us to face the way our free America is under assault She warns us with the straight to fellow citizens urgency of one of Thomas Paine s revolutionary pamphlets that we have little time to lose if our children are to live in real freedom Recent history has profound lessons for us in the U S today about how fascist totalitarian and other repressive leaders seize and maintain power especially in what were once democracies The secret is that these leaders all tend to take very similar parallel steps The Founders of this nation were so deeply familiar with tyranny and the habits and practices of tyrants that they set up our checks and balances precisely out of fear of what is unfolding today We are seeing these same kinds of tactics now closing down freedoms in America turning our nation into something that in the near future could be quite other than the open society in which we grew up and learned to love liberty states Wolf Wolf is taking her message directly to the American people in the most accessible form and as part of a large national campaign to reach out to ordinary Americans about the dangers we face today This includes a lecture and speaking tour and being part of the nascent American Freedom Campaign a grassroots effort to ensure that presidential candidates pledge to uphold the constitution and protect our liberties from further erosion The End of America will shock enrage and motivate spurring us to act as the Founders would have counted on us to do in a time such as this as rebels and patriots to save our liberty and defend our nation Nautilus Book Awards Silver Medal Social Change Activism Independent Publisher Book Awards Silver Medal Axiom Business Book Award Bronze Here is Wolf s compellingly and cogently argued political argument for civil rights Readers will appreciate her energy and urgency as she warns we are living through a dangerous fascist shift Highly recommended for all collections Library Journal starred review **The Persistence of Reciprocity in International Humanitarian Law** Bryan Peeler, 2019-10-24 The expectation of reciprocity continues to be an important factor when states consider their legal obligations in armed conflicts In this monograph Peeler looks at the text and negotiations around the 1949 Geneva Conventions and the Protocols Additional to the Geneva Conventions from 1977 to demonstrate the many places where international humanitarian law maintains expectations of reciprocity This complements an examination of US policy regarding its Prisoner of War obligations in both the Vietnam War and the Global War on Terror demonstrating how states make use of the expectation of reciprocity found in international humanitarian law to respond to continued non compliance by an enemy **Rhetoric, Fantasy, and**

the War on Terror Vaheed Ramazani, 2020-11-16 Drawing on psychoanalytic and semiotic perspectives this book examines discourses mediating the global War on Terror including governmental speeches legal documents print and broadcast journalism and military memoirs The book argues that these discourses motivate and are motivated by a myth of imminent harm that purportedly justifies a series of preemptive measures such as war torture and targeted killing as well as an array of intrusive domestic security procedures such as profiling and mass surveillance Dominant themes include selective compassion in the mainstream media the language of war and the sacrificial sublime asymmetrical warfare and the nostalgia for total war weaponized drones and just war theory and the role of American exceptionalism in normalizing endless war Scholars and students alike will take interest in this original contribution to the fields of cultural studies psychoanalysis media studies rhetoric critical international relations and international humanitarian law and ethics *The American Imperial Gothic* Johan Höglund, 2016-03-16 The imagination of the early twenty first century is catastrophic with Hollywood blockbusters novels computer games popular music art and even political speeches all depicting a world consumed by vampires zombies meteors aliens from outer space disease crazed terrorists and mad scientists These frequently gothic descriptions of the apocalypse not only commodify fear itself they articulate and even help produce imperialism Building on and often retelling the British imperial gothic of the late nineteenth century the American imperial gothic is obsessed with race gender degeneration and invasion with the destruction of society the collapse of modernity and the disintegration of capitalism Drawing on a rich array of texts from a long history of the gothic this book contends that the doom faced by the world in popular culture is related to the current global instability renegotiation of worldwide power and the American bid for hegemony that goes back to the beginning of the Republic and which have given shape to the first decade of the millennium From the frontier gothic of Charles Brockden Brown s Edgar Huntly to the apocalyptic torture porn of Eli Roth s Hostel the American imperial gothic dramatises the desires and anxieties of empire Revealing the ways in which images of destruction and social upheaval both query the violence with which the US has asserted itself locally and globally and feed the longing for stable imperial structures this book will be of interest to scholars and students of popular culture cultural and media studies literary and visual studies and sociology *Torturing Terrorists* Philip N.S. Rumney, 2014-11-13 This book considers the theoretical policy and empirical arguments relevant to the debate concerning the legalisation of interrogational torture Torturing Terrorists examines as part of a consequentialist analysis the nature and impact of torture and the implications of its legal regulation on individuals institutions and wider society In making an argument against the use of torture the book engages in a wide ranging interdisciplinary analysis of the arguments and claims that are put forward by the proponents and opponents of legalised torture This book examines the ticking bomb hypothetical and explains how the component parts of the hypothetical are expansively interpreted in theory and practice It also considers the effectiveness of torture in producing ticking bomb and infrastructure intelligence and examines the use of interrogational torture and

coercion by state officials in Northern Ireland Algeria Israel and as part of the CIA s High Value Detainee interrogation programme As part of an empirical slippery slope argument this book examines the difficulties in drafting the text of a torture statute the difficulties of controlling the use of interrogational torture and problems such a law could create for state officials and wider society Finally it critically evaluates suggestions that debating the legalisation of torture is dangerous and should be avoided The book will be of interest to students and academics of criminology law sociology and philosophy as well as the general reader

Achieving Human Rights Richard Falk, 2008-12 This book addresses similar questions as Falk s earlier Human Rights Horizons extending the exploration of human rights discourse and practice to focus on matters of post 9 11 security issues developments in international criminal law the role of citizenship and democracy and approaches from the humanities

The Torture Debate In America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Torture Debate In America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Torture Debate In America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Torture Debate In America free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Torture Debate In America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Torture Debate In America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Torture Debate In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Torture Debate In America is one of the best book in our library for free trial. We provide copy of The Torture Debate In America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Torture Debate In America. Where to download The Torture Debate In America online for free? Are you looking for The Torture Debate In America PDF? This is definitely going to save you time and cash in something you should think about.
