DHS has more than 240,000 employees in jobs that range from aviation and border security to emergency response from cybersecurity analyst to chemical facility inspector. Its duties are wide-ranging, but the goal is clear: keeping America safe. Features: An analytical look at the Department of Homeland Security and all its component agencies. Understanding American Politics, Second Edition Stephen Brooks, Douglas Koopman, J. Matthew Wilson, 2013-05-06 *Understanding American Politics* provides a unique introduction to the contemporary political landscape of the United States by using as its core organizing feature the idea of American exceptionalism, a concept that is at least as old as Tocqueville's study of American democracy.
