Cross Andrew Gabriel Roth,2001-05-01 SEE BELOW FOR AN IMPORTANT UPDATE While the dawn of the new millennium has brought an unprecedented interest to the field of New Testament studies and the search for the historical Jesus a critical piece in early Christian development has been noticeably absent Tertullus laid charges against Paul in the following address to the governor Your Excellency we have found him to be a troublemaker a ringleader of the sect known as the Nazarenes Paul said I admit that I follow the Way which they call a sect I worship the God of our ancestors and I firmly believe the Jewish law and everything written in the books of prophecy I have hope in God just as these men do that he will raise both the righteous and the ungodly Acts 24 2 5 11 15 NLT Put simply the world has so embraced the story of how the apostle Paul took a small Jewish apocalyptic sect and transformed it into a global Gentile movement that it has forgotten the very first followers of Jesus otherwise known as Nazarenes What were they like and how did their beliefs differ from the Roman based model that sprang up later Even from the Catholic fathers we are given some tantalizing clues But these sectarians did not call themselves Christians but Nazarenes however they are simply complete Jews They use not only the New Testament but

the Old Testament as well as the Jews do They have no different ideas but confess everything exactly as the Law proclaims it and in the Jewish fashion except for their belief in the Messiah if you please For they acknowledge both the resurrection of the dead and the divine creation of all things and declare that God is one and that His Son is Y shua the Messiah They are trained to a nicety in Hebrew For among them the entire Law Prophets and the Writings are read in Hebrew as they surely are by the Jews They are different from the Jews and different from Christians only in the following They disagree with the Jews for they have come to faith in Messiah but since they are still fettered with the Law circumcision and the Sabbath and the rest they are not in accord with Christians They have the Good News according to Matthew in its entirety in Hebrew For it is clear they still preserve this in the Hebrew alphabet as it was originally written Epiphanius Panarion 29 fourth century Are these Nazarenes actually the unknown continuation of the Apostle Paul s ministry What about the Jerusalem Church mentioned so frequently by Paul and headed up by Peter and James the Just Why is it only now that we can tell the story of Christendom s most influential group throughout its first fifty years and above all what happened to them Furthermore even a casual glance at any New Testament will show the Gospel of Matthew given the honor of being the first book in the collection Such an arrangement directly derived from ancient belief of what was written when is currently ignored because modern scholarship accords this honor to Mark Similarly while the scholarly world has all but forgotten the Nazarenes they have proclaimed almost universally that the New Testament was originally written in Greek despite strong early testimony and clear textual evidence to the contrary However since the fourth century the Nazarenes at some time seem to have vanished off the face of the earth As a result their existence has now been rendered into little more than a footnote in history and their connection to the original Christian movement and their Semitic scriptures have been believed to be lost forever That is until now Now for the first time a modern Nazarene breaks his silence and details the results of more than four years of research in his provocative new book Signs of the Cross As a work destined to turn upside down the current Greek compositional model of the New Testament Signs of the Cross breaks new ground

Jesus of Nazareth W. McCrocklin, W. Michael McCrocklin, 2006-04 McCrocklin reviews the biblical material about Jesus to show how His life and ministry prove Him to be both fully God and fully man It is designed to help believers grow in their appreciation and understanding of the person of Christ and to answer many questions interested nonbelievers may have Biblical Studies

Joshua Trent Hunter, 2016-07-18 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God s Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout the book 3 Whole Bible Connections show how any given passage connects to the Bible s overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel

centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. At God's command and under Joshua's leadership, the nation of Israel invaded the land of Canaan, the land God had promised his people. Thus, the book of Joshua records a key period in God's plan to redeem his people from slavery in Egypt. Connecting the story of Joshua to God's larger promises, pastor Trent Hunter offers readers rich insights into the book's overarching story of salvation and the ultimate rest offered to all who trust in Christ for salvation, helping them apply its message to their lives today.

Leading Wherever You Are Teresa Swanstrom Anderson, 2020-07-14

No matter where you are, you're leading. Leadership is about more than being the one in front. In our individual areas of influence, we can find opportunities to lead every day, and God's Word is full of examples of leadership to inspire us and help us learn. Joshua had one of the hardest leadership tasks in Scripture: to bring the Israelites out of 40 years of wilderness exile. *Leading Wherever You Are* dives deep into Joshua's life to learn from his leadership victories and mistakes. Whatever capacity you lead in, the story of Joshua is rich with lessons for you. Perfect for individual or group study, this *Get Wisdom Bible* study includes 7 weeks of in-depth devotionals on the book of Joshua, prayer sections to journal your thoughts at the end of each day, 5-8 daily reflection questions for deeper study, history lessons that provide background context for Scripture, guidance on using word study and commentary resources, cross-references to connect God's larger story of the Bible. The *Get Wisdom Bible* Studies empower women to connect with Scripture in a fresh and powerful way and are accessible for Christians in any stage of their faith journey. Get the whole series and experience soul refreshment in a new way, individually or with friends. These are some of the best Bible studies on the market. Not only has Teresa found a way to teach biblical truth with profound wisdom, but she does so in a winsome and relatable way. Kat Armstrong, author of *No More Holding Back*. These guided studies are for any woman who is wrestling with a sense of direction and believing in her worth. Marshawn Evans, Daniels Godfidence Coach, reinvention strategist for women.

Joshua Donald Baker, 1988
