*A Journey Through Time* Geoff Keen, 2015-08-19 I first got interested in kings and queens about ten years ago when I found myself reading a historical novel about Henry VIII It was enthralling but it left me wanting to know more about his ancestors I then went on to read more It was at this point I decided to produce a concise summary of my findings into a booklet This booklet will be a genealogical record of all the kings and queens of England and Scotland starting with the first king ever recorded King Egbert of Wessex 780 AD and to follow them through Queen Elizabeth II 1952 It has all the dates when they were born when they married when they died and whom followed whom I've called it a journey through time to perches it go to [authorgeoffkeen.com](http://authorgeoffkeen.com)

**A New Kind of Bleak: Journeys Through Urban Britain** Owen Hatherley, 2012-07-31 An anatomy of failed state Britain by the author of *A Guide to the New Ruins of Great Britain* In *A Guide to the New Ruins of Great Britain* Owen Hatherley skewered New Labour's architectural legacy in all its witless swagger Now in the year of the Diamond Jubilee and the London Olympics he sets out to describe what the Coalition's altogether different approach to economic mismanagement and

civic irresponsibility is doing to the places where the British live In a journey that begins and ends in the capital Hatherley takes us from Plymouth and Brighton to Belfast and Aberdeen by way of the eerie urbanism of the Welsh valleys and the much mocked splendour of modernist Coventry Everywhere outside the unreal Southeast the building has stopped in towns and cities which languish as they wait for the next bout of self defeating austerity Hatherley writes with unrivalled aggression about the disarray of modern Britain and yet this remains a book about possibilities remembered about unlikely successes in the midst of seemingly inexorable failure For as well as trash ancient and modern Hatherley finds signs of the hopeful country Britain once was and hints of what it might become
