Shakespeare's Book Chris Laoutaris, 2023-03-30 The never before told story of how the makers of The First Folio created Shakespeare as we know him today 2023 marks the 400 year anniversary of the publication of Mr William Shakespeare's Comedies Histories Tragedies known today simply as the First Folio It is difficult to imagine a world without The Tempest Twelfth Night Antony and Cleopatra The Winter's Tale and Macbeth but these are just some of the plays that were only preserved thanks to the astounding labor of love that was the first collected edition of Shakespeare's plays When the First Folio hit the bookstalls in 1623 nearly eight years after the dramatist's death it provided eighteen previously unpublished plays and significantly revised versions of close to a dozen other dramatic works many of which may not have survived without the efforts of those who backed financed curated and crafted what is arguably one of the most important conservation projects in literary history Without the First Folio Shakespeare is unlikely to have acquired the towering international stature he now enjoys across the arts the pedagogical arena and popular culture Its lasting impact on English national heritage as well as its circulation across cultures languages and media makes the First Folio the world's most influential secular book But who were the personalities behind the project and did Shakespeare himself play a role in its inception Shakespeare's Book The Story Behind the First Folio and the Making of Shakespeare charts for the first time the manufacture of the First Folio against a turbulent backdrop of seismic political events and international tensions which intersected with the lives of its creators and which left their indelible marks on this ambitious publication project This story uncovers the friendships bonds social ties and professional networks that facilitated the production of Shakespeare's book as well as the personal challenges tragedies and dangers that threw obstacles in the path of its chief backers It reveals how Shakespeare himself before his death may have influenced the ways in which his own public identity would come to be enshrined in the First Folio shaping his legacy to future generations and determining how the world would remember him not of an age but for all time Shakespeare's Book tells the true story of how the makers of the First Folio created Shakespeare as we know him today

The Two Gentlemen of Verona William Shakespeare, 2015 While the word gentlemen suggests that its heroes are adults The Two Gentlemen of Verona is more intelligible if we think of them as boys leaving home for the first time One has a crush on a girl Julia though he hasn't yet told her Sent to court to learn to be perfect gentlemen Valentine and Proteus are derailed by their attraction to Sylvia the ruler's daughter Valentine's mental denseness does not deter Sylvia from returning his love but he is caught and banished when he tries to elope with her Proteus's desire for Sylvia wipes out his former love leading him into despicable acts that win scorn from Sylvia and wound Julia who has pursued him disguised as a boy When Sylvia follows Valentine into banishment Proteus follows Sylvia and Julia follows Proteus the stage is set for a disturbing ending But the stage is also set for the gentlemen to take small steps toward
