Mr. Gabe Hershel Marise,2022-07-19 This book I pray expresses that the suffering a child endures because of a traumatic childhood does not have to be the determining factor in deciding the outcome of our lives The kind of life trauma a child or anyone goes through should not in any way determine their ability to overcome these traumas and have a productive adult life It is my belief that with a great Creator God and his divine intervention in our lives we as his children will be carried through life s traumatic experiences It is my belief that I and all of humankind were created for a great purpose The writing of this book or its purpose is not to gather sympathy but the opposite to explain that an individual does not have to allow their childhood or economic environment to set the standard for the rest of their lives In my childhood I attempted to subconsciously close myself off mentally or emotionally from what was occurring This denial allowed me a way of surviving through early life I called out to God the great Creator for help and guidance many times Without the help and the great love of God these traumas would probably have killed me from the shock From an early age and throughout my adult life I ve had to find ways to deal with my traumatic past With God and a drifter named Mr Gabe who showed up at all the right times like a guardian angel who seemed to know a lot about the same God my grandmother talked about I did survive throughout these traumas and have lived a relatively good life and achieved challenges that could only have been possible with God s love

The Tetradome Run Spencer Baum,2019-06-02 When the crime wave peaked in the early 70s and Nixon signed the Redemption Act no one bothered to imagine what public execution might look like fifty years in the future No one imagined that The Tetradome Run would become the most popular show in America This year s show puts convicted felons in a race with genetically engineered monstrous creations Murderers rapists terrorists and thieves they all will take their place at the starting line and the most notorious among them is Jenna Duvall the college student who shot a Senator Allegedly Jenna swears she s innocent and as she runs for her life in the Tetradome a small town journalist uncovers a shocking counter narrative that suggests there is more to Jenna s story than anyone knows A mashup of dystopian thriller and riveting psychological suspense The Tetradome Run is a novel that doesn t need to look far into the future to find a world gone wrong

Instead it looks at America right here right now and dares the reader to ask a provocative question What if we already live in dystopia What's Behind the Looking Glass? Eric Shepherd,2014-12-26 Most people wish they could get a second chance in life A do over and correct those mistakes that now lay hidden or buried in their closet They wish they could hide all those painful memories and lock them all away into a box Buried them so deep hoping they never resurface rather than too face them at all EJ Stuart is just such a person yet his memories are not the same nor are the hardships of abuse caused by a broken home the same as another man s down the street His nightmares are worlds apart than any man has ever faced He dreams of darkness everlasting darkness so evil that it can tear a man s mind apart Death to some is only a beginning to something else but what if it was designed to change the outcome entirely yes a redo But what of the cost and are you willing to pay for it even if it is your very soul is at stake EJ Stuart as man now a statuses quo in this world is given the opportunity But first he must choose to as he sits one last time on porch alone waging war with his darkest thoughts That brought him to this stage of life which hunts his dreams and has now entered his waking state Which will he chose Death or a chance to change his destiny forever knowing his very soul is at stake Knowing he could never come back Knowing his life could be changed forever and others around him For this choice is a gift which can only be obtained Behind the Looking Glass Where worlds such as Nightmares Monsters and Fairytales are real and some or seeking his very soul others are asking for help his help to save his and their world from the grasp of evil Choose well **The Presbyterian** ,1905 **North-western Christian Advocate** ,1902
