Understanding Scrupulosity, 4th Edition Thomas Santa, 2025-04 Many people at one time or another struggle with faith issues about sin guilt punishment and hell But a small few particularly Catholics so fear offending God or fear never being forgiven by God that they are unable to participate in daily life without experiencing severe doubt and anxiety Rather than experiencing faith as a source of peace their faith causes them to dwell on or second guess every decision they make These people have scrupulosity sometimes called the doubting disease Many Redemptorists believe their founder Alphonsus Liguori struggled with scrupulosity all his life Because of this Redemptorists have a special charism for compassionately helping those with this disease achieve peace of mind in their day to day struggle Based on a half century of questions and answers published in the Scrupulous Anonymous newsletter this fourth edition of Understanding Scrupulosity addresses concerns related to sin thoughts dreams fantasies and sexuality as well as confession self worth prayer and God's grace

Agency in Mental Disorder Matt King, Joshua May, 2022-01-07 Mental illness is an issue of great practical importance Yet despite sustained inquiry from scientists and philosophers alike relatively little attention has been paid to the significance of mental disorder to agency and responsibility While there is some work that touches on the topic and a few extended treatments of particular disorders these only scratch the surface Agency in Mental Disorder seeks to provide a starting point for deeper and broader philosophical analyses The 8 new essays in this book address various questions about the relationship between agency and mental disorder What is the nature of that relationship In what ways do mental disorders affect capacities for control How should we understand the mitigations of blame that mental disorders seem to provide and can we generalize from specific disorders to any interesting claims about disorders as a class And what makes for a mental disorder in the first place

Clean Hands Jesse S. Summers, Walter Sinnott-Armstrong, 2019-08-29 People with Scrupulosity have rigorous obsessive moral beliefs that lead to extreme and compulsive moral acts These fascinating outliers raise profound questions about human nature mental

illness moral belief responsibility and psychiatric treatment Clean Hands Uses a range of case studies to examine this condition and its philosophical implications
