Understanding Edward P. Jones James W. Coleman, 2016-07-15 A comprehensive survey of the works of an acclaimed African American writer In *Understanding Edward P Jones* James W Coleman analyzes Jones's award winning works as well as the significant influences that have shaped his craft Born and raised in Washington D C Jones has made that city and its African American community the subject of or background for most of his fiction Though Jones's first work was published in 1976 his career developed slowly While he worked for two decades as a proofreader and abstractor Jones published short fiction in such periodicals as *Essence* the *New Yorker* and *Paris Review* His first collection *Lost in the City* won the PEN Hemingway Award and subsequent books including *The Known World* and *All Aunt Hagar's Children* received similar accolades including the National Book Critics Circle Award and the Pulitzer Prize for Fiction Following an overview of Jones's life influences and career Coleman provides an introduction to the technique of Jones's fiction which he likens to a tapestry woven of intricate varied and sometimes disparate elements He then analyzes the formal structure themes and characters of *The Known World* and devotes a chapter each to the short story collections *Lost in the City* and *All Aunt Hagar's Children* His discussion of these volumes focuses on Jones's narrative technique the themes of family community and broader tradition and the connections through which the stories in each volume collectively create a thematic whole In his final chapter Coleman assesses Jones's encompassing outlook that sees African American life in distinct periods but also as a historical whole simultaneously in the future the past and the present

Understanding Michael Chabon Joseph Dewey, 2014-04-22 An exploration of Chabon's career long fascination with the consolations and dangers of the imagination Pulitzer Prize winning author Michael Chabon has emerged as one of the most daring writers of American fiction in the post Pynchon era Joseph Dewey examines how Chabon's narratives have sought to bring together the defining elements of the two principal expressions of the American narrative that his generation inherited the formal extravagances of

postmodernism and the compelling storytelling of psychological realism Like the audacious self conscious excesses of Pynchon and his postmodern disciples Dewey argues Chabon s fictions are extravagant often ironic experiments into form animated by dense verbal and linguistic energy As with the probing texts of psychological realism by Updike and his faithful Chabon s fictions center on keenly drawn recognizable characters caught up in familiar heartbreaking dilemmas enthralling storylines compelled by suspense enriched with suggestive symbols and humane themes about love and death work and family and sexuality and religion Evolving over three decades this hybrid fiction has made Chabon not only one of the most widely read composers of serious fiction of his guild but one of the most critically respected writers as well thus positioning Chabon as a representative voice of the generation Dewey s study the first to examine the full breadth of Chabon s fiction from his landmark debut novel *The Mysteries of Pittsburgh* to his controversial 2012 best seller *Telegraph Avenue* places Chabon s fictional sensibility for all its hipness within what has been the defining theme of American literature since the provocative romances of Hawthorne and Melville the anxious tension between escape and engagement between the sweet centripetal pull of the redemptive imagination as a splendid if imperfect engine of retreat and the harsh centrifugal pull of real life itself recklessly deformed by the crude handiwork of surprise and chance and unable to coax even the simplest appearance of logic
