The SAGE Handbook of Developmental Disorders Patricia Howlin, Tony Charman, Mohammad Ghaziuddin, 2011-01-31

Over the last four decades breakthroughs in genetic knowledge together with the emergence of disciplines devoted to the scientific study of developmental disorders have resulted in much greater awareness of the many different behavioural and genetic phenotypes involved. It is now evident that not only do different disorders have different causes and different manifestations but different neurological and biochemical bases, different responses to intervention and different life courses. Reflecting the enormous changes that have taken place in our knowledge and understanding of developmental disorders, this groundbreaking international volume brings this vast and complex field together for the first time. The Editors have collected together the world's leading academic scholars and clinicians to explore how current research across a range of different disciplines can inform clinical practice and help to improve the lives of individuals and their families. **Multilingual**

Perspectives on Child Language Disorders Janet L. Patterson, Barbara L. Rodríguez, 2016-01-05 This book investigates language disorders in children who speak languages other than or in addition to English. The chapters in the first section of the volume focus on language disorders associated with four different syndromes in multilingual populations and contexts. This section discusses language disorders associated with autism spectrum disorders, Down syndrome, fetal alcohol syndrome and Williams syndrome. The chapters in the second section of the book relate to language impairment in children who speak diverse languages, although the issues they address are relevant across languages and cultural contexts. The book also reviews assessment procedures and intervention approaches for diverse languages including Bengali, Cantonese, French, Spanish and Turkish. The volume aims to stimulate thoughtful clinical practice and further research in language disorders in multilingual populations. *The Wiley-Blackwell Handbook of The Treatment of Childhood and Adolescent Anxiety* Cecilia A.
