Extrait I returned from the City about three o'clock on that May afternoon pretty well disgusted with life I had been three months in the Old Country and was fed up with it If anyone had told me a year ago that I would have been feeling like that I should have laughed at him but there was the fact The weather made me liverish the talk of the ordinary Englishman made me sick I couldn t get enough exercise and the amusements of London seemed as flat as sodawater that has been standing in the sun Richard Hannay I kept telling myself you have got into the wrong ditch my friend and you had better climb out It made me bite my lips to think of the plans I had been building up those last years in Bulawayo I had got my pile not one of the big ones but good enough for me and I had figured out all kinds of ways of enjoying myself My father had brought me out from Scotland at the age of six and I had never been home since so England was a sort of Arabian Nights to me and I counted on stopping there for the rest of my days

Adventure Novel by John Buchan.**, 2016-08-10. The Thirty Nine Steps is an adventure novel by the Scottish author John Buchan. It first appeared as a serial in Blackwood's Magazine in August and September 1915 before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations. John Buchan wrote The Thirty Nine Steps while he was ill in bed with a duodenal ulcer, an illness which remained with him all his life. The novel was his first shocker, as he called it, a story combining personal and political dramas. The novel marked a turning point in Buchan's literary career and introduced his adventuring hero, Richard Hannay. He described a shocker as an adventure where the events in the story are unlikely and the reader is only just able to believe that they really happened. Buchan's son, William, later wrote that the name of the book originated when the author's daughter was counting the stairs at a private nursing home in Broadstairs, where Buchan was convalescing. There was a wooden staircase leading down to the beach. My sister, who was about six and who had just learnt to count properly, went down them and gleefully announced there are 39 steps. Some time later, the house was demolished and a section of the stairs, complete with a brass plaque, was sent to Buchan. The mysterious phrase 'Thirty Nine Steps' first mentioned by the character Franklin Scudder becomes the title of the novel, and the solution to its meaning is a thread that runs through the whole story. **The Thirty Nine Steps**, John Buchan, 2018-02-22. The Thirty Nine Steps introduces us to Richard Hannay, John Buchan's wily hero of five novels. A major influence on spy fiction, the novel has been adapted for the cinema on numerous occasions. Alfred Hitchcock's screen adaptation was voted Best British Film of 1935. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public.
