The Trinity Global Perspectives:

The Trinity Veli-Matti Kärkkäinen, 2007-01-01 Unique for its breadth in studying theologians not only from Europe and North America but also from Latin America Asia and Africa this landmark volume introduces the doctrine of the Trinity examining the work and thought of contemporary theologians throughout the world Veli Matti Karkkainen provides an overview of the biblical roots of the doctrine discussing both the idea of plurality in God in the Old Testament and the rise of Trinitarian understandings in the New Testament He details the historical growth of Trinitarian traditions and delves into specific theologies both Western and non Western Also including both an introductory consideration of the doctrine s significance and a concluding assessment and agenda for future thought Karkkainen sThe Trinity is the broadest and most comprehensive contemporary study on the Trinity available **The Trinitarian Dharma** Pabitra Mani Bhandari, 2025-02-25 As the gospel continues to spread to the farthest corners of the world the Christian faith encounters an array of diverse cultures religions philosophies and belief systems This encounter serves as a catalyst for transformation as Christianity both influences and is influenced by the new frontiers it reaches The book at hand endeavors to explore this dynamic process particularly focusing on the Trinitarian theology as a potent force for transformation Moreover it seeks to uncover the resonance between Christian concepts and the rich tapestry of Dharma thereby enhancing our understanding of the Trinity In essence this book serves as a pivotal example of how abstract theological ideas can be made relevant and meaningful in the context of a multicultural and multireligious world It embodies an approach to Christian theology that is both interreligious and interdisciplinary emanating from a global Christian perspective that embraces diversity and dialogue

Global Theology in Evangelical Perspective Jeffrey P. Greenman, Gene L. Green, 2012-04-07 Jeffrey P Greenman and Gene L Green edit this collection of essays from the proceedings of the 2011 Wheaton Theology Conference The essays explore the past present and future shape of biblical interpretation and theological engagement in the Majority World Leading scholars from around the world interact with the key theological issues being discussed in their regions In addition some theological voices from minority communities in North America address issues particular to their context and which often overlap with those central in Majority World theology Contributors include Vince Bacote Samuel Escobar Ken Gnanakan James Kombo Mark Labberton Terry LeBlanc Juan Martinez Ruth Padilla DeBorst Lamin Sanneh Andrew Walls K K Yeo and Amos Yong **Asian Christian Theology** Timoteo D. Gener, Stephen T. Pardue, 2019-07-31 Asian Christian Theology provides a survey of contextually reflective robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church Ideal for use as a companion textbook in Asian seminaries and institutions this book will also provide excellent further reading for those outside of Asia seeking global theological perspectives and for those in contexts of significant Asian diaspora Many

excellent books surveying theology exist but this book is a major step forward for students and scholars seeking to understand the dynamic environment of evangelical theology in Asia *Theological Hermeneutics in the Classical Pentecostal Tradition* L. William Oliverio, 2012-08-01 In *Theological Hermeneutics in the Classical Pentecostal Tradition* L. William Oliverio Jr accounts for the development of Classical Pentecostal theological hermeneutics through four hermeneutical types and concludes with a philosophical basis for future Pentecostal theological hermeneutics within the contours of a hermeneutical realism **Trinitarian Self and Salvation** Scott D. Harrower, 2012-01-13 In 1967 Karl Rahner famously wrote The economic Trinity is the immanent Trinity and vice versa From that time onwards Rahner's Rule has become the norm for conceiving the relationship between the Trinity in the economy of salvation and God's eternal inner life Evangelical theologians currently employ Rahner's Rule in a variety of ways One of the most popular is the Strict Realist Reading whereby trinitarian relationships in salvation history are taken to mirror eternal relationships within God This book brings this norm into conversation with the witness of Scripture in order to assess its viability In doing so it highlights troubling issues that arise from the application of the Strict Realist Reading of Rahner's Rule to the narrative of Luke Acts This book suggests that the Strict Realist Reading can be shown to be a questionable basis for our doctrine of God's inner life

Ex Auditu - Volume 17 Klyne Snodgrass, 2004-06-23 *Our Triune God* Philip Graham Ryken, Michael LeFebvre, 2011-04-07 How are we to relate to a three personed God The idea of the Trinity may initially seem too abstract to understand but the truth is that a deeper knowledge of God as Father Son and Holy Spirit has daily importance Convinced that many Christians have some level of awareness that God is triune but are virtually Unitarian the authors have written a practical and theologically robust resource to help readers grow closer to the Triune God Philip Ryken and Michael LeFebvre examine the doctrine of the Trinity in four parts They explain the roles of the Father Son and Spirit in salvation answer difficult questions about the Trinity explore the believer's relationship to each person of the Trinity and provide an exposition of the various Gospel narratives depicting how the three persons of the Trinity work together to accomplish the redemptive purposes of God Their careful treatment of these central truths captures important implications for the Christian life *Our Triune God* is a helpful guide for Christians wanting to deepen their faith and for pastors as they shepherd their congregations toward a richer love of the Father Son and Holy Spirit *Theological Renewal for the Third Millennium* Veli-Matti Karkkainen, 2022-08-12 Amos Yong has stated that Veli Matti Karkkainen has become one of the more important theologians to be reckoned with in our time This becoming has developed over the course of many decades with prolific contributions in essays monographs lectures and other mediums The goal of this book then is to offer a curated selection of Karkkainen's essays for both new and established reader of Karkkainen This volume offers an accessible introduction to Karkkainen's diverse contribution for readers who are only familiar with his popular survey texts or are new to his work overall And yet for those familiar with his theology this volume provides insights into the journey his theological contributions have taken

over the last fifteen years and serves as a kind of intellectual storyboard leading into his five volume constructive systematics. In sum, this book seeks to offer a wide ranging taste of K rkk inen s trajectory that will inspire more research into his work and ever more attention to his important constructive contributions to global twenty first century theology **Ex Auditū -**

Volume 14 Klyne Snodgrass, 2004-06-23 A Virtue Ethical View of Trinitarian Sanctification Ronald M.

Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification. The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification: 1 the Trinity, virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture; 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification; 3 Jesus' active roles as a teacher and example of virtue play an important part in Trinitarian sanctification; and 4 Jesus' priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers. The active roles of Jesus in sanctification, ordered by the Triune premise, indicate that the Trinity sanctifies such that: 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit; 2 the character that is from the Father is revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading; and 3 believers are led by the Spirit's intercession into prayer. Rom 8:14, 16, 26, 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers **German Idealism's Trinitarian Legacy** Dale M. Schlitt, 2016-10-20 Dale M Schlitt

presents a study of trinitarian thought as it was understood and debated by the German Idealists, broadly engaging Schelling's philosophical interpretations of Trinity as well as Hegel's and analyzing how these Idealist interpretations influenced later philosophers and theologians. Divided into different sections, one considers nineteenth century central Europeans Philipp Marheineke, Isaak August Dorner and Vladimir Sergeyevich Solovyov under the rubric 'testimonials'. Another section studies twentieth century Germans Karl Barth, Karl Rahner and Wolfhart Pannenberg who share family resemblances with the Idealists, and a third addresses the work of twentieth and twenty first century Americans Robert W Jenson, Catherine Mowry LaCugna, Joseph A Bracken and Schlitt himself whose work reverberates with what Schlitt terms 'transatlantic Idealist echoes'. The book concludes with reflection on the overall German Idealist trinitarian legacy, noting several challenges it offers to those who will pursue creative trinitarian reflection in the future **Mapping Modern Theology** Kelly M. Kapic, Bruce L.

McCormack, 2012-04 A team of international scholars assesses the field of modern theology thematically, covering classic topics in Christian theology over the last 200 years A. J. Appasamy and his Reading of Rāmānuja Brian Philip

Dunn, 2016-12-01 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A J Appasamy, 1891-1975. Appasamy developed what he called a bhakti devotional approach to Christian theology, bringing his

own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian R m nuja Dunn s exposition here is of Appasamy s distinctive adaptation of R m nuja s Body of God analogy and its application to a bhakti reading of John s Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and R m nuja in their respective Anglican and rivai ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today

A Christian Theology of Suffering in the Context of Theravada Buddhism in Thailand Satanun Boonyakiat,2020-06-30 In this book Satanun Boonyakiat elucidates a Christian theology of suffering relevant to the context of Theravada Buddhism in Thailand Grounding his work in a trinitarian comparative theology of religions Boonyakiat explores the ways in which Buddhist teachings on suffering specifically the Four Noble Truths can challenge enrich and deepen a Christian perspective Ultimately Dr Boonyakiat suggests a Christian theology of suffering relevant to the people of Thailand both Christian and Buddhist alike must move beyond a traditional western emphasis on theodicy to address a practical response to suffering s lived reality a response rooted firmly in Scripture and grounded in a theology of the cross

Majority World Theology Gene L. Green,Stephen T. Pardue,K. K. Yeo,2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church

The Lord is the Spirit Andrew K Gabriel,2012-05-31 The Lord is the Spirit 2 Cor 3 17 and yet one might be excused for thinking otherwise when reading studies on God s attributes omnipotence omniscience omnipresence immutability impassibility and the like Although Christians throughout theages have defended the deity of the Holy Spirit theologians have not adequately taken the doctrine of the Holy Spirit into account when formulating a theology of the divine attributes The resulting understandings of God fall short of being fully Trinitarian Gabriel builds on contemporary Trinitarian theology by advocating for the integration of insights from pneumatology into the doctrine of God s attributes Three case studies are presented impassibility immutability and omnipotence Gabriel writes from an evangelical and Pentecostal vantage point as he engages in ecumenical dialogue with a wide spectrum of historical and contemporary theological voices

Introducing Christian Theologies I Victor I Ezigbo,2016-08-25 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left

out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity *Introducing Christian Theologies Voices from Global Christian Communities* is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with the voices of Christian communities from around the globe *Introducing Christian Theologies* explores the works of key theologians from across the globe highlighting their unique contributions to Christian theology and doctrine *Introducing Christian Theologies, Volume One* Victor I. The One God Michael L Chiavone, 2011-07-28 In what sense is God one How can those who worship Jesus Christ his Father and the Holy Spirit claim to be monotheists These questions were answered by the early church and their answering analogies models and language have come down to the church today However theology is not stagnant and the twentieth century has seen several new models of the Trinity emerge Many of these models have focused on the three persons without adequately considering the consequences for the unity of God *The One God* seeks to develop an understanding of the unity of the Triune God by examining the positions put forward by Karl Rahner Millard Erickson John Zizioulas and Wolfhart Pannenberg After carefully presenting and critically examining each of these positions this book offers a synthesis an understanding of the unity of God that is historically informed theologically adequate internally coherent and able to explain Christian monotheism in a new century By affirming both the singular divine essence of God and the genuine eternal interdependence of distinct divine persons in God *The One God* affirms the personal and the natural levels of ontology both crucial for understanding God humanity and the world
