Rene Lauzier,2024-03-11 Change is accelerating and the world of 2023 is unrecognizable from the world that existed just five

years ago In a very subtle and incremental manner American society has been transformed from what once was the world's premiere super power a country that was exalted as an example of freedom justice morality and liberty into a divided group of many tribes cultures and political and special interest groups often lacking a moral compass We go with the loudest tribe fitting our basic ideals or choose to go it alone And when we try to avoid the many tribes of destruction we often tend to adopt the idol of the god of self Community and unity are being left to die a slow painful death America's true north has become obscured because we decided to forego God as the light for our path This has allowed us to quickly forget the race worth running as well as those foundational values that once comprised what we stood for as a country But how did we get here and how can the trend of moral decay and divisiveness be reversed The Great American Backslide came about as a result of not just understanding that our natural tendency as humans is to be selfish and sinful but knowing we are being given substantial assistance by the dominion of darkness This book will take us through an analysis of biblical secular and non secular explanations of the existence of evil how it induces cultural paradigm shifts aimed to ultimately separate us from God how evil leverages our emotions our brain chemistry and our sinful human nature to manipulate subtle and incremental compromises of truth how evil sustains itself and creates ever increasing moral decay leading to further evil through a cycle of depravity and how we can go about living in opposition to evil influences upon our world It'S Not a Coincidence

Dancing With The Devil

Kathleen Dryden, 2016-09-05 Dancing With The Devil is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn't belong unless we give him access through the choices we make that reject Christ's statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action

and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land Completely Set Free Damien K.
