Legal Discourse across

Cultures and Systems Vijay K. Bhatia, Christopher N. Candlin, Jan Engberg, 2008-01-01 What exactly is legal about legal language What happens to legal language when it is used across linguistic national socio political cultural and legal systems In what way is generic integrity of legal documents maintained in multilingual and multicultural legal contexts What happens when the same rule of law is applied across legal systems By bringing together scholars and practitioners from more than ten countries representing various jurisdictions languages and socio political backgrounds this book addresses these key issues arising from the differences in legal or sociocultural systems The discussions are based not only on the analysis of the legal texts alone but also on the factors shaping such constructions and interpretations Given the increasing international need for accurate and authoritative translation and use of legal documents this important volume has considerable contemporary relevance in a globalized economy It will appeal to discourse analysts commercial consultants legal trainers translators and applied researchers in professional communication especially in the field of legal writing and languages for specific purposes

Provisional Measures before International Courts and Tribunals Cameron A. Miles, 2017-01-26 Since the decision of the International Court of Justice in *LaGrand Germany v United States of America* the law of provisional measures has expanded dramatically both in terms of the volume of relevant decisions and the complexity of their reasoning *Provisional Measures before International Courts and Tribunals* seeks to describe and evaluate this expansion and to undertake a comparative analysis of provisional measures jurisprudence in a range of significant international courts and tribunals so as to situate interim relief in the wider procedure of those adjudicative bodies The result is the first comprehensive examination of the law of provisional measures in over a decade and the first to compare investor state arbitration jurisprudence with more traditional inter state courts and tribunals *Principles of International Trade Law as a Monistic System* Hercules

Booyesen, 2003 *The Iran-United States Claims Tribunal and the Process of International Claims Resolution* David D. Caron, Crook, 2021-10-01 Examining the Tribunal's structure operations and evolution in search of the underlying patterns that characterize such international institutions this valuable book records the diverse experiences and judgments of a group of outstanding lawyers each of whom has played a significant role at some stage of the Tribunal's proceedings The essays are grouped in three distinct stages in the Tribunal's history The first group deals with the creation of the Tribunal building upon the bare boned framework laid down by the Claims Settlement Declaration The second deals with the Tribunal at work processing and deciding cases during the period when it gave greatest emphasis to resolving large commercial claims The third deals with the present situation where the Tribunal has taken a docket first dominated by claims of U S Iranian dual nationals against Iran and then by a small group of large and difficult claims between the two governments Published under the auspices of the American Society of International Law Published under the Transnational Publishers imprint
