Elizabeth Wicks, Nataly Papadopoulou

Undivided Rights Women Of Color Organizing For Reproductive Justice:

Undivided Rights Jael Miriam Silliman, 2004 Reports at last the largely unknown activist history of women of color organizing for reproductive justice *Undivided Rights Women of Color Organizing for Reproductive Justice*, 2016 Undivided Rights captures the evolving and largely unknown activist history of women of color organizing for reproductive justice on their own behalf Undivided Rights presents a textured understanding of the reproductive rights movement by placing the experiences priorities and activism of women of color in the foreground Using historical research original organizational case studies and personal interviews the authors illuminate how women of color have led the fight to control their own bodies and reproductive destinies Undivided Rights shows how women of color starting within their own Latina African American Native American and Asian American communities have resisted coercion of their reproductive abilities Projected against the backdrop of the mainstream pro choice movement and radical right agendas these dynamic case studies feature the groundbreaking work being done by health and reproductive rights organizations led by women of color The book details how and why these women have defined and implemented expansive reproductive health agendas that reject legalistic remedies and seek instead to address the wider needs of their communities It stresses the urgency for innovative strategies that push beyond the traditional base and goals of the mainstream pro choice movement strategies that are broadly inclusive while being specific strategies that speak to all women by speaking to each woman While the authors raise tough questions about inclusion identity politics and the future of women s organizing they also offer a way out of the limiting focus on choice Undivided Rights articulates a holistic vision for reproductive freedom It refuses to allow our human rights to be divvied up and parceled out into isolated boxes that people are then forced to pick and choose among Radical Reproductive Justice Loretta Ross, Erika Derkas, Whitney Peoples, Lynn Roberts, Pamela Bridgewater, 2017-10-16 Expanding the social justice discourse surrounding reproductive rights to include issues of environmental justice incarceration poverty disability and more this crucial anthology explores the practical applications for activist thought migrating from the community into the academy Radical Reproductive Justice assembles two decades of work initiated by SisterSong Women of Color Health Collective creators of the human rights based reproductive justice framework to move beyond polarized pro choice pro life debates Rooted in Black feminism and built on intersecting identities this revolutionary framework asserts a woman s right to have children to not have children and to parent and provide for the children they have The book is as revolutionary and revelatory as it is vast Rewire Inclusive Aims Heather Brook Adams, Nancy Myers, 2024-03-02 Inclusive Aims Rhetoric s Role in Reproductive Justice engages with fraught reproductive realities past present and future and offers analysis and advice for coalitional alliance and strategy building For those who legitimately value the needs desires and safety of reproducing people recent years have demonstrated that in the United States especially reproductive matters represent not only contestation but extreme precarity Considering such pressing exigencies those pursuing just reproductive

politics can benefit from thinking about such events and actions rhetorically and not in isolation but as interconnected and connected to larger webs of action The collection features a range of activist scholars and scholar activists each of whom shares and or interrogates stories of reproductive in justice Its topics range from discourse practices related to telehealth birthing doula care and negligence due to systemic racism and transphobia to representations of vasectomy strategies for political solidarity and considerations for navigating the challenges of activist interventions The project mindfully infuses insights from thought traditions of reproductive justice activists and scholars outside of rhetoric Through its varied chapters the collection demonstrates how rhetorics of reproductive politics function as a means by which various injustices are illuminated and addressed Contributors include Zachary Beare Fabiola Carri n Hannah Dudley Shotwell Natalie Fixmer Oraiz Meta Henty Adele N Nichols Sheri Rysdam Shui yin Sharon Yam Michelle C Smith Melissa Stone Jill Swiencicki Jenna Vinson and James D Warwood

Reproductive Justice Loretta Ross,Rickie Solinger,2017-03-21 Reproductive Justice is a first of its kind primer that provides a comprehensive yet succinct description of the field Written by two legendary scholar activists Reproductive Justice introduces students to an intersectional analysis of race class and gender politics Loretta J Ross and Rickie Solinger put the lives and lived experience of women of color at the center of the book and use a human rights analysis to show how the discussion around reproductive justice differs significantly from the pro choice anti abortion debates that have long dominated the headlines and mainstream political conflict Arguing that reproductive justice is a political movement of reproductive rights and social justice the authors illuminate for example the complex web of structural obstacles a low income physically disabled woman living in West Texas faces as she contemplates her sexual and reproductive intentions In a period in which women s reproductive lives are imperiled Reproductive Justice provides an essential guide to understanding and mobilizing around women s human rights in the twenty first century Reproductive Justice A New Vision for the Twenty First Century publishes works that explore the contours and content of reproductive justice The series will include primers intended for students and those new to reproductive justice as well as books of original research that will further knowledge and impact society Learn more at www.ucpress.edu/go/reproductivejustice

