Reading John through Johannine Lenses Stan Harstine, 2022-02-04 Reading John through Johannine Lenses demonstrates that the model an interpreter chooses for examining the Gospel of John significantly impacts the resulting interpretation The Fourth Evangelist uses key words in the prologue in order to guide the reader toward key moments in the gospel Stan Harstine shows how four words life word receive and believe converge at transition points in John 5 12 and 17 Their close relationship is not random rather it guides the reader to recall what the Gospel has presented in the preceding section providing a road map for understanding the narrative By using interpretive models from both diachronic and synchronic methodologies Harstine s comparison of traditional historical methods with more recent narrative and rhetorical methods demonstrates the wide disparity of results from prior approaches thus accentuating the importance of reading the Fourth Gospel through the lenses it provides its readers NLT Wide Margin Bible, Filament-Enabled Edition (Leatherlike, Dark Brown Palm, Red Letter) Tyndale, 2022-03-08 Use your creativity to respond to God s Word This single column wide margin New Living Translation Bible has 2 25 lightly ruled margins making this Bible great for note taking journaling recording prayers doodling drawing or any other creative expression in response to God s Word Because it has full access to the Filament Bible app it s also part study Bible part devotional Special features include Filament Bible app Quality white Bible paper for journaling Beautiful line over line single column setting Attractive 8 point Lexicon font Lightly ruled 2 25 wide margins Quality lay flat Smyth sewn binding Matching ribbon marker This wide margin Bible is the perfect gift for those looking for a NLT journaling and note taking Bible Enhance Your Bible Studying through the Free Filament App The NLT Wide Margin Bible Filament Enabled Edition is the only complete text Bible designed for journaling that has access to the Filament Bible app which features thousands of study notes devotionals videos reading plans and more This app enables you to use your mobile phone or tablet to connect every page to a vast array of related content including 25 000 study notes 350 videos 40 maps and infographics 400 profiles and articles 1 500 devotionals Library of worship music The Filament Bible app turns this Bible into a powerful study and devotional experience offering more to expand your mind and touch your heart than you can possibly hold in your hand And there is no additional cost for the Filament Bible app No additional purchase No additional size or weight Of course you can use this Bible without the app but when you want to dig deeper grab your phone or tablet and open the Filament Bible app It s so easy to use The New Living Translation is a clear and accurate English translation of the Bible It s easy to understand and it conveys the precise meaning of the original languages in a flowing effortless writing style that promotes comfortable and meaningful reading *NLT Wide Margin Bible, Filament Enabled (LeatherLike, Dark Brown Palm, Indexed, Red Letter)* Tyndale, 2022-03 Use your creativity to respond to God s Word This single column wide margin New Living Translation Bible has 2 25 lightly ruled margins making this Bible great for note taking journaling recording prayers doodling drawing or any other creative expression in response to God s Word Because it

Clayton Croy,2022-08-01 The only narratives of Jesus birth locate the event in Bethlehem but the adult Jesus is consistently associated with Nazareth How do we reconcile these two indisputable facts Some dismiss Bethlehem as a theologoumenon a theological fabrication Others insist on Bethlehem based on the census of Quirinius In the present volume N Clayton Croy argues that both are wrong Instead Jesus birthplace was determined by the scandalous nature of Mary s pregnancy with it being necessary for Mary and Joseph to escape the inevitable shame of an ill timed conception and decamp to a less hostile environment In this light a Bethlehem born Jesus who grew up in Nazareth should never have been considered problematic

A Handbook to Old Testament Exegesis William P. Brown,2017-03-17 Designed for both Hebrew and non Hebrew students A Handbook to Old Testament Exegesis offers a fresh hands on introduction to exegesis of the Old Testament William P Brown begins not with the biblical text itself but with the reader helping students to identify their own interpretive lenses before engaging the biblical text Brown guides the student through a wide variety of interpretive approaches including modern methodologies feminist womanist Latino a queer postcolonial disability and ecological approaches alongside more traditional methods This allows students to critically reflect on themselves as bona fide interpreters While covering a wide range of biblical passages Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in depth *Religious Books and Serials in Print* ,1982 **Changing the Goalpost of New Testament Textual Criticism** Abidan Paul Shah,2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice The Precise Parallel New Testament John R. Kohlenberger,1995 Features Greek KJV Douay Rheims Bible Amplified Bible NIV NRSV NAB and NASB 1 472 pp *NIVAC Bundle 6: Gospels, Acts* Michael J. Wilkins,David E. Garland,Darrell L. Bock,Gary M. Burge,Ajith Fernando,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original

Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

A Translator's Handbook on Paul's First Letter to the Corinthians Paul Ellingworth, Howard Hatton, 1985 **A Prologue to Studies in the Fourth Gospel** Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students The Discipleship Paradigm David Beck, 2021-11-15 This volume examines the Fourth Gospel narrative in terms of its character portrayal especially the portrayal of anonymous characters It focuses on how characterization impacts readers eliciting their involvement in the narrative particularly the recognition of and response to Jesus identity and how anonymity facilitates that participation The first chapters examine the understanding of characterization in contemporary literary theory then the author explores other contemporaneous narratives for the function of anonymous characters in those narratives The final chapters examine specific character portrayals in the Fourth Gospel demonstrating how the narratives of anonymous characters draw the reader into participation in the narrative and enables identification with those characters especially the disciple Jesus loved the Johannine paradigm of discipleship
