Joseph's Dilemma Matthew J. Marohl, 2009-01-01 The story of the birth of Jesus in the Gospel of Matthew is told in eight verses Embedded in this short narrative is Joseph's dilemma Listeners are told that When Mary had been engaged to Joseph but before they lived together she was found to be with child from the Holy Spirit 1 18 What happens next has long been debated We are made to assume that Joseph discovers that Mary is pregnant but that he does not know that she is with child from the Holy Spirit This information is made known to Joseph later by an angel of the Lord who appeared to

him in a dream In the meantime Joseph must decide what he will do with Mary We are told Joseph being a righteous man and unwilling to expose her to public disgrace planned to dismiss her quietly 1 19 The discussion of this verse generally focuses on two questions First did Joseph suspect Mary of adultery Second if he did suspect Mary of adultery what were his options While there is some diversity in the way that these questions are answered the majority of modern interpreters envision only one option that of divorce The dilemma then is whether Joseph will divorce Mary publicly or privately While these questions are important neither adequately addresses Joseph s dilemma In this book Matthew J Marohl argues that early Christ followers understood Joseph s dilemma to involve an assumption of adultery and the subsequent possibility of the killing of Mary Worded differently Joseph s dilemma involves the possibility of an honor killing If Joseph reveals that Mary is pregnant she will be killed If Joseph conceals Mary s pregnancy he will be opposing the law of the Lord What is a righteous man to do

Company, 1982 The Birth of Jesus the Messiah Edward C. Visser, 2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesn't seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your Advent and Christmas preaching Saint Joseph Leonardo Boff, 2009-02-16 In Saint Joseph Leonardo Boff seeks to provide a vigorous critique and theological analysis of Saint Joseph and in so doing attempts to undo historical misconceptions misunderstandings and clichés that surround the figure of Joseph The book provides a comprehensive view of the topic as it takes into account biblical references including the apocrypha church tradition papal edicts liturgical expressions and various viewpoints proposed by theologians Boff is also concerned with updating the figure of Saint Joseph his first step in this direction is to provide a clear understanding of the life of Joseph as an artisan husband father and educator He then deals with the issue of the importance of Saint Joseph for current issues concerning family and fatherhood Lastly Boff argues that Saint Joseph helps us to understand new facets of the mystery of God and the author does this through his argument concerning the order of hypostatic union where according to his argument there is a relation between

Jesus and the Son Mary and the Holy Spirit and Joseph and the Father Boff seeks here to fill a gap in the theological literature given that theologians have concentrated their efforts on Jesus and the Son and Christology and Mary and the Holy Spirit and Mariology but these same theologians have by and large given very little time to the figure of Saint Joseph and the Father and Josephology

Mariology at the Beginning of the Third Millennium Kevin Wagner, M. Isabell Naumann, Peter John McGregor, Paul Morrissey, 2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary's place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors New Testament Abstracts, 1987
