CENTER  
SCOTT J. JONES**

# United Methodist Doctrine The Extreme Center

**Michael Adam Beck**

## **United Methodist Doctrine The Extreme Center:**

**United Methodist Doctrine** Bishop Scott J. Jones, 2010-09-01 Throughout this ebook Scott J Jones insists that for United Methodists the ultimate goal of doctrine is holiness. Importantly he clarifies the nature and the specific claims of official United Methodist doctrine in a way that moves beyond the current tendency to assume the only alternatives are a rigid dogmatism or an unfettered theological pluralism. In classic Wesleyan form Jones driving concern is with recovering the vital role of forming believers in the mind of Christ so that they might live more faithfully in their many settings in our world.

**The Methodist Experience in America Volume I** Kenneth E. Rowe, Dr. Russell E. Richey, Jean Miller Schmidt, 2010-08-01 Beginning in 1760 this comprehensive history charts the growth and development of the Methodist and Evangelical United Brethren church family up and through the year 2000. Extraordinarily well documented study with elaborate notes that will guide the reader to recent and standard literature on the numerous topics, figures, developments, and events covered. The volume is a companion to and designed to be used with *THE METHODIST EXPERIENCE IN AMERICA: A SOURCEBOOK* for which it provides background context and interpretation. Contents include: Launching the Methodist Movements 1760-1768 Structuring the Immigrant Initiatives 1769-1778 Making Church 1777-1784 Constituting Methodism 1784-1792 Speaking Scriptural Holiness 1792-1816 Snapshot I: Methodism in 1816 Baltimore 1816 Building for Ministry and Nurture 1816-1850s Dividing by Mission, Ethnicity, Gender, and Vision 1816-1850s Dividing over Slavery, Region, Authority, and Race 1830-1860s Embracing the War Cause 1860-1865 Reconstructing Methodism 1866-1884 Snapshot II: Methodism in 1884 Wilkes-Barre, PA 1884 Reshaping the Church for Mission 1884-1939 Taking on the World 1884-1939 Warring for World Order and Against Worldliness Within 1930-1968 Snapshot III: Methodism in 1968 Denver 1968 Merging and Reappraising 1968-1984 Holding Fast Pressing On 1984-2000. A wide angled narrative that attends to religious life at the local level to missions and missionary societies to justice struggles to camp and quarterly meetings to the Sunday school and catechisms to architecture and worship to higher education to hospitals and homes to temperance to deaconesses and to Methodist experiences in war and in peace making. A volume that attends critically to Methodism's dilemmas over and initiatives with regard to race, gender, ethnicity, sexual orientation, and relation to culture. A documentation and display of the rich diversity of the Methodist experience. A retelling of the contests over and evolution of Methodist EUB organization, authority, ministerial orders, and ethical doctrinal emphases.

**Doctrinal Standards in the Wesleyan Tradition** Thomas C. Oden, 2008-02-01 The history of Wesleyan family of churches doctrines. What are our core beliefs? *Doctrinal Standards in the Wesleyan Tradition* Revised Edition narrates the history of the formation of Wesleyan doctrines, describing how they were transplanted from the British Isles to North America, how they became constitutionally protected in Wesleyan rooted churches. The first edition of this book affected the outcome of the 1988 General Conference of The United Methodist Church as the delegates decided many then disputed doctrinal issues. This revised edition addresses the continuing hunger for more precise and useful

information on the doctrinal traditions of mainline Protestantism Hence the arguments have been updated with more than 400 changes Included are doctrinal statements for the Evangelical United Brethren Free Methodist Methodist Protestant Wesleyan Nazarene African Methodist Episcopal Zion Christian Methodist Episcopal and African Methodist Episcopal Churches as well as an outline syllabus of a Course on the Articles of Religion

**A Field Guide to Methodist Fresh Expressions** Michael Adam Beck, 2020-03-23 According to Fresh Expressions U S a Fresh Expression is a form of church for our changing culture established primarily for the benefit of those who are not yet part of any church Fresh Expressions are introducing people to Jesus expanding the kingdom and revitalizing churches Congregations need a practical and theological resource that can help them cultivate Fresh Expressions As consultants who work nationwide and as innovative pastors authors Michael Beck and Jorge Acevedo awaken congregational leaders and ministry teams to a distinctive Wesleyan approach for the Fresh Expressions movement In Wesleyan Fresh Expressions they show congregations how to cultivate and customize fresh expressions that fit their local context They motivate ministry teams to take risks experiment and when necessary fail well On April 2 1739 John Wesley went to a field just outside what was then the city limits of Bristol England There he tried a missional innovation called field preaching Thousands of people showed up many of whom who had no connection with a church Today most Methodists and other Wesleyans don't know their own story Lost in the milieu of divisive issues that threaten to tear the church apart Wesleyans have forgotten their DNA as a renewal movement born not from doctrinal disputes but from a missional imperative In this sense the Fresh Expressions movement is the most Methodist thing in the denomination today This iteration of the Spirit is taking it to the fields again Wesleyan Fresh Expressions will help guide the way

