The Time Of My Life:

The Time of My Life Irwin William Schenker,2012-09 THE TIME OF MY LIFE by IRWIN WILLIAM SCHENKER *The Time of My Life* TOM ERWIN,2005-06-03 This trip through time takes us on a journey from the day to day struggle to survive on a Louisiana farm through his teenage years growing up in prewar New Orleans a three year tour of duty in the South Pacific during World War II the postwar search for a new beginning a forty year career in Radio and Television Broadcasting and finally retirement It is kind of a rags to riches story running the gamut from abject poverty to traveling the world over rubbing shoulders with the highest of the high and the richest of the rich The Time of My Life is a personal history of one member of The Greatest Generation That group of Americans who without coercion and no thought of personal gain except freedom dropped all tasks at hand took up arms fought and won the greatest of all wars and returned hope and freedom to a chaotic world **The Time of My Life** Jr. Morris,2009-11 **The Time of My Life** Mike The Barman,2022-10-25 Ready for the time of your life Mike The Barman Richardson invites you to go behind the scenes of Mountain Lake the Dirty Dancing resort to experience the ongoing romance mystique and adventure that makes visitors keep coming back for more Get an up close and personal tour of Mountain Lake Resort the movie s primary shooting location and stand in for Kellerman s Mountain House It s here that years after the movie s release fans gather to relive the film s allure with Dirty Dancing Weekends full of sizzling moves and retro costumes Mike the Barman pulls back the curtain to reveal the magic of these bashes from Mike s secret off limits tours to the entertaining anecdotes divulged by the visitors to the resort Mix one of Mike s signature drinks with the included recipes and feel a part of the fun of trivia night as Mike runs down answers as well as pointing out some of the film s flubs Everyone knows the hotel bartender holds all the secrets This is one insider account that adds new layers to the classic romance flix told as only a beloved bartender can If you were ever curious about the history of this picturesque hotel where iconic settings such as Baby s cabin and the water lift were captured or are just curious to learn how the legacy of this hit 80s film lives on this is a memoir that will have you aching for steamy summer nights Recapture the movie s magic in this love letter to a lodge that offers a resort getaway experience in its pages *The Time of My Life* Andrea Warner,2024-04-09 An engaging exploration into the enduring popularity of Dirty Dancing and its lasting themes of feminism activism and reproductive rights When Dirty Dancing was released in 1987 it had already been rejected by producers and distributors several times over and expectations for the summer romance were low But then the film written by former dancer Eleanor Bergstein and starring Jennifer Grey and Patrick Swayze as a couple from two different worlds exploded Since then Dirty Dancing s popularity has never waned The truth has always been that Dirty Dancing was never just a teen romance or a dance movie it also explored abortion rights class and political activism with a smattering of light crime solving In *The Time of My Life* celebrated music journalist Andrea Warner excavates the layers of Dirty Dancing from its anachronistic chart topping soundtrack to Baby and Johnny s chemistry to Bergstein s political intentions to the abortion

subplot that is more relevant today than ever The film s remarkable longevity would never have been possible if it was just a throwaway summer fling story It is precisely because of its themes deeply feminist sensitively written that we over 30 years later are still holding our breath during that last exhilarating lift The Time of My Life Rob Spillman,2008-05-06

Remember the ill fitting tuxes regrettable dresses wilting corsages cheap beer and rented limos that marked the biggest most anticipated celebration of the school year Remember when the whole world hung in the balance of just one night Well lots of your favorite writers do too and they share the good the bad and the embarrassingly ugly in this wonderful compendium of personal reminiscences about prom night Rob Spillman has collected the prom memories of Cintra Wilson Walter Kirn Steve Almond Samantha Dunn Susie Bright Mike Albo and many others capturing the magic the misery and the atrocious attire in a hilarious look at the simultaneously sublime and ridiculous event that has become the American right of passage Whether prom night is something you fondly remember or long to forget The Time of My Life will bring it all back capturing with wit and poignancy precisely what it was like to be young hormonal and dressed like a butler or bridesmaid

The Time of My Life Ev Nau,2022-02-03 While driving home from a long trip Ev Nau was thinking about some events in his youth and suddenly realized that he knew very little about his own father s youth As his trip continued he further discovered that his own grandchildren really didn t know him either So began his project of recording his memoirs for them Following his retirement Ev went through every bit of documentation he could find from his mother s baby book to reports he had written at work to recapture as much of his life as possible Old pictures were the source of many of his memory kick starts Each tale seemed to rekindle a new story and he spent most of his time just chuckling about how clearly it all came back to him Born during World War II and surviving so many traumatic historical events Ev shows people his life in perspective to many of these historical events and how they shaped him and his growth From zany antics and there are many to tragic circumstances way too many his story graphically shows how this complicated man grew into a well respected teacher coach and mentor for so many others Whether chasing rabbits in a sports car on a golf course or marching endless miles in a drum and bugle corps or helping a close friend learn of his father s death Ev has a compelling story to tell And those tales only scratch the surface Wait until you read about his Winter Carnival experience **The Time of My Life** Peter McNally,2013-03-12 Peter McNally enjoyed a boyhood of privilege and hard work growing up in a large and happy extended family during the war years in the safety of the Ulster countryside Public school back in England gave him a moral code and work ethic which stood him in good stead over the meteoric years that followed in business After qualifying as a chartered accountant at the age of 22 Peter found himself mixing with the powerful and wealthy and getting to know some of the leading players and businessmen of the day When the opportunity came to join the board of the newly created London Weekend Television as Finance Director Peter still only in his thirties seized it with both hands He became a senior member of the team that steered LWT to dramatic success in the 1970s eventually sharing in its financial fortunes which has enabled

him in later life to enjoy many leisure hours salmon fishing shooting skiing and partying with a wide circle of friends **The**

teens while in boarding school in his native England It is also his story of gradually becoming disenchanted with his family and English environment and ultimately finding acceptance and a new home in New Orleans The timing of his arrival at age twenty two just a few weeks after the signing of the 1964 Civil Rights Act and the end of legal segregation placed him in a unique position with the mostly African American musicians in New Orleans They showed him around brought him into their lives gave him music lessons and even hired him to play trumpet in brass bands In short Wilson became more than a pilgrim he became an apprentice and for the first time legally in New Orleans he could make that leap Time of My Life A Jazz Journey from London to New Orleans tells the story of Wilson s journey as he discovers the contrast between his imagined New Orleans and its reality Throughout he delivers his impressions and interactions with such local musicians as Fat Man Williams Manuel Manetta Punch Miller and Billie and DeDe Pierce As his playing improves invitations to play in local bands increase Eventually he joins in the jam and by doing so integrates the Original Tuxedo Jazz Band which had been in continuous existence since 1911 Except for a brief epilogue this memoir ends in 1979 when Wilson assembles his own band for the first time the Original Camellia Jazz Band with musicians who had been among his heroes when he first arrived in New Orleans
