# SUZANNE COLLINS

The background of the cover is a dark, atmospheric illustration. In the center, a large, white, rat-like creature with long whiskers is perched on a rocky outcrop, its mouth wide open as if howling or calling. The creature is illuminated by a soft, pinkish-purple light that emanates from a cave opening behind it. To the right, in the shadows, two small figures of people are visible, one standing and one crouching. The overall tone is mysterious and adventurous.
