

THE TWILIGHT OF EQUALITY?

NEOLIBERALISM, CULTURAL POLITICS,
AND THE ATTACK ON DEMOCRACY

LISA DUGGAN

The Twilight Of Equality

R. Sooryamoorthy, Sampson Lee Blair

The Twilight Of Equality:

The Twilight of Equality? Lisa Duggan, 2012-04-03 By now we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism, free market economics, became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail. Ultimately, *The Twilight of Equality* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned, but more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today.

Queer Externalities W. C. Harris, 2009-09-10 Provocative take on the negative effects of increasing queer visibility and assimilation on the lives of queer people and politics in the U.S.

In and Out of View Catha Paquette, Karen Kleinfelder, Christopher Miles, 2021-09-09 In and Out of View models an expansion in how censorship is discursively framed. Contributors from diverse backgrounds, including artists, art historians, museum specialists, and students, address controversial instances of art production and reception from the mid-20th century to the present in the Americas, Africa, Asia, Europe, and the Middle East. Their essays, interviews, and statements invite consideration of the shifting contexts, values, and needs through which artwork moves in and out of view. At issue are governmental restrictions and discursive effects, including erasure and distortion, resulting from institutional policies, canonical processes, and interpretive methods. Crucial considerations concerning death, violence, authoritarianism, neo-colonialism, global capitalism, labor, immigration, race, religion, sexuality, activism, social justice, disability, campus speech, and cultural destruction are highlighted. The anthology, a thought-provoking resource for students and scholars in art history, museum, and cultural studies, and creative practices, represents a timely and significant contribution to the literature on censorship.

Sexuality and Transsexuality Under the European Convention on Human Rights Damian A. Gonzalez Salzgberg, 2019-02-07 This book undertakes a critical analysis of international human rights law through the lens of queer theory. It pursues two main aims: first, to make use of queer theory to illustrate that the field of human rights law is underpinned by several assumptions that determine a conception of the subject that is gendered and sexual in specific ways. This gives rise to multiple legal and social consequences, some of which challenge the very idea of universality of human rights. Second, the book proposes that human rights law can actually benefit from a better understanding of queer critiques, since queer insights can help it to overcome heteronormative beliefs currently held. In order to achieve these main aims, the book focuses on the case law of the European Court of Human Rights, the leading legal authority in the field of international human rights law. The use of queer theory as

the theoretical approach for these tasks serves to deconstruct several aspects of the Court's jurisprudence dealing with gender sexuality and kinship to later suggest potential paths to reconstruct such features in a queer er and more universal manner

The New Gay for Pay Julia Himberg, 2018-01-13 Television conveys powerful messages about sexual identities and popular shows such as Will how those practitioners operate within media conglomerates and perhaps most important how they contribute to commonsense ideas about sexuality

Beyond the Politics of the Closet Jonathan Bell, 2020-03-20 A collection of essays that demonstrate how LGBT people played critical roles in local state and national politics In the 1970s queer Americans demanded access not only to health and social services but also to mainstream Democratic and Republican Party politics The AIDS crisis of the 1980s made the battles for access to welfare health care and social services for HIV positive Americans many of them gay men a critically important story in the changing relationship between sexual minorities and the government The 1980s and 1990s marked a period in which religious right attacks on the civil rights of minorities including LGBT people offered opportunities for activists to create campaigns that could mobilize a base in mainstream politics and contribute to the gradual legitimization of sexual minorities in American society *Beyond the Politics of the Closet* features essays by historians whose work on LGBT history delves into the decades between the mid 1970s and the millennium a period in which the relationship between activist networks the state capitalism and political parties became infinitely more complicated Examining the crucial relationship between sexuality race and class the volume highlights the impact gay rights politics and activism have had on the wider American political landscape since the rights revolutions of the 1960s The three sections of *Beyond the Politics of the Closet* conceptualize LGBT politics both chronologically and thematically The first section highlights the ways in which the immediate post rights revolution period created new demands on the part of sexual minorities for social services especially in health care and housing The second examines the impact of the AIDS crisis on different aspects of national and local LGBT politics The last section considers how analyzing LGBT politics can reorient our understanding of the closet and illuminate the challenges for those seeking to integrate questions of sexual rights into broader political narratives whether of the left or the right Contributors Ian M Baldwin Katie Batza Jonathan Bell Julio Cap Jr Rachel Guberman Clayton Howard Kevin Mumford Dan Royles Timothy Stewart Winter

