The Christmas Princess Reviews The Surprise Princess Love this series. It takes you from home to all over the world. It's great the way these books intertwine with characters from other books in this series but still give you a story that can be a stand alone. 5 review I have enjoyed each and every one of the books in this series but I loved the characters for this book the most. No two strong independent and tender hearts ever deserved to love more than Katie and Brad. Beautiful at times funny and just plain charming. 5 star review Fast paced and funny but soulful and deep. The romance has your heart racing. Just right. That's what I thought of Hoops. 5 star review Hoops Refreshingly different. Strong characterizations and perceptive insights leave a lasting impression. Romantic Times Praise for The Wedding Series A wonderful series that will make you laugh and cry. Each page is filled with love that will eventually come to the people who so need it.
