The Unveiling An Exhaustive Study Of The Book Of Revelation:

The Unveiling Keith Harris,1999-09 Probes areas of revelation not normally ventured by today's theologians

Life-study of Revelation Witness Lee,2023-09-27 The book of Revelation firstly reveals Christ 1 1 and secondly the testimony of Jesus 1 2 In other words this book is concerned with Christ and the church In Revelation Christ and the church are revealed in a unique and particular way Several aspects of Christ such as the vision of Him as the High Priest in the midst of the churches caring for them in love yet with a judging attitude 1 13 16 the vision of Him as the Lion Lamb in the midst of God's throne and of the four living creatures and in the midst of the 24 elders of the universe opening the seven seals of God's universal administration 5 1 6 1 and the vision of Him as Another Mighty Angel coming down from heaven to take possession of the earth 10 1 8 18 1 have never been unveiled as they are in the book of Revelation In this book the revelation of Christ is unique and ultimate In addition to this ultimate revelation of Christ the book of Revelation also unveils many unique aspects of the church as the testimony of Jesus The lampstands in chapter one the great multitude of the redeemed in chapter seven the bright woman with her man child in chapter 12 the harvest with its firstfruits in chapter 14 the overcomers on the sea of glass in chapter 15 the bride ready for marriage and the fighting army of Christ in chapter 19 and the New Jerusalem in chapters 21 and 22 are all the testimony of Jesus which is the Spirit the substance the disposition and the characteristic of the prophecy in this book 19 10 The central content of this book is an unveiling of God's economy concerning Christ and the church presenting the ultimate and consummate revelation of Christ with His full salvation and the church as His loving bride the New Jerusalem In this book we find the full and adequate conclusion not only to the writings of John and to the New Testament but also to the entire divine revelation

The Unveiling R. Jeff Collene,2016-10-07 Seven Keys that will open the Book of Revelation to the Jesus follower of the first century and the twenty first century with practical application and life lessons This study cuts through the confusion and honors the library of Scripture through the ages Writing on the Revelation of Jesus Christ is not just a daunting challenge but a humbling experience The Scriptures are clear that there is nothing new under the sun and I do not think my efforts are so unique as having not been considered before now But I do hope to reintroduce The Revelation and this reality of a fresh and possibly renewed perspective into the conversation My motive is to bring God's amazing disclosure back into the Christian conversation devotionally and practically I don't want to just make a point I want to make a difference

Unveiling Eternity Joy Karanick Roach,2020-09-28 The author untangles a complicated topic and makes it clear and understandable Filled with illustrative charts Unveiling Eternity discloses the events of the end times in a simple chronological and organized manner Written in a conversational voice the author creates a personalized instructional and easy to digest experience for the reader Referenced Scriptures have been written out into the text to prevent cumbersome back and forth searching from the book to the Bible Chapters end with a section called Recommended Activities which serves as a guide for deeper exploration Much more than a book of the end

life through practical understanding of spiritual reality It delivers and it does so through exploring the revolutionary way God reveals His Love for Man via a Redemption plan of Grace Taylor compellingly argues for getting to know God through approaching Him in the way God provides via Covenant and not the usual potpourri of man made religions He clearly reveals how the average person who knows nothing about God or religion can grasp the reality of where God is what He is doing and how each of us can experience Him in our lives today Masterfully capturing the nature of God and His dealings with man through a unique behind the scenes approach he provides a fresh view of how God sees man today through love and redemption It s a message of great hope for humanity The Secret Gospel of Mark Unveiled Peter Jeffery,2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salom twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality **Arguing the Apocalypse** Stephen D. O'Leary,1998-08-20 Apocalyptic expectations of Armageddon and a New Age have been a fixture of the American cultural landscape for centuries With the approach of the year 2000 such millennial visions seem once again to be increasing in popularity Stephen O Leary sheds new light on the age old phenomenon of the End of the Age by proposing a rhetorical explanation for the appeal of millennialism Using examples of apocalyptic argument from ancient to modern times O Leary identifies the recurring patterns in apocalyptic texts and movements and shows how and why the Christian Apocalypse has been used to support a variety of political stances and programs The book concludes with a critical review of the recent appearances of doomsday scenarios in our politics and culture and a meditation on the significance of the Apocalypse in the nuclear age Arguing the Apocalypse is the most thorough examination of its subject to date a study of a neglected chapter of our religious and cultural history a guide to the politics of Armageddon and a map of millennial consciousness NKJV, The Woman's Study Bible, Full-Color Thomas Nelson,2017-03-28 The Woman s Study Bible poignantly reveals the Word of God to women inviting them to receive God s truth for balance hope and transformation Special features designed to speak to a woman s heart appear throughout the Bible text revealing Scripture based insights about how godly womanhood grows from a woman s identity as a Christ follower and a child of the Kingdom Now with a beautiful full color redesign The Woman s Study Bible reflects the contributions of over 80 women from a wide variety of ethnic denominational educational and occupational backgrounds Since the publication of the first edition of The Woman s

Worlds at War, Nations in Song
Kendra Haloviak Valentine,2015-01-12 Rather than representing the book of Revelation as a single apocalyptic genre Kendra Haloviak Valentine demonstrates that the work in fact reflects several genres apocalyptic prophetic and liturgical within the overall framework of an epistle This study focuses on the sixteen hymns a largely neglected part of the literary construction of the work Responding to the insight of Mikhail Bakhtin that literary genres carry ways of thinking about the world this important study calls attention to the multiple voices within the text that need to be heard voices that soften the book s transcendent future focus so that it is not allowed complete dominance Hymns as the sites of colliding and collaborating genres engage the reader Worlds at War Nations in Song explores the role of these liturgical elements within the moral enterprise to suggest that the book of Revelation provides readers with a moral vision linking the future with the present Readers are called to respond in worship and witness By calling attention to the multiple voices within Revelation Haloviak Valentine demonstrates the invalidity of seeking one correct interpretation Recognizing this dialogic approach may help prevent the misinterpretations that led to such tragedies as Waco and Jonestown

Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Outlook* Alfred Emanuel Smith, Francis Walton, 1887