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is

permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso **Out**, 2006-02 Out is a fashion style celebrity and opinion magazine for the modern gay man

The Rainbow Ain't Never Been Enough Kaila Adia Story, 2025-05-13 A queer Black feminist debunks the myth of rainbow solidarity repositioning Black and Latinx LGBTQ people at the forefront of queer pasts presents and futures Your favorite Black queer studies professor Kaila Adia Story says the rainbow ain't never been enough in this introduction to the current state of queer intersectionality or lack thereof Story argues that to be queer is to be political and the carefully glittered facade of solidarity in the pride movement veils dangerous neoliberal ideals of apolitical queer embodiment The rainbow as a symbol of communal solidarity is a hollow offering when cis white LGBTQ people are allowed to opt out of divesting from white supremacy misogyny and transphobia The Rainbow Ain't Never Been Enough fills a necessary gap in our understanding of how racism transphobia and antiblackness operate in liberal spaces Black feminist and queer theorist Kaila Adia Story blends analysis pop culture and her lived experiences to explore the silencing practices of mainstream queer culture She touches on cornerstone issues of the movement like the whitewashing of queer history and commodification of pride celebrations the appropriation of the Black and Latinx ball scene and culture the racialized and gendered violence inflicted upon Black trans women the exclusion of the lives and work of activists like Marsha P Johnson Sylvia Rivera Storm DeLarverie and CeCe McDonald from queer history the lack of remembrance and respect for the lives of the Black and Latinx queer and trans people who have always been on the frontlines of queer liberation Expanding beyond the classroom Story utilizes her expertise as a scholar of queer theory to offer readers a comprehensive understanding of how racism operates in these spaces and what we can do to create a more equitable future Abolitionist Intimacies Eithne Luibhéid, 2025-04-18 In *Abolitionist Intimacies* Eithne Luibhéid examines writings by and about queer and trans identified migrants and allies who contest pervasive US immigration practices and work toward a future without detention deportation and border controls Luibhéid shows how these migrants and activists confront such controls by mobilizing intimacies forging close connections in order to survive in the present From forms of kinship beyond the heterosexual nuclear family to networks of solidarity intimacies allow queer and trans migrants and allies to challenge the infrastructures that support the deportation state proposed pathways to citizenship for undocumented migrants marriage as a means for legalization traffic interactions as a pipeline to deportation and queer and trans migrant detention In the process activists and theorists have advanced new visions and configurations of possible intimacies that not only challenge deportation but also rework what immigration

control and citizenship could mean By focusing on these abolitionist efforts as well as the publicly available records on queer and trans deportees Luibh id highlights the new understandings that emerge when the experiences of queer and trans people are centered

Pregnant on Arrival Eithne Luibhéid,2013-08-01 State alert as pregnant asylum seekers aim for Ireland Country Being Held Hostage by Con Men Spongers and Those Taking Advantage of the Maternity Residency Policy From 1997 to 2004 headlines such as these dominated Ireland s mainstream media as pregnant immigrants were recast as illegals entering the country to gain legal residency through childbirth As immigration soared Irish media and politicians began to equate this phenomenon with illegal immigration that threatened to destroy the country s social cultural and economic fabric Pregnant on Arrival explores how pregnant immigrants were made into paradigmatic figures of illegal immigration as well as the measures this characterization set into motion and the consequences for immigrants and citizens While focusing on Ireland Eithne Luibh id s analysis illuminates global struggles over the citizenship status of children born to immigrant parents in countries as diverse as the United States Hong Kong and elsewhere Scholarship on the social construction of the illegal immigrant calls on histories of colonialism global capitalism racism and exclusionary nation building but has been largely silent on the role of nationalist sexual regimes in determining legal status Eithne Luibh id turns to queer theory to understand how pregnancy sexuality and immigrants relationships to prevailing sexual norms affect their chances of being designated as legal or illegal Pregnant on Arrival offers unvarnished insight into how categories of immigrant legal status emerge and change how sexual regimes figure prominently in these processes and how efforts to prevent illegal immigration ultimately redefine nationalist sexual norms and associated racial gender economic and geopolitical hierarchies

