Understanding The Historical S Of The Old Testament Ancient Christian Writers:

Understanding the Historical Books of the Old Testament Vincent P. Branick, 2011 This book combines a careful study of the subject matter and the literary form of each of the historical books of the Old Testament and at the same time explains why this literature should be of great interest to Christian and Jewish believers today The study is text based carefully examining the wording of selected pericopes and following up with reflections on the theological significance of the texts Its focus is twofold First it is a study of the history of Israel through a critical examination of the biblical sources attempting to see the events through the eyes of the authors editors and to understand the religious and national filters through which they saw those events Secondly it is also a study of the faith of Israel expressed in these writings in an attempt to reflect on the major patterns and themes expressed and presupposed in the narratives Special attention is given to the stories of the prophets in these books This book examines the biblical books in four groups 1 the Deuteronomist history extending from Joshua to 2 Kings 2 the Chroniclers or priestly history extending from 1 Chronicles to Nehemiah 3 the Maccabean story looking at 1 and 2 Maccabees from the Greek Bible and 4 the midrashic accounts including Ruth Esther Judith Esther and Tobit Numerous maps and diagrams assist the reader to follow the geographical references in the texts as well as complicated family lines and sequences of kings An index assists in finding specific names and events

Israel's Scriptures in Early Christian Writings Matthias Henze, David Lincicum, 2023-07-20 How did New Testament authors use Israel's Scriptures Use misuse appropriation citation allusion inspiration how do we characterize the manifold images paraphrases and quotations of the Jewish Scriptures that pervade the New Testament Over the past few decades scholars have tackled the question with a variety of methodologies New Testament authors were part of a broader landscape of Jewish readers interpreting Scripture Recent studies have sought to understand the various compositional techniques of the early Christians who composed the New Testament in this context and on the authors own terms In this landmark collection of essays Matthias Henze and David Lincicum marshal an international group of renowned scholars to analyze the New Testament text by text aiming to better understand what roles Israel's Scriptures play therein In addition to explicating each book the essayists also cut across texts to chart the most important central concepts such as the messiah covenants and the end times Carefully constructed reception history of both testaments rounds out the volume Comprehensive and foundational Israel's Scriptures in Early Christian Writings will serve as an essential resource for biblical scholars for years to come Contributors Garrick V Allen Michael Avioz Martin Bauspiess Richard J Bautch Ian K Boxall Marc Zvi Brettler Jaime Clark Soles Michael B Cover A Andrew Das Susan Docherty Paul Foster J rg Frey Alexandria Frisch Edmon L Gallagher Gabriella Gelardini Jennie Grillo Gerd H fner Matthias Henze J Thomas Hewitt Robin M Jensen Martin Karrer Matthias Konradt Katja Kujanp John R Levison David Lincicum Grant Macaskill Tobias Nicklas Val rie Nicolet Karl Wilhelm Niebuhr George Parsenios Benjamin E Reynolds Dieter T Roth Dietrich Rusam Jens Schr ter Claudia Setzer Elizabeth Evans Shively Michael Karl Heinz Sommer

 Matthew R. Anderson, 2023-09-15 Leonard Cohen and the Apostle Paul might be imagined as brothers with wildly different characters but a strong family resemblance Paul the elder sibling was awkward abrasive and zealous Leonard the successful younger brother was a smooth talking romantic prone to addiction and depression Paul died a martyr not knowing his words would have any effect on the world Leonard could see his canonization within his lifetime Yet each became a prophet in his own time and a poet for the ages In *Prophets of Love* Matthew Anderson traces surprising connections between two Jewish thinkers separated by millennia He explores Leonard s and Paul s mysticism their Judaism their fascination with Jesus their countercultural perspectives on sex their ideas about love and how they each embodied being men Anderson considers their ambiguous relationships with women on whom they depended and from whom they often profited as well as how their legacies continue to evolve and be re interpreted This book emphasizes that Paul was first and foremost a Jew and never rejected his Judaism At the same time it sheds new light on the biblical worldviews and language underlying and inspiring every line of Cohen s poetry *Prophets of Love* alters our views of both Leonard Cohen and the Apostle Paul re introducing us to two poetic prophets of divine and human love *Feminist Companion to the New Testament and Early Christian Writings* Amy-Jill Levine, Marianne Blickenstaff, 2001 *The Radical Jesus, the Bible, and the Great Transformation* Douglas E. Oakman, 2021-01-25 *The Radical Jesus* offers a companion to the author s previous article collection *Jesus and the Peasants* Even more than in *Jesus and the Peasants* these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued suavisly in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed

Philo of Alexandria and the Construction of Jewishness in Early Christian Writings Jennifer Otto, 2018 This study investigates portrayals of the first century philosopher and exegete Philo of Alexandria in the writings of Clement of Alexandria Origen and Eusebius *Changing the Goalpost of New Testament Textual Criticism* Abidan Paul Shah, 2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a

misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice

Fan Fiction and Early Christian Writings Tom de Bruin, 2024-05-16 What can contemporary media fandoms like Anne Rice Star Wars Batman or Sherlock Holmes tell us about ancient Christianity Tom de Bruin demonstrates how fandom and fan fiction are both analogous and incongruous with Christian derivative works The often disparaging terms applied to Christian apocrypha and pseudepigrapha such as fakes forgeries or corruptions are not sufficient to capture the production consumption and value of these writings De Bruin reimagines a range of early Christian works as fan practices Exploring these ancient texts in new ways he takes the reader on a journey from the fix it fic endings of the Gospel of Mark to the subversive fan fictions of the Testaments of the Twelve Patriarchs and from the densely populated storyworld of early Christian art to the gatekeeping of Christian orthodoxy Using theory developed in fan studies De Bruin revisits fundamental questions about ancient derivative texts Why where they written How do they interact with more established texts In what ways does the consumption of derivative works influence the reception of existing traditions And how does the community react to these works This book sheds exciting and new light on ancient Christian literary production consumption and transmission
