Religion and Men's Violence Against Women Andy J. Johnson, 2015-04-14 This reference offers the nuanced understanding and practical guidance needed to address domestic violence sexual assault and human trafficking in diverse religious communities Introductory chapters sort through the complexities from abusers distorting of sacred texts to justifying their actions to survivors conflicting feelings toward their faith The core of the book surveys findings on gender violence across Christian Jewish Islamic Eastern and Indigenous traditions both attitudes that promote abuse and spiritual resources that can be used to promote healing Best practices are included for appropriate treatment of survivors their children and abusers and for partnering with communities and clergy toward stemming violence against women Among the topics featured Ecclesiastical policies vs lived social relationships gender parity attitudes and ethics Women's spiritual

struggles and resources to cope with intimate partner aggression Christian stereotypes and violence against North America s native women Addressing intimate partner violence in rural church communities Collaboration between community service agencies and faith based institutions Providing hope in faith communities creating a domestic violence policy for families Religion and Men s Violence against Women will gain a wide audience among psychologists social workers marriage and family therapists and other mental health professionals who treat religious clients or specialize in treating survivors and perpetrators of domestic and intimate partner violence stalking sexual assault rape or human trafficking *Forthcoming Books* Rose Army,2002-04 **Literature and the Law of Nations, 1580-1680** Christopher N. Warren,2015-05-28

Literature and the Law of Nations 1580 1680 is a literary history of international law in the age of Shakespeare Milton Grotius and Hobbes Seeking to revise the ways scholars understand early modern English literature in relation to the history of international law it argues that scholars of law and literature have tacitly accepted specious but politically consequential assumptions about whether international law is real law **Literature and the Law of Nations** shows how major writers of the English Renaissance deployed genres like epic tragedy comedy tragicomedy and history to solidify the canonical subjects and objects of modern international law By demonstrating how Renaissance literary genres informed modern categories like public international law private international law international legal personality and human rights the book over its seven chapters and conclusion helps early modern literary scholars think anew about the legal entailments of genre and scholars in law and literature long accustomed to treating all law with a single broad brush better confront the distinct complexities fault lines and variegated histories at the heart of international law **Teaching the Gothic** A. Powell,A. Smith,2006-03-21

Teaching the Gothic provides a clear and accessible account of how scholarship on the Gothic has influenced the way in which the Gothic is taught The book examines a range of topics including Gothic criticism Theory Romantic Gothic Victorian Gothic Female Gothic Gothic Sexualities Gothic Film and Postgraduate developments **The British Library General**
