James Joyce and the Matter of Paris Catherine Flynn, 2019-09-12 James Joyce must be understood as drawing on French nineteenth and twentieth century literary innovations to grapple with the challenges of Paris Poetry on Stage Gianluca Rizzo, 2020-08-26 Based on meticulous research in the archives of some of the most prominent Italian avant garde writers Poetry on Stage examines the literary and ideological climate of the sixties and seventies Anthology of Black Humor André Breton, 2021-01-29 This is the first publication in English of the anthology that contains Breton s definitive statement on l humour noir one of the seminal concepts of Surrealism and his provocative assessments of the writers he most admired While some of the authors featured in The Anthology of Black Humor are already well known to American readers Swift Kafka Rimbaud Poe Lewis Carroll and Baudelaire among them and even then Breton s selections are often surprising many others are sure to come as a revelation The entries range from the acerbic aphorisms of Swift Lichtenberg and Duchamp to the theatrical slapstick of Christian Dietrich Grabbe from the wry missives of Rimbaud and Jacques Vache to the manic paranoia of Dali from the ferocious iconoclasm of Alfred Jarry and Arthur Craven to the offhand hilarity of Apollinaire at his most spontaneous For each of the forty five authors included Breton has provided an enlightening biographical and critical preface situating both the writer and the work in the context of black humor a partly macabre partly ironic and often absurd turn of spirit that Breton defined as a superior revolt of the mind Anthologies can aim to be groundbreaking or thought provoking few can be said to have introduced a new phrase or a new concept into the language No one had ever used the term black humour before this one came along unless perhaps it was from a racial angle The Guardian Andre Breton 1896 1966 the founder and principal theorist of the Surrealist movement is one of the major literary figures of the past century His best known works in English translation include Nadja Mad Love The Manifestoes of Surrealism The Magnetic Fields with Philippe Soupault and Earthlight Mark Polizzotti is the author of Revolution of the Mind The Life of Andre Breton

Christ of the Coal Yards Harry Eiss, 2010-02-19 No one heard the shot No one ever found the gun It was Sunday July 27 1890 Vincent had recently finished Wheatfield with Crows thought to be his final painting one that he described as representing vast fields of wheat beneath troubled skies one where he said in a letter he meant to send to Theo I did not need to go out of my way to try to express cheerlessness and extreme loneliness The letter never got sent but was found stuffed in his smock That morning as usual he walked out into the wheat fields with his easel brushes tubes of color and folding stool perhaps hoping to reach his destination before the gang of local boys and girls were up and able to tease him and throw tomatoes Le Crau a wide plain of ripe grain fields of citron yellow tan and ochre spread out beneath the bright Provencal sun It s safe to assume he heard the cicadas singing loudly the swiping swishes of the farmers scythes already cutting through the rich wheat stalks the gusts of wind whispering through the olive branches Driven and filled with energy for months he had been quickly with an assurance that overcame and perhaps even came from his doubts and struggles putting his own dramatic visions on canvas after canvas But today he did not go into the fields to paint or perhaps in the beginning he did perhaps in the morning that was his intention No one will ever know He said he brought the revolver to frighten off the crows Possibly that was his original intention when he included it with his lunch of bread and milk In the end it s probably not relevant except for the endless attempts to analyze him to dig into his complex psyche at once brilliant and yet impelled to self destruction The Ravoux family were sitting on the terrace of their caf when he returned a bit concerned because he was late but not overly so When he finally appeared his walk was more uneven than usual and he held his hand over his stomach Monsieur Vincent Mrs Ravoux said we were worried we are glad to see you come Has anything bad happened No but I he left his reply unfinished as he passed inside Mr Ravoux followed him upstairs where he found him sitting on his bed facing the wall I wanted to kill myself This book is a critical examination of Vincent van Gogh that offers insights into his life his religious beliefs his relationships with women and of course his paintings It includes discussions of his letters and responds to many of the previous works about him dispelling some of the myths that have no foundation and pointing out how many of the claims made about him and many of the popular beliefs that have grown up around him are at best guesswork It explores psychological neurological theological philosophical aesthetic and historical paradigms for comprehending his enigmatic and enticing personality
