Healing Hearts Kathy Shelton,2014-02-03 Healing Hearts A Journey in the Midst of Spiritual Adversity is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Sheltons life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ Healing Hearts is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry Our spiritual growth is often blocked by unhealed emotional and spiritual wounds Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God Spiritual maturity is a process It is not something that occurs automatically the moment after we ask Jesus into our lives Oh if it were just that simple In James 1 4 we are instructed to become mature and complete not lacking

anything We must pursue spiritual maturity **Doing Member Care Well:** Kelly O'Donnell, 2002-06-01 This book explores how member care is being practiced around the world to equip sending organizations as they intentionally support their mission aid personnel The information provided includes personal accounts guidelines case studies worksheets and practical advice from all over the globe This book delivers what it promises Here are 50 chapters from the widest selection of writers in the member care field to date Brent Lindquist President Link Care Center This book was published in partnership with the World Evangelical Alliance *Pathway to Freedom* Gloria J. Kelsey, 2022-11-30 Gloria Kelsey has experienced several traumatic events in her life including a near death experience at birth an abusive and toxic marriage and the death of her two children Walking through the chapters of her life you will discover how unresolved trauma built strongholds of insecurity fear and rejection within her soul Agreeing with an oath of secrecy and suppressing negative emotions caused physical and psychological distress blocking the healthy flow of energy within her body and creating an environment for disease to exist and develop As Gloria travelled the healing path she learned that many diseases originate from traumatic situations and that emotional memories from painful events were stored in her brain and at the cellular level of her body along with the anger grief and stress associated with those events Living in a toxic marriage caused Gloria to come into agreement with a casualty covenant that brought reality into being negating God's Word and impeding her body's ability to heal As she allowed the Lord to navigate her through the healing process by dealing with the roots fruit and effects of emotional and psychological trauma the ticking bomb of unprocessed trauma was diffused The Lord brought healing to her spirit soul and body giving her the freedom to cross over Jordan and come into her divinely appointed destiny **From Trauma to Triumph** Uboho Bassey, 2020-10-28 FINDING LIBERTY FROM TRAUMA TO TRIUMPH There's nothing like the written Word of God for showing you the way to true liberty through faith in Jesus Christ Through God's Word we are created mended shaped and put back together for the purpose predestined for us Let it equip and empower you to walk in liberty Do not be so scared that you cannot envision the glory of a new beginning Do not be so consumed by tests trials and trauma that you fail to grasp the glory of the coming triumph Do not feel so condemned that you feel there is no redemption for you Do not be so beaten down by the scourge of captivity that you jettison the glory of freedom Do not allow the troubles of your past faze you or your present tribulations derail you Forget the ugly truths the unmentionable pains and the inconceivable hurts Remember the reasons Remember your dreams Remember why you began the journey in the beginning Remember the call of liberty The call that told you You are more than this Remember the stirrings in your spirit for something more meaningful more fulfilling more enriching than the mediocre mundane and ordinary existence that sapped your energy and dampened your spirit at the rising of the sun We don't get burned out because of what we do We get burned out because we forget why we do the things we do Whether you are jaded from past trauma a present heartache or a persistent feeling of rejection self doubt the bitter sting of failure does not have to narrate your story If you conclude that your best days are over they are If you think they re

ahead they are Regardless of the adversity that you face regardless of how abysmal you think your situation is you can face every day with enthusiasm You can walk your way through trauma to triumph All it requires is your faith You can be everything you always dreamed of soaring to the heights that always called out to you You can dream again journeying with uncertainty through the valley of rebirth knowing that God is still in control As you learn to cultivate the power within you will come to the truth that you are broken to be blessed and that your liberty is guaranteed as you transit from trauma to triumph Graves become gardens and bones become armies Ashes become beauty and seas becomes highways The oil of joy for mourning and the garment of praise for the spirit of heaviness Heroes and victims both get knocked down by life s circumstances See yourself as a Hero that got back up armed with faith and determined for purpose instead of a victim that stayed down defeated by fear Be the Hero that creates a positive future from a broken past Whether the captivity we experience is due to the actions of others or social circumstances the captivity of physical infirmities or that which we bring to ourselves by our own mindset choices and attitude the captivity of physical death comes to us all as a result of the fall of Adam God offers liberty to all captives and the opening of the prison to them that are bound Let this book *From Trauma to Triumph Finding Liberty* uncover how God transforms a troubled past into a glorious destiny to illustrate that there is more in you than your history