Feminist Judgments: Reproductive Justice Rewritten Kimberly Mutcherson,2020-04-16 Reproductive justice theory made real through re imagining critical cases addressing pregnancy parenting and the law s treatment of marginalized women

Research Handbook on Human Rights Law and Health Elizabeth Wicks,Nataly Papadopoulou,2025-09-10 This Research Handbook examines the many ways in which health engages human rights law It also explores current debates which challenge traditional perspectives of rights and identifies potential new directions in which human rights law might venture Elizabeth Wicks and Nataly Papadopoulou bring together renowned experts who pose important questions about the limits of human rights and the law more broadly as new threats and opportunities related to health emerge

Distinct Identities Nadia E. Brown,Sarah Allen Gershon,2016-04-14 Minority women in the United States draw from their unique personal experiences born of their

identities to impact American politics Whether as political elites or as average citizens minority women demonstrate that they have a unique voice that more often than not centers on their visions of justice equality and fairness In this volume Dr Nadia E Brown and Sarah Allen Gershon seek to present studies of minority women that highlight how they are similar and dissimilar to other groups of women or minorities as well as variations within groups of minority women Current demographic and political trends suggest that minority populations specifically minority women will be at the forefront of shaping U S politics Yet scholars still have very little understanding of how these populations will behave politically This book provides a detailed view of how minority women will utilize their sheer numbers collective voting behavior policy preferences and roles as elected officials to impact American politics The scholarship on intersectionality in this volume seeks to push beyond disciplinary constraints to think more holistically about the politics of identity

Psychology of Black Womanhood Danielle Dickens, Dionne Stephens, 2024-06-05 Psychology of Black Womanhood is the first textbook to provide an authoritative jargon free affordable and holistic exploration of the sociohistorical and psychological experiences of Black girls and women in the United States while discussing the intersection of their identities The authors include research on young middle aged and maturing women LGBTQ women and non binary individuals women with disabilities and women across social classes This textbook is firmly rooted in Black feminist womanist and psychological frameworks that incorporate literature from related disciplines such as sociology Black African American studies women s studies and public health Psychology of Black Womanhood speaks to the psychological study of experiences of girls and women of African descent in the United States and their experiences in the context of identity development education religion body image physical and mental health racialized gendered violence sex and sexuality work relationships aging motherhood and activism This textbook has implications for practice in counseling social work health care education advocacy and policy

Creating a Progressive Commonwealth Megan Taylor Shockley, 2018-12-05 Building upon the work of late twentieth century scholars in the field of feminist studies Megan Taylor Shockley provides an in depth look at feminism in the modern U S South Shockley challenges the monolithic view of the region as a conservative bastion and argues that feminist advocates have provided crucial social progressive force particularly in Virginia between 1970 and 2010 An innovative study Creating a Progressive Commonwealth illustrates how feminists in the state challenged the traditional patriarchal system and engaged directly with the legislature through grassroots educational efforts on three major initiatives passage of the Equal Rights Amendment protection of abortion rights and pursuit of legal and social rights for survivors of domestic and sexual violence Shockley suggests that advocates for gender equality fundamentally changed Virginia improving the state s support for women both personally and professionally as well as fostering an environment more conducive to additional progressive reform In sharing the stories of these activists the author discusses their initial choices to participate in the movement the challenges they faced in promoting a progressive agenda as well as their successes and failures Throughout Shockley emphasizes the need

for scholars to look beyond the history of state legislatures in order to fully understand the nature of southern progressivism and feminism Using both archival sources and oral histories *Creating a Progressive Commonwealth* examines the individual women and their motivations as they battled recalcitrant legislators and conservative citizens to achieve social reforms