Moral Panics, Sex Panics Gilbert Herdt,2009-06 This work focuses on case studies ranging from sex education to AIDS to race to illustrate how sexuality is at the heart of many political controversies

Sex and Sexuality within the Family Context R. Sooryamoorthy,Sampson Lee Blair,2025-11-12 From the marital aspirations of sexual minority transgender young adults to the evolving intimacies of Indian women each chapter provides a unique perspective on how personal and societal factors shape sexual identities and relationships

Handbook of Cultural Politics and Education ,2010-01-01 In academia the effects of the cultural turn have been felt deeply In everyday life tenets from cultural politics have influenced how people behave or regard their options for action such as the reconfiguration of social movements protests and praxis in general Many authors writing in this field are known for their scholarship and social activism both of which are arguably guided by principles of cultural politics about the nature of representation and the deployment of power in political discourses The Handbook of Cultural Politics and Education is less an attempt to standardize contemporary educational scholarship and more a collection that engages the problems and promises of recent themes in social and cultural thought which require our attention and demand a response In other words it opens doors to questions rather than convenient answers to difficult educational dilemmas The Handbook is part of the appraisal of an opening created by interdisciplinary writings on such

themes as representation civil society cultural struggle subjectivity and media within the context of education Indeed cultural politics troubles traditional frameworks in search of critical explanations concerning education s place within society The contributions in the collection support this endeavor

Republic on the Wire John McMurria, 2017-02 The history of cable television in America is far older than networks like MTV ESPN and HBO which are so familiar to us today Tracing the origins of cable TV back to the late 1940s media scholar John McMurria also locates the roots of many current debates about premium television cultural elitism minority programming content restriction and corporate ownership Republic on the Wire takes us back to the pivotal years in which media regulators and members of the viewing public presciently weighed the potential benefits and risks of a two tiered television system split between free broadcasts and pay cable service Digging into rare archives McMurria reconstructs the arguments of policymakers whose often sincere advocacy for the public benefits of cable television were fueled by cultural elitism and the priority to maintain order during a period of urban Black rebellions He also tells the story of the people of color rural residents women s groups veterans seniors and low income viewers who challenged this reasoning and demanded an equal say over the future of television By excavating this early cable history and placing equality at the center of our understanding of media democracy Republic on the Wire is a real eye opener as it develops a new methodology for studying media policy in the past and present

The Rowman & Littlefield Handbook of Transgender Studies J. E. Sumerau, 2023-01-30 The Rowman Littlefield Handbook of Transgender Studies is a comprehensive yet concise overview of important issues themes and research on transgender people and populations Coupling both their scholarly expertise with their lived experiences the contributors tackle a full gamut of topics including medical care education coming out bathroom and military politics and possibilities and the creation of families The volume opens with an introduction from the editor who outlines her own journey and experience searching for information on transgender studies in the early 2010 s Since then the field has risen in prominence and is one of the fastest growing areas of research in gender studies Scholars and students alike will find this to be an accessible and essential primer on the societal forces that impact and shape the lives of transgender people

Queer Korea Todd A. Henry, 2020-02-21 Since the end of the nineteenth century the Korean people have faced successive waves of foreign domination authoritarian regimes forced dispersal and divided development Throughout these turbulent times queer Koreans were ignored minimized and erased in narratives of their modern nation East Asia and the wider world This interdisciplinary volume challenges such marginalization through critical analyses of non normative sexuality and gender variance Considering both personal and collective forces contributors extend individualized notions of queer neoliberalism beyond those typically set in Western queer theory Along the way they recount a range of illuminating topics from shamanic rituals during the colonial era and B grade comedy films under Cold War dictatorship to toxic masculinity in today s South Korean military and transgender confrontations with the resident registration system More broadly Queer Korea offers readers new ways of understanding the limits and possibilities of

human liberation under exclusionary conditions of modernity in Asia and beyond Contributors Pei Jean Chen John Song Pae Cho Chung kang Kim Timothy Gitzen Todd A Henry Merose Hwang Ruin Layoung Shin Shin ae Ha John Whittier Treat

