Holy Days of God, the Holidays of Man Holly M. Snead,2012-12-07 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Fathers Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia What she brings to

the reader is tremendous and exciting insight into how the NT writers applied Israel's feast days to the work of Christ. If you have never considered Israel's New Moons feast days and sabbaths as they relate to the End Times, you owe it to yourself to read this book. Whatever you do, read the Appendices. These special studies are more than worth the price of the book, all by themselves. Don K. Preston, D. Div. President, Preterist Research Institute, www.eschatology.org **Send Out Your Light**

Sandra McCracken, 2021-09-28. In the middle of Psalm 43, God offers us a dynamic invitation: Send out your light. Prolific singer-songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation. This book is written in three parts: part one is the becoming the creation, how God makes us and gives us an identity; Part two is the disorientation of loss, displacement, and the dark night of the soul; Part three is reorientation, how God brings us through the darkness and illuminates our path with Scripture, sending us out to take his light to others. This has been the shape of Sandra McCracken's life. Through it all, songs and Scripture have been there to light the way, helping her respond to God's call. How will you respond to God's call to send out his light? Brave Intuitive Painting-Let Go, Be Bold, Unfold! Flora S. Bowley, 2012-05-01. Adopt a spontaneous, bold, and fearless approach to painting as a process of discovery, one that results in lush and colorful finished works that will beg to be displayed. This inspiring and encouraging book for both novice and experienced painters teaches how to create colorful, exciting, expressive paintings through a variety of techniques, combining basic practical painting principles with innovative personal self-expression. Flora S. Bowley's fun and forgiving approach to painting is based on the notion that you don't begin with a preconceived painting in mind; you allow the painting to unfold. Illustrating how to work in layers, Flora gives you the freedom to cover up, re-start, wipe away, and change courses many times along the way. Unexpected and unique compositions, color combinations, and subject matter appear as you allow your paintings to emerge in an organic, unplanned way while working from a place of curiosity and letting go of fear. **To Unfold the Psyche: A Journey into Self and Beyond**
