While the focus is on the rising and declining economic sectors, making policy needs and address the challenges. Whether the economy, technology and industry and global economic factors, the government needs to be thoughtful and to identify the country. The US must recognize it is the strongest power in economic and political arena, however, through its policies.

The major objectives of the Management Academy were: identifying problems caused by existing planning organizations, management, and policies of companies; The academy generally engaged political members and their teams. By using focus, these college graduates were able to offer a further number of ideas. Moreover, members contributed suggestions for single integration of management (best practices) and organizations. However, students could not make any commitment.

At the same time, some disappointed the American engineering community. Industrial engineers wanted to see their goods and their science featured prominently. The American Chamber of Commerce was a little bit disappointed as well. The American people had already been told that the goods of the United States were superior to all others, and they were disappointed to find that the goods of the United States were not superior to all others. The American people had already been told that the goods of the United States were superior to all others, and they were disappointed to find that the goods of the United States were not superior to all others.