The Queering of Corporate America Carlos A. Ball, 2019-11-12 An accurate picture of the LGBTQ rights movement's achievements is incomplete without this surprising history of how corporate America joined the cause Legal scholar Carlos Ball tells the overlooked story of how LGBTQ activism aimed at corporations since the Stonewall riots helped turn them from enterprises either indifferent to or openly hostile toward sexual minorities and transgender individuals into reliable and powerful allies of the movement for queer equality As a result of street protests and boycotts during the 1970s AIDS activism directed at pharmaceutical companies in the 1980s and the push for corporate nondiscrimination policies and domestic partnership benefits in the 1990s LGBTQ activism changed big business's understanding and treatment of the queer community By the 2000s corporations were frequently and vigorously promoting LGBTQ equality both within their walls and in the public sphere Large companies such as American Airlines Apple Google Marriott and Walmart have been crucial allies in promoting marriage equality and opposing anti LGBTQ regulations such as transgender bathroom laws At a time when the LGBTQ movement is facing considerable political backlash *The Queering of Corporate America* complicates the narrative of corporate conservatism and provides insights into the future legal political and cultural implications of this unexpected relationship

Queer Data Kevin Guyan, 2022-01-13 Data has never mattered more Our lives are increasingly shaped by it and how it is defined collected and used But who counts in the collection analysis and application of data This important book is the first to look at queer data defined as data relating to gender sex sexual orientation and trans identity history The author shows us how current data practices reflect an incomplete account of LGBTQ lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people Guyan demonstrates why it is important to understand collect and analyse queer data the benefits and challenges involved in doing so and how we might better use queer data in our work Arming us with the tools for action this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation changes to legislation access to services representation and visibility

Normal Life Dean Spade, 2015-07-23 Revised and Expanded Edition Wait what's wrong with rights It is usually assumed that trans and gender nonconforming people should follow the civil rights and equality strategies of lesbian and gay rights organizations by agitating for legal reforms that would ostensibly guarantee nondiscrimination and equal protection under the law This approach assumes that the best way to address the poverty and criminalization that plague trans populations is to gain legal recognition and inclusion in the state's institutions But is this strategy effective In *Normal Life* Dean Spade presents revelatory critiques of the legal equality framework for social change and points to examples of transformative grassroots trans activism that is raising demands that go beyond traditional civil rights reforms Spade explodes assumptions about what legal rights can do for marginalized populations and describes transformative resistance

processes and formations that address the root causes of harm and violence In the new afterword to this revised and expanded edition Spade notes the rapid mainstreaming of trans politics and finds that his predictions that gaining legal recognition will fail to benefit trans populations are coming to fruition Spade examines recent efforts by the Obama administration and trans equality advocates to pinkwash state violence by articulating the US military and prison systems as sites for trans inclusion reforms In the context of recent increased mainstream visibility of trans people and trans politics Spade continues to advocate for the dismantling of systems of state violence that shorten the lives of trans people Now more than ever *Normal Life* is an urgent call for justice and trans liberation and the radical transformations it will require

Thank you utterly much for downloading **The Twilight Of Equality**. Most likely you have knowledge that, people have look numerous period for their favorite books considering this The Twilight Of Equality, but stop occurring in harmful downloads.

Rather than enjoying a good book in the same way as a cup of coffee in the afternoon, on the other hand they juggled taking into consideration some harmful virus inside their computer. **The Twilight Of Equality** is easy to get to in our digital library an online right of entry to it is set as public as a result you can download it instantly. The Twilight Of Equality Introduction

In today's digital age, the availability of The Twilight Of Equality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Twilight Of Equality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Twilight Of Equality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Twilight Of Equality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Twilight Of Equality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Twilight Of Equality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Twilight Of Equality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Twilight Of Equality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Twilight Of Equality books and manuals for download and embark on your journey of knowledge?

FAQs About The Twilight Of Equality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Twilight Of Equality is one of the best book in our library for free trial. We provide copy of The Twilight Of Equality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Twilight Of Equality. Where to download The Twilight Of Equality online for free? Are you looking for The Twilight Of Equality PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Twilight Of Equality. This method for see exactly what may be

included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Twilight Of Equality are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Twilight Of Equality. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Twilight Of Equality To get started finding The Twilight Of Equality, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Twilight Of Equality So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Twilight Of Equality. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Twilight Of Equality, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Twilight Of Equality is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Twilight Of Equality is universally compatible with any devices to read.
