The Trinity Practically Speaking:

The Trinity, Practically Speaking Frank D. Macchia, 2012-01-06 The Father the Son and the Holy Spirit in the Bible and in Christian experience are all vital to the reality of salvation But since the word Trinity does not appear in the Bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians This book leads readers step by step to a robust understanding of God as a Trinity

The Interpreting Spirit Hannah R. K. Mather, 2020 The Interpreting Spirit is both a consideration of the Spirit's role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit's role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather's argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation Awarded 2021 Award of Excellence by The Foundation for Pentecostal Scholarship

The Practical Nature of the Theological Writings of Emanuel Swedenborg Augustus Clissold, 1860

The Practical Nature of the Doctrines and Alleged Revelations contained in the writings of the Hon. E. Swedenborg ... in a letter to ... the Lord Archbishop of Dublin, occasioned by his observations on that subject in his "Essays on some of the Peculiarities of the Christian Religion." Augustus CLISSOLD, 1860

The Trinity Philip Walker Butin, 2001-01-01 The Trinity discusses the importance of the doctrine of the Trinity for contemporary faith It explores the development of the doctrine of the Trinity in church history shows the modern issues and developments and speaks practically about the significance of this doctrine for the Christian life

Pentecostals and the Doctrine of the Trinity Marius Nel, 2023-04-17 This book explores the complex ideas of the Trinity and God placing particular emphasis on the Pentecostal Church If Jesus and the Spirit are divine to the same extent as the God of Israel what is their relationship with the Father Traditionally the Western Church responds that there are three persons in the one God How did the early Church think about the Trinity The Church assumed that Jesus died a gruesome death on the cross to atone for our sins This implies that God required one part of the divine to die to appease another part of the divine A further complication arises when we consider that Jesus taught believers to forgive why then did God not forgive humans This book challenges the reader to rethink and reconsider their

conception of God and the Trinity given that God falls outside our frame of reference and outside of our universe which we can consider our final frame of reference

A Shorter Guide to the Holy Spirit Anthony C. Thiselton, 2016 Anthony Thiselton's scholarly book *The Holy Spirit In Biblical Teaching through the Centuries and Today* was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award This shorter volume makes Thiselton's vast biblical theological knowledge and brilliant insight more accessible to more readers

The Catholic Catechism John Hardon, 2011-01-12 This volume is intended to meet a widely felt need for an up to date and concise source book on the principal teachings of the Catholic Church Since the close of the Second Vatican Council there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in Catholic practice that few people have been able to keep up with all that has happened A parallel purpose of this volume is to offer those who use it a handy guidebook of the Catholic tradition whether formally documented in ecclesiastical sources or implicitly accepted by the faithful under the aegis of the Church's hierarchical leaders The method followed in presenting the Church's doctrine is a combination of history and logic Doctrines are placed into a historical framework by tracing their origins to the Old and New Testaments and placing their development within the context of persons places and times The doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries The intended reading audience of this Catholic catechism are all those priests religious and laity and above all parents and teachers who are looking for a concise statement of the faith they profess the conduct they practice and the worship they give to the Lord From *The Catholic Catechism* by John A Hardon S J

The God Who Believes Christian D. Kettler, 2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one's understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus

[Berruyer's Bible](#) Daniel J. Watkins, 2021-06-01 The French Jesuit Isaac Joseph Berruyer's *Histoire du peuple de Dieu* was an ambitious attempt to connect the ideas of the Enlightenment with the theology of the Catholic Church A paraphrase of the Bible written in vernacular French the *Histoire* promoted progress the pursuit of happiness the fundamental goodness of humanity and the capacity of nature to shape moral human beings Berruyer aimed to update the

Bible for a new age but his work unleashed a furor that ended with the expulsion of the Jesuits from France Berruyer's Bible offers a fresh perspective on the history of the Catholic Enlightenment By exploring the rise and fall of Berruyer's *Histoire* Daniel Watkins reveals how Catholic attempts to assimilate Enlightenment ideas caused conflicts within the church and between the church and the French state Berruyer's Bible flips the traditional narrative of the Enlightenment on its head by showing that the secularization of French society and the political decline of the Catholic Church were due not solely to the external assaults of anti clerical philosophes but also to the internal discord caused by Catholic theologians themselves Built upon extensive research in archives across Western Europe and the United States Berruyer's Bible paints a vivid picture of the tumultuous intellectual world of the Catholic Church and the power of radical ideas that shaped the church throughout the Enlightenment the French Revolution and beyond Ecumenical Perspectives on the Filioque for the 21st Century Myk Habets, 2014-06-19 The volume presents a range of theological standpoints regarding the filioque With some contributors arguing for its retention and others for its removal still others contest that its presence or otherwise in the Creed is not what is of central concern but rather that how it should be understood is of ultimate importance What contributors share is a commitment to interrogating and developing the central theological issues at stake in a consideration of the filioque thus advancing ecumenical theology and inter communal dialogue without diluting the discussion Contributors span the Christian traditions Roman Catholic Protestant Eastern Orthodox and Pentecostal Each of these traditions has its own set of theological assumptions methods and politics many of which are on display in the essays which follow Nonetheless it is only when we bring the wealth of learning and commitments from our own theological traditions to ecumenical dialogue that true progress can be made It is in this spirit that the present essays have been conceived and are now presented in this form

The Cambridge Review, 1882 Vols 1-26 include a supplement The University pulpit vols 1-26 no 1-661 which has separate pagination but is indexed in the main vol *The Holy Spirit as Communion* I. Leon Harris, 2017-09-26 In *The Holy Spirit as Communion* Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion *The Holy Spirit as Communion* expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father's will through Jesus Christ *The Holy Spirit as Communion* explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation's koinonia as a gift from the Father
