Understanding The Highly Sensitive Child Seeing An Overwhelming World Through Their Eyes:

Understanding the Highly Sensitive Child Jamie Williamson, James Williams, 2015-10-28 It's not easy to be a highly sensitive child. Nor is it always easy to raise, care for, guide and teach a highly sensitive child. Because the highly sensitive child experiences the world a little differently and that can be difficult to understand. This simple, concise book steps beyond a basic understanding of high sensitivity, looking at the challenges and distress that meltdowns can cause for highly sensitive children. And for you. A meltdown can be a terrifying experience for a highly sensitive child and for people witnessing it. This guide gives you the confidence to understand what having a meltdown means and the knowledge to provide support and comfort. We help you to navigate the reasons why meltdowns happen and how to prevent them where possible, as well as the vital need to be compassionate and caring with yourself and others when they do occur.

Understanding the Highly Sensitive Child Jamie Williamson, 2014 It's not easy to be a highly sensitive child. Nor is it always easy to raise, care for, guide and teach a highly sensitive child. Because the highly sensitive child experiences the world a little differently and that can be difficult to understand. This book aims to help you experience the world from the child's perspective so that you can better understand them and help them to grow and thrive. In this simple, concise guide, I distil the reams of information available on the highly sensitive child so that you can get the knowledge you need quickly and easily. Philosopher Friedrich Nietzsche wrote: "And those who were seen dancing were thought to be crazy by those who could not hear the music." The highly sensitive child isn't crazy. Nor are they slow or weak or just not tough enough. They simply dance to a tune that not everyone can hear. This book helps you hear the music to which the highly sensitive child dances. Once you know the tune exists and you listen for it carefully, you'll find it's beautiful, moving, powerful music.

Your Highly Sensitive Child Aoife Durcan, 2025-04-10 Highly sensitive, spirited, empathic, shy, strong-willed: these are common descriptions of children who simply feel the world on a deeper level. As a parent, it can be difficult to know how to respond to these deep emotions. You may feel that traditional parenting approaches don't work, but you're worried that your child won't learn how to survive in the real world. Now, leading psychologist Dr Aoife Durcan offers expert advice on how to support your child in navigating big emotions, including meltdowns, with compassion and understanding. Feel confident managing challenges like separation anxiety, school pressures, and social interactions. Help your child be less hard on themselves when things don't go well. These practical, research-backed tools will empower you to feel comfortable about your parenting style and most importantly, help your child to thrive in a world that can sometimes feel like too much. This book is a parenting life raft.

CAROLINE FORAN Feels like having your hand held as you deepen your understanding of the world through the eyes of a sensitive person. JOANNA FORTUNE This book allows parents to support their sensitive child without trying to harden them or coerce them into some form of robust resilience. COLMAN NOCTOR As both a psychologist and a mum, this book is a must-read that leaves you feeling equipped, empowered, understood, and trusting in your own path as a parent. ALLISON KEATING
