

Millions have experienced the nine insights of *The Celestine Prophecy* and glimpsed the emerging world view that it describes. Inspired by this book, individuals across the world have opened up to the experience of guiding coincidences in their lives, and to a new sense of personal dignity and mission. Now, a new insight is emerging...

The Tenth Insight.

The Tenth Insight will take you on a journey into other dimensions...to memories of past experiences and other countries...to the moment before our conception and the birth vision we all experience...to the passage of death and the life review we must all face...to the self-imposed isolation of hell, where fearful souls resist awakening...and the love-filled Afterlife dimension where the knowledge of human destiny is guarded and held. And, back on Earth, you will see the fear of the future that is endangering Earth's spiritual renaissance, and you will struggle to overcome this fear by exploring the nature of intuition, synchronicity and visualization.

As you grasp **The Tenth Insight** your memories will expand to include an understanding of the long expanse of human history and the special mission that we all share to bring humanity to answer, as never before, the unspoken questions that loom over all of human experience and in every human heart: Why are we here? What are we to do? Where are we going?

Again, with words that resonate with our deepest intuitions and illuminate both the world outside us and within us, **James Redfield** offers us all a unique, revelatory and ultimately joyful vision of human spirituality. One that could change your life – and perhaps the world.

'In another spellbinding adventure tale, a worthy sequel to his *Celestine* masterpiece, James Redfield packs thrills, suspense, and spiritual wisdom into a book you cannot put down...You must read *The Tenth Insight*!'
