Manual of Uniform Course of Study for the Elementary Schools of Ohio (Classic Reprint) Ohio; State Commissioner of Com Schools,2015-07-08 Excerpt from Manual of Uniform Course of Study for the Elementary Schools of Ohio This uniform course of study for the Elementary Schools of Ohio was written by representative school people who are expert in their special subjects The schools that have but one teacher for the eight grades will be greatly benefited if the Boards of Education instruct their teachers to follow the outlines as given in this manual The elementary teachers of the village schools where no definite course of study is followed will also obtain good results by following these outlines Many teachers fail because they cannot distinguish the important facts to be taught from the trivial and un important ones Methods of presentation must be understood and definitely planned by the teacher if the teacher obtains the best results therefore this manual is offered to the Boards of Education and teachers of Ohio for their use We do not recommend any certain text books to be used as this course was written in such a way that any text book written for the elementary schools in the different branches may be used The contributors of these courses in the different branches of study gave their time and efforts to the preparation of their work without compensation and I take this opportunity to thank them for their excellent contributions The course in Agriculture is taken from the Tentative Course and Bulletins previously issued I take pleasure in recommending this course of study for the elementary schools of Ohio About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Those who Write for Immortality** H.
