Identity Crisis Reclaim the True You Tamara Buchan,2015-10-07 We are in an identity crisis because we ve been victims of identity theft No it s not earthly identity theft where our social security numbers are stolen and our credit cards hacked Spiritual identity theft is far more serious leading to a crisis that goes beyond our finances in scope It affects every area of our lives relationships self esteem health vocational success and fulfillment of our deepest dreams One of Jesus most powerful statements encapsulates this truth The thief came to rob kill and destroy I came that you might live the fulfilling abundant life you were created to live John 10 10 The reality is that the only way to experience the abundant fulfilling life we were designed to experience is to confront the one who has stolen from us to partner with Jesus and to reclaim the identity that is rightfully ours What does it mean to reclaim It is to take that which is stolen lost broken or wounded and restore it to its true glory It is to make the vast wasteland become beautiful and productive again Jesus came to stop the identity theft change our passwords and to reclaim our true identity beloved children in his father s family and royal heirs in his kingdom as Romans 8 describes For all who are being led by the Spirit of God these are sons of God For you have not received a spirit of slavery leading to fear again but you have received a spirit of adoption as sons by which we cry out Abba Father The Spirit Himself testifies with our spirit that we are children of God and if children heirs also heirs of God and fellow heirs with Christ Jesus process is quite simple He reminds the identity thief of his defeat when Jesus gave his life for you in exchange for your freedom He then invites you to partner with him to discover uncover and reclaim your true status as a valued beloved child and heir in God s great big family It s simple but not easy It takes faith and perseverance on your part but Jesus has done the rest He holds out his hand in invitation Will you accept **Identity Crisis** Karie Eaton,2018-04-20 In her first book Beneath the Surface Karie takes and translates her lesson from counseling young girls and women to what we desire meaningful and authentic relationships without having to create and maintain a variety of masks to wear Now in Identity Crisis Karie helps

women recapture and reclaim their God given identity I think for many our identity is broken In an increasingly technological world our identity gets broken more and more or certainly we run the risk of it doing so We now have the ability to be a culprit and a victim of identity theft by our own hands at the same time Standing before God on my day of judgment I wonder what I will really be accountable for I was not who God designed me to be The identity given to me was not the identity I lived my life as Instead I twisted it distorted it and mangled it beyond recognition so that I adapted into an identity I thought the world expected of me I played God Will that be my offense If so I plead guilty I imagine there is more than enough evidence to convict me In Identity Crisis we will discuss the self created barriers to true relationship If we live behind a mask we can impress but we cannot connect That doesn't sound right does it That is not the story I want to be a part of and to have as my life It sounds lonely Lets take this journey together **Identity Crisis Reclaim the True You** Tamara

Buchan,2015-10-07 We are in an identity crisis because we've been victims of identity theft No it's not earthly identity theft where our social security numbers are stolen and our credit cards hacked Spiritual identity theft is far more serious leading to a crisis that goes beyond our finances in scope It affects every area of our lives relationships self esteem health vocational success and fulfillment of our deepest dreams One of Jesus most powerful statements encapsulates this truth The thief came to rob kill and destroy I came that you might live the fulfilling abundant life you were created to live John 10:10 The reality is that the only way to experience the abundant fulfilling life we were designed to experience is to confront the one who has stolen from us to partner with Jesus and to reclaim the identity that is rightfully ours What does it mean to reclaim It is to take that which is stolen lost broken or wounded and restore it to its true glory It is to make the vast wasteland become beautiful and productive again Jesus came to stop the identity theft change our passwords and to reclaim our true identity beloved children in his father's family and royal heirs in his kingdom as Romans 8 describes Identity Crisis Tamara J.

Buchan,Zizi Iryaspraha Subiyarta,2014-07-22 Do you know that you are a loved child an heir of the king and creator of the universe How does this identity shape how you live your life each day At work home or school Tamara Buchan offers a fresh and intriguing perspective that brings freedom and a lifestyle based on faith rather than fear to the nitty gritty of everyday living Discover anew what the Bible says about who you are and God who loves you Witty and wildly imaginative Identity Crisis will take you on a journey through biblical accounts individuals stories and personal revelation and reflection to a deeper more fulfilling grasp of your true identity Begin today living abundantly with the purpose authority and inheritance God intends for you your community and your world What does a dried dandelion have to do with an identity crisis Everything if we stop looking at it from a gardener's perspective and start to understand its hidden value The identities we adopt from the world are like dandelions the gardener fervently attacks before they dry up into the perfect ball of seeds which spread all over the yard when the wind begins to blow If we think about our enemy the Devil as the gardener we begin to understand his motive is to convince us that our identities are worthless weeds throwaways when compared to the

beautiful rose bushes right next to us Our enemy the gardener thrives when we agree that our identities are discarded weeds rather than boldly reclaiming our true identities from our Master Gardener the Creator of the Universe To reclaim is to take that which is worthless and make it beautiful and productive again An overgrown garden with dried dandelions can appear to be worthless However when the Master Gardener begins to blow the seeds our lives suddenly wake up and start to take root in gardens we never dreamed we could inhabit My prayer for you is that you will begin to understand your value as a dandelion You are a flower your Creator has hidden in his garden until the very time that he reveals your beauty and your value both to himself and to the world One of the most precious things is a child offering a dandelion bouquet to his or her mother who immediately sees its value pulls out her fanciest vase and proudly displays her beautiful flowers for everyone to see You are that beautiful flower You have a hidden value that is ready to be revealed as the Master Gardener reclaims your identity and then releases his destiny for which you were created One day your reclaimed dandelion seeds will be blown into places that will surprise and astound you as they make their imprint on the world The time is now Let s discover together how to move out of an identity crisis and to move into a reclamation process which creates the most beautiful garden ever inhabited
