contexts such as social media 2 Volumes *Childcare Workers, Global Migration and Digital Media* Youna Kim, 2017-07-20
This book explores the transnational mobility everyday life and digital media use of childcare workers living and working abroad Focusing specifically on Filipina Indonesian and Sri Lankan nannies in Europe it offers insights as to the causes and implications of women's mobility using data drawn from ethnographic research examining transnational migration work experiences family and relationships While drawing attention to the hidden largely invisible and marginalized lives of these women this research reveals the ways in which digital media especially the use of mobile phones and the Internet empower them but also continue to reinforce existing power relations and inequalities Drawing on a wide range of perspectives from media and communications sociology cultural studies and anthropology the book combines theoretical perspectives with grounded case studies Trust, Media and the Economy Joanna Paliszkiwicz, Jerzy Gołuchowski, Katarzyna

Zdanowicz-Cyganiak, Kuanchin Chen, 2025-02-07 Trust Media and the Economy Mutual Relations delves into the critical relationships between trust media and economic behavior This book explores how trust in media influences economic decisions and how economic conditions impact media trustworthiness Divided into two parts it first examines the role of trust within media channels addressing topics such as the impact of clickbait the role of user generated content and trust dynamics across generations The second part focuses on how trusted communication affects economic outcomes discussing social media's role in economic communication the influence of financial influencers and trust based marketing The book features case studies from around the world including Poland France and the United States providing a broad geographical perspective It includes topical issues such as the trust dynamics in YouTube communities and greenwashing practices The contributors' diverse expertise ensures a comprehensive analysis that is accessible to non specialists making it a valuable resource for booksellers librarians and general readers interested in media and economics By shedding light on these interactions the book offers groundbreaking insights into developing more reliable media practices and stronger economic trust foundations Media and Communication in Nigeria Bruce Mutsaers, Nnamdi T Ekeanyanwu, 2021-12-30

Communication is changing rapidly around the world particularly in Africa where citizens are embracing digital technologies not only to improve not only interpersonal communication but also the state of their financial well being This book investigates these transformations in Nigeria's booming communication industry The book traces communications in Nigeria back to pre colonial indigenous communications through the development of telecommunication broadcasting networks the press the Nigerian film industry Nollywood and on to the digital era At a time when Western voices still dominate the academic literature on communication in Africa this book is noteworthy in drawing almost exclusively on the expertise of Nigerian based authors critiquing the discipline from their own lens and providing an important contribution to the decolonisation of communication studies The authors provide a holistic analysis of the sector encompassing print journalism broadcast journalism public relations advertising film development communication organisational communication and

strategic communication Analysis of the role of digital technologies is woven throughout the book concluding with a final section theorising the future of communication studies in Nigeria in the light of the digital media revolution Robust in its theoretical and methodological underpinnings this book will be an important reference for researchers of media and communication studies and those working on Africa specifically **A Companion to New Media Dynamics** John Hartley, Jean Burgess, Axel Bruns, 2015-06-02 A Companion to New Media Dynamics presents a state of the art collection of multidisciplinary readings that examine the origins evolution and cultural underpinnings of the media of the digital age in terms of dynamic change Presents a state of the art collection of original readings relating to new media in terms of dynamic change Features interdisciplinary contributions encompassing the sciences social sciences humanities and creative arts Addresses a wide range of issues from the ownership and regulation of new media to their form and cultural uses Provides readers with a glimpse of new media dynamics at three levels of scale the macro or system level the meso or institutional level and micro or agency level *Theatre of the Ridiculous* Kelly I. Aliano, 2018-10-30 Theatre of the Ridiculous is a significant movement that highlighted the radical possibilities inherent in camp Much of contemporary theatre owes this form a great debt but little has been written about its history or aesthetic markers This book offers a comprehensive overview of the important practitioners along with critical commentary of their work Beginning with Ridiculous most recognizable name Charles Ludlam the author traces the development of this campy queer genre from the B movies of Maria Montez to the Pop Art scene of Andy Warhol to the founding of the Play House of the Ridiculous and the dawn of Ludlam s career and finally to the contemporary theatre scene