*T&T Clark Handbook of Ecclesiology* Kimlyn J. Bender, D. Stephen Long, 2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections

**Queering Black Churches** Brandon Thomas Crowley, 2024 Queering Black Churches explores how open and affirming Black churches have queered their congregations Using the lenses of practical theology ecclesiology Queer theology and gender studies Brandon Thomas Crowley examines the heteronormative histories theologies morals values and structures of Black churches and how their longstanding assumptions can be challenged to dismantle homophobia within African American congregations and move beyond surface level allyship toward actual structural renovation

**Methodist**

**Morals** Darryl W. Stephens, 2024-01-12 *Methodist Morals* offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith. Revised every four years by the General Conference of the United Methodist Church, the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures. Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life. This is the first full-length study of Methodist social teachings in over fifty years. Examining official Methodist teachings from institutional, historical, and cross-cultural perspectives, Darryl Stephens provides a rich analysis of this case study of Protestant social witness, drawing on his expertise in church polity, Methodist history, and Christian social ethics. A wide range of comparisons with documents of the United Nations, with moral debate in Germany and Zimbabwe, and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness. The issues of war, abortion, human sexuality, and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures. Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey. Intended for students of Methodism, ecumenical church leaders, and scholars of Christian social ethics and contemporary US mainline religion, this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world.

**DARRYL W. STEPHENS**, director of United Methodist studies at Lancaster Theological Seminary, is former assistant general secretary for advocacy and sexual ethics in the UMC's General Commission on the Status and Role of Women. He is the coeditor of *Professional Sexual Ethics: A Holistic Ministry Approach*.

**Earn All You Can** Donald R. House, 2016-02-02 Is the gap between rich and poor really the fault of the financially successful? Much of the modern Christian and secular conversation around wealth contends that a widening gap separating the rich and the poor is both a reflection of an unfair economic system and a failure of Christians to sufficiently assist the least of these. *Earn All You Can* introduces important economic principles contained in the works of several Nobel Prize-winning economists in conversation with foundational Christian ideas about wealth and success rooted in Jewish teaching, Roman Catholic literature, and the sermons of Methodist founder John Wesley. Economic theory, Jewish oral traditions, important papal letters of Pope Pius IX and John Paul II, and the sermons of John Wesley provide a context for understanding frequently cited scripture passages on wealth and poverty. The conclusion: The rising gap between the rich and the poor, particularly since the Industrial Revolution, is a reflection of economic growth that has lifted more out of poverty than any other process known to humanity. Moreover, the most significant charitable programs in the early history of America largely followed key basic economic and Christian principles.

**Denomination** Paul M. Collins, Barry A. Ensign-George, 2011-06-16 The term denomination is now widely used to describe a Christian community or church. But what

is a denomination In this highly creative collection of essays representatives of all major Christian traditions give an answer to this question What does the term mean in their own tradition And does that tradition understand itself to be a denomination If so what is that understanding of denomination and if not how does the tradition understand itself vis vis those churches which do and those churches which do not understand themselves as denominations In dialogue with the argument and ideas set forth in Barry Ensign George s essay each contributor offers a response from the perspective of a particular church tradition Each essay also considers questions concerning the current landscape of ecumenical dialogue ecumenical method and the goals of the ecumenical movement as well as questions of Christian identity and belonging

**American Methodism Revised and Updated** Kenneth E. Rowe, Jean Miller Schmidt, Dr. Russell E. Richey, Ashley Boggan, 2022-11-15 The essential guide to American Methodism revised and updated through 2020 Four of Methodism s most respected teachers give us a vivid picture of 260 years of Methodist experience in America The revised edition updates the Methodist movement s story through 2020 including the social political economic technological and global disruptions that cause faith communities and denominations to pull apart American Methodism Revised and Updated begins with the explosion of evangelical Pietism and revolutionary Methodism the First Great Awakening as an independent nation was formed It then highlights key 19th century themes and Methodist contributions such as spreading scriptural holiness through missions and literature planting tens of thousands of Sunday schools and churches by Circuit Riders the pivotal Methodist schism between abolitionists and enslavers the innovative building of schools and hospitals into the next century and the revivalism of the Second Great Awakening Finally it explores the movements of 20th century Methodism including the expansion of home and foreign missions the Methodist drive for Prohibition the decision for nationwide reunification on the cusp of World War II reunification with the United Brethren during the Vietnam War the Methodist ordination of women during the 1950s Black Methodist leadership in the 1960s Civil Rights movement and the liturgical renewal or reformation of worship ancient and future
